### Item 1.01 Entry into a Material Definitive Agreement.

On July 16, 2019, Rexford Industrial Realty, Inc. (the "Company"), as guarantor, and its operating partnership, Rexford Industrial Realty, L.P. (the "Operating Partnership"), as issuer, entered into a Note Purchase and Guarantee Agreement (the "Note Purchase Agreement") with the purchasers named therein (the "Purchasers"). The Note Purchase Agreement provides for the private placement of \$100.0 million of unsecured guaranteed senior notes, of which (i) \$25.0 million are designated as 3.88% Series 2019A Guaranteed Senior Notes due July 16, 2029 (the "Series 2019A Notes") and (ii) \$75.0 million are designated as 4.03% Series 2019B Guaranteed Senior Notes due July 16, 2034 (the "Series 2019 B Notes" and, together with the Series 2019A Notes, the "Notes"). On July 16, 2019, the Operating Partnership and the Purchasers completed the issuance of the Notes.

Interest on each series of the Notes will be payable semiannually on the sixteenth day of January and July in each year, beginning on January 16, 2020, until maturity.

The Operating Partnership will be permitted to prepay at any time all, or from time to time any part of, the Notes, in amounts not less than \$2.5 million of the Notes then outstanding at (i) 100% of the principal amount so prepaid and (ii) the Make-Whole Amount (as defined herein and in the Note Purchase Agreement). The "Make-Whole Amount" is equal to the excess, if any, of the discounted value of the remaining scheduled payments with respect to the Notes being prepaid over the amount of such Notes. In addition, in connection with a Change of Control (as defined in the Note Purchase Agreement), the Operating Partnership is required to offer to prepay the Notes at 100% of the principal amount plus accrued and unpaid interest thereon.

The Note Purchase Agreement contains a series of financial and other covenants substantially similar to the Operating Partnership's existing unsecured guaranteed senior notes, including the following:

- Maintaining a ratio of total indebtedness to total asset value of not more than 60%;
- Maintaining a ratio of total secured debt to total asset value of not more than 40%;
- Maintaining a ratio of total secured recourse debt to total asset value of not more than 15%;
- Maintaining a minimum tangible net worth of at least the sum of (i) \$760,740,750, and (ii) an amount equal to at least 75% of the net equity proceeds received by the Company after September 30, 2016;
- Maintaining a ratio of adjusted EBITDA to fixed charges of at least 1.50 to 1.0;
- Maintaining a ratio of total unsecured debt to total unencumbered asset value of not more than 60%; and
- Maintaining a ratio of unencumbered NOI to unsecured interest expense of at least 1.75 to 1.0.

Subject to the terms of the Note Purchase Agreement and the Notes, upon certain events of default, including, but not limited to, (i) a default in the payment of any principal, Make-Whole Amount, as discussed above, or interest under the Notes, (ii) a default in the payment of certain other indebtedness of the Operating Partnership, the Company or their subsidiaries, (iii) a default in compliance with the covenants set forth in Note Purchase Agreement, and (iv) bankruptcy and other insolvency defaults, the principal and accrued and unpaid interest and the Make-Whole Amount on the outstanding Notes will become due and payable at the option of the holder of the Notes.

The Company and certain of its subsidiaries fully and unconditionally guarantee the Operating Partnership's obligations under the Notes.

The Operating Partnership intends to use the net proceeds from the issuance of the Notes to fund the acquisition of industrial properties and for general corporate purposes. The Notes have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements. The Operating Partnership offered and sold the Notes in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act.

The foregoing summary of the Note Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the Note Purchase Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

## **Section 8. Payment and Prepayment of the Notes.**

**Section 8.1. Maturity.** As provided therein, the entire unpaid principal balance of each Note shall be due and payable on the Maturity Date thereof.

**Section 8.2. Optional Prepayments with Make-Whole Amount.** The Issuer may, at its option, upon notice as provided below, prepay at any time all, or from time to time any part of, the Notes, in an amount not less than \$2,500,000 of the aggregate principal amount of the Notes then outstanding in the case of a partial prepayment, at 100% of the principal amount so prepaid, and the Make-Whole Amount determined for the prepayment date with respect to such principal amount. The Issuer will give each holder of Notes written notice of each optional prepayment under this Section 8.2 not less than 10 days (or such shorter period as may be agreed to by the Required Holders) and not more than 60 days prior to the date fixed for such prepayment. Each such notice shall specify such date (which shall be a Business Day), the aggregate principal amount of the Notes to be prepaid on such date, the principal amount of each Note held by such holder to be prepaid (determined in accordance with Section 8.3), and the interest to be paid on the prepayment date with respect to such principal amount being prepaid, and shall be accompanied by a certificate of a Senior Financial Officer of the Issuer as to the estimated Make-Whole Amount due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. Two Business Days prior to such prepayment, the Issuer shall deliver to each holder of Notes a certificate of a Senior Financial Officer specifying the calculation of such Make-Whole Amount as of the specified prepayment date.

**Section 8.3. Allocation of Partial Prepayments.** In the case of each partial prepayment of the Notes pursuant to Section 8.2, the principal amount of the Notes to be prepaid shall be allocated among all of the Notes at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof not theretofore called for prepayment.

**Section 8.4. Maturity; Surrender, Etc.** In the case of each optional prepayment of Notes pursuant to this Section 8, the principal amount of each Note to be prepaid shall mature and become due and payable on the date fixed for such prepayment, together with interest on such principal amount accrued to such date and the applicable Make-Whole Amount, if any. From and after such date, unless the Issuer shall fail to pay such principal amount when so due and payable, together with the interest and Make-Whole Amount, if any, as aforesaid, interest on such principal amount shall cease to accrue. Any Note paid or prepaid in full shall be surrendered to the Issuer

and cancelled and shall not be reissued, and no Note shall be issued in lieu of any prepaid principal amount of any Note.

**Section 8.5. Purchase of Notes.** Neither Constituent Company will, or will permit any Controlled Affiliate to, purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Notes except (a) upon the payment or prepayment of the Notes in accordance with the terms of this Agreement and the Notes or (b) pursuant to an offer to purchase made by a Constituent Company or a Controlled Affiliate pro rata to the holders of all Notes at the time outstanding upon the same terms and conditions. Any such offer shall provide each holder with sufficient information to enable it to make an informed decision with respect to such offer, and shall remain open for at least 20 Business Days. If the holders of more than 25% of the principal amount of the Notes then outstanding accept such offer, the Issuer shall promptly notify the remaining holders of such fact and the expiration date for the acceptance by holders of Notes of such offer shall be extended by the number of days necessary to give each such remaining holder at least 10 Business Days from its receipt of such notice to accept such offer. The Issuer will promptly cancel all Notes acquired by a Constituent Company or any Controlled Affiliate pursuant to any payment, prepayment or purchase of Notes pursuant to any provision of this Agreement and no Notes may be issued in substitution or exchange for any such Notes.

**Section 8.6. Make-Whole Amount.**

**“Make-Whole Amount”** means, with respect to any Note, an amount equal to the excess, if any, of the Discounted Value of the Remaining Scheduled Payments with respect to the Called Principal of such Note over the amount of such Called Principal, *provided* that the Make-Whole Amount may in no event be less than zero. For the purposes of determining the Make-Whole Amount, the following terms have the following meanings:

**“Called Principal”** means, with respect to any Note, the principal of such Note that is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

**“Discounted Value”** means, with respect to the Called Principal of any Note, the amount obtained by discounting all Remaining Scheduled Payments with respect to such Called Principal from their respective scheduled due dates to the Settlement Date with respect to such Called Principal, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on the Notes is payable) equal to the Reinvestment Yield with respect to such Called Principal.

**“Reinvestment Yield”** means, with respect to the Called Principal of any Note, 0.50% over the yield to maturity implied by the “Ask Yield(s)” reported as of 10:00 a.m. (New York City time) on the second Business Day preceding the Settlement Date with respect to such Called Principal, on the display designated as “Page PX1” (or such other display as may replace Page PX1) on Bloomberg Financial Markets for the most recently issued actively traded on-the-run U.S. Treasury securities (**“Reported”**) having a maturity equal to the Remaining Average Life of such Called

Principal as of such Settlement Date. If there are no such U.S. Treasury securities Reported having a maturity equal to such Remaining Average Life, then such implied yield to maturity will be determined by (a) converting U.S. Treasury bill quotations to bond equivalent yields in accordance with accepted financial practice and (b) interpolating linearly between the “Ask Yields” Reported for the applicable most recently issued actively traded on-the-run U.S. Treasury securities with the maturities (1) closest to and greater than such Remaining Average Life and (2) closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

If such yields are not Reported or the yields Reported as of such time are not ascertainable (including by way of interpolation), then “**Reinvestment Yield**” means, with respect to the Called Principal of any Note, 0.50% over the yield to maturity implied by the U.S. Treasury constant maturity yields reported, for the latest day for which such yields have been so reported as of the second Business Day preceding the Settlement Date with respect to such Called Principal, in Federal Reserve Statistical Release H.15 (or any comparable successor publication) for the U.S. Treasury constant maturity having a term equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there is no such U.S. Treasury constant maturity having a term equal to such Remaining Average Life, such implied yield to maturity will be determined by interpolating linearly between (i) the U.S. Treasury constant maturity so reported with the term closest to and greater than such Remaining Average Life and (ii) the U.S. Treasury constant maturity so reported with the term closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

“**Remaining Average Life**” means, with respect to any Called Principal, the number of years obtained by dividing (a) such Called Principal into (b) the sum of the products obtained by multiplying (1) the principal component of each Remaining Scheduled Payment with respect to such Called Principal by (2) the number of years, computed on the basis of a 360-day year composed of twelve 30-day months and calculated to two decimal places, that will elapse between the Settlement Date with respect to such Called Principal and the scheduled due date of such Remaining Scheduled Payment.

“**Remaining Scheduled Payments**” means, with respect to the Called Principal of any Note, all payments of such Called Principal and interest thereon that would be due after the Settlement Date with respect to such Called Principal if no payment of such Called Principal were made prior to its scheduled due date, *provided* that if such Settlement Date is not a date on which interest payments are due to be made under the Notes, then the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued to such Settlement Date and required to be paid on such Settlement Date pursuant to Section 8.4 or Section 12.1.

“**Settlement Date**” means, with respect to the Called Principal of any Note, the date on which such Called Principal is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

## **Section 8.7. Offer to Prepay Notes in the Event of a Change in Control.**

If a Change in Control has occurred, such notice shall contain and constitute an offer by the Issuer to prepay Notes as described in Section 8.7(c) and shall be accompanied by the certificate described in Section 8.7(g).

(b) *Condition to Company Action.* The Parent Guarantor will not take any action that consummates or finalizes a Change in Control unless (1) at least 30 days prior to such action the Issuer shall have given to each holder of Notes written notice containing and constituting an offer to prepay Notes as described in Section 8.7(c), accompanied by the certificate described in Section 8.7(g), and (2) contemporaneously with such action, the Issuer prepays all Notes required to be prepaid in accordance with this Section 8.7. Notwithstanding the foregoing, the Issuer shall not be required to give any notice pursuant to this Section 8.7(b) or to forbear taking any action that consummates or finalizes a Change in Control required by this Section 8.7(b) unless the information regarding such Change in Control to be contained in such notice shall have been disclosed to the public generally (and in such event the Issuer shall instead give the notice specified in Section 8.7(a) in respect of such Change in Control and the offer to prepay the Notes shall instead also be in accordance with Section 8.7(a)).

(c) *Offer to Prepay Notes.* The offer to prepay Notes contemplated by Sections 8.7(a) and (b) shall be an offer to prepay, in accordance with and subject to this Section 8.7, all, but not less than all, Notes held by each holder on a date specified in such offer (the “**Change in Control Proposed Prepayment Date**”). If such Change in Control Proposed Prepayment Date is in connection with an offer contemplated by Section 8.7(a), such date shall be a Business Day not less than 30 days and not more than 60 days after the date of such offer (or if the Change in Control Proposed Prepayment Date shall not be specified in such offer, the Change in Control Proposed Prepayment Date shall be the Business Day nearest to the 30th day after the date of such offer).

(d) *Acceptance; Rejection.* A holder of Notes may accept or reject the offer to prepay made pursuant to this Section 8.7 by causing a notice of such acceptance or rejection to be delivered to the Issuer at least five Business Days prior to the Change in Control Proposed Prepayment Date. A failure by a holder of Notes to so respond to an offer to prepay made pursuant to this Section 8.7 shall be deemed to constitute a rejection of such offer by such holder.

(e) *Prepayment.* Prepayment of the Notes to be prepaid pursuant to this Section 8.7 shall be at 100% of the principal amount of such Notes, together with accrued and unpaid interest on such Notes accrued to the date of prepayment but without any Make-Whole Amount. The

prepayment shall be made on the Change in Control Proposed Prepayment Date, except as provided by Section 8.7(f).

(f) *Deferral Pending Change in Control.* The obligation of the Issuer to prepay Notes pursuant to the offers required by Section 8.7(c) and accepted in accordance with Section 8.7(d) is subject to the occurrence of the Change in Control in respect of which such offers and acceptances shall have been made. In the event that such Change in Control does not occur on the Change in Control Proposed Prepayment Date in respect thereof, the prepayment shall be deferred until, and shall be made on the date on which, such Change in Control occurs; *provided* that, if such prepayment has not been made prior to the 180th day following the Change in Control Proposed Prepayment Date, then on such 180th day (x) the offers and acceptances made pursuant to this Section 8.7 in respect of such Change in Control automatically shall be deemed rescinded without penalty or other liability, and (y) the Constituent Companies shall give a new notice pursuant to Section 8.7(a) with respect to such Change in Control. The Constituent Companies shall keep each holder of Notes reasonably and timely informed of (1) any such deferral of the date of prepayment, (2) the date on which such Change in Control and the prepayment are expected to occur and (3) any determination by the Parent Guarantor that efforts to effect such Change in Control have ceased or been abandoned (in which case the offers and acceptances made pursuant to this Section 8.7 in respect of such Change in Control automatically shall be deemed rescinded without penalty or other liability).

(g) *Officer's Certificate.* Each offer to prepay the Notes pursuant to this Section 8.7 shall be accompanied by a certificate, executed by a Senior Financial Officer of the Issuer and dated the date of such offer, specifying (1) the Change in Control Proposed Prepayment Date, (2) that such offer is made pursuant to this Section 8.7 and that failure by a holder to respond to such offer by the deadline established in Section 8.7(d) shall result in such offer to such holder being deemed rejected, (3) the principal amount of each Note offered to be prepaid, (4) the interest that would be due on each Note offered to be prepaid, accrued to the Change in Control Proposed Prepayment Date, (5) that the conditions of this Section 8.7 have been fulfilled and (6) in reasonable detail, the nature and date of the Change in Control.

(h) "*Change in Control*" means an event or series of events by which:

(2) during any period of 12 consecutive months, a majority of the members of the board of directors or other equivalent governing body of the Parent Guarantor cease to be composed of individuals (i) who were members of that board or equivalent governing body on the first day of such period, (ii) whose election or nomination to that board or equivalent governing body was approved by individuals referred to in clause (i) above constituting at the time of such election or nomination at least a majority of that board or equivalent governing body or (iii) whose election or nomination to that board or other equivalent governing body was approved by individuals referred to in clauses (i) and (ii) above constituting at the time of such election or nomination at least a majority of that board or equivalent governing body; or

(c) the passage of 30 days from the date upon which any Person or two or more Persons acting in concert shall have acquired by contract or otherwise, or shall have entered into a contract or arrangement (excluding any contract or arrangement which, by its terms, requires as a condition to the closing of such transaction that the Notes be refinanced or paid in full) that, upon consummation thereof, will result in its or their acquisition of, the power to exercise, directly or indirectly, a controlling influence over the management or policies of the Parent Guarantor, or control over the equity Securities of the Parent Guarantor entitled to vote for members of the board of directors or equivalent governing body of the Parent Guarantor on a fully-diluted basis (and taking into account all such Securities that such Person or group has the right to acquire pursuant to any option right) representing 25% or more of the combined voting power of such Securities.

(i) “*Control Event*” means (1) the execution by the Parent Guarantor or any of its Affiliates of any agreement or letter of intent with respect to any proposed transaction or event or series of transactions or events which, individually or in the aggregate, may reasonably be expected to result in a Change in Control, (2) the execution of any written agreement which, when fully performed by the parties thereto, would result in a Change in Control or (3) the making of any written offer by any “person” or “group” (as such terms are used in Section 13(d) and Section 14(d) of the Exchange Act) to the holders of Equity Interests of the Parent Guarantor or of any of its Affiliates, which offer, if accepted by the requisite number of holders, would result in a Change in Control.

**Section 8.8. Payments Due on Non-Business Days.** Anything in this Agreement or the Notes to the contrary notwithstanding, (a) subject to clause (b), any payment of interest on any Note that is due on a date that is not a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day; and (b) any payment of principal of or Make-Whole Amount on any Note (including principal due on the Maturity Date of such Note) that is due on a date that is not a Business Day shall be made on the next succeeding Business Day and shall include the additional days elapsed in the computation of interest payable on such next succeeding Business Day.

**Section 9.2. Insurance.** Each Constituent Company will, and will cause each of its Subsidiaries to, maintain with financially sound and reputable insurance companies not Affiliates of either Constituent Company or any Subsidiary, insurance with respect to their properties and businesses against loss or damage of the kinds customarily insured against by Persons of established reputation engaged in the same or similar business and similarly situated, of such types, on such terms and in such amounts (including deductibles, co-insurance and self-insurance, if adequate reserves are maintained with respect thereto) as are customarily carried under similar circumstances by such other Persons.

Other Remedies.** If any Event of Default has occurred and is continuing, and irrespective of whether any Notes have become or have been declared immediately due and payable under Section 12.1, the holder of any Note at the time outstanding may proceed to protect and enforce the rights of such holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Note or in the Subsidiary Guaranty Agreement, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

**Section 12.3. Rescission.** At any time after any Notes have been declared due and payable pursuant to Section 12.1(b) or (c), the Required Holders, by written notice to the Issuer, may rescind and annul any such declaration and its consequences if (a) the Issuer has paid all overdue interest on the Notes, all principal of and Make-Whole Amount, if any, on any Notes that are due and payable and are unpaid other than by reason of such declaration, and all interest on such overdue principal and Make-Whole Amount, if any, and (to the extent permitted by applicable law) any overdue interest in respect of the Notes, at the applicable Default Rate, (b) neither the Issuer nor any other Person shall have paid any amounts which have become due solely by reason of such declaration, (c) all Events of Default and Defaults, other than non-payment of amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to Section 18, and (d) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to the Notes. No rescission and annulment under this Section 12.3 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

**Section 12.4. No Waivers or Election of Remedies, Expenses, Etc.** No course of dealing and no delay on the part of any holder of any Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement, the Subsidiary Guaranty Agreement or any Note upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Constituent Companies under Section 16, the Issuer will pay to the holder of each Note on demand such further amount as shall be sufficient to cover all documented

costs and expenses of such holder incurred in any enforcement or collection under this Section 12, including reasonable attorneys' fees, expenses and disbursements.

### **Section 13. Guaranty.**

**Section 13.1. The Guaranty.** The Parent Guarantor hereby absolutely, unconditionally and irrevocably guarantees, as primary obligor and not merely as surety, to each holder of a Note (a) the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, Make-Whole Amount, if any, and interest (including any interest accruing after the commencement of any proceeding in bankruptcy and any additional interest that would accrue but for the commencement of such proceeding) on the Notes and all other obligations of the Issuer under this Agreement and (b) the full and prompt performance and observance by the Issuer of each and all of the obligations, covenants and agreements required to be performed or observed by the Issuer under the terms of this Agreement and the Notes (all the foregoing being hereinafter collectively called the "**Obligations**"). The Parent Guarantor further agrees (to the extent permitted by applicable law) that the Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it shall remain bound under this Section 13 notwithstanding any extension or renewal of any Obligation; *provided* that nothing in this Section 13.1 shall limit any rights to the Parent Guarantor with respect to amendments to this Agreement.

**Section 13.2. Waiver of Defenses.** The Parent Guarantor waives presentation to, demand of payment from and protest to the Issuer of any of the Obligations and also waives notice of protest for nonpayment. The Parent Guarantor waives notice of any default under this Agreement, the Notes or the other Obligations. The obligation of the Parent Guarantor hereunder shall not be affected by (a) the failure of any holder of a Note to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person (including any Subsidiary Guarantor) under this Agreement, the Notes, the Subsidiary Guaranty Agreement or any other agreement or otherwise; (b) any extension or renewal of any thereof; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Agreement, the Notes, the Subsidiary Guaranty Agreement or any other agreement; (d) the acceptance of any security or Guarantee (including the Subsidiary Guaranty Agreement) by any holder of a Note for the Obligations or any of them; (e) the release of any security or Guarantee (including the Subsidiary Guaranty Agreement) held by any holder of a Note for the Obligations or any of them; (f) the release of the Issuer, any Subsidiary Guarantor or any other Person from its liability with respect to the Obligations; (g) any act or failure to act with regard to the Obligations; (h) the voluntary or involuntary liquidation, dissolution, sale or other disposition of all or substantially all the assets, marshalling of assets and liabilities, receivership, insolvency, bankruptcy, assignment for the benefit of creditors, reorganization or arrangement under bankruptcy or similar laws, composition with creditors or readjustment of, or other similar procedure affecting the Issuer, any Subsidiary Guarantor or any other Person or any of the assets of any of them, or any allegation or contest of the validity of this Agreement, the Notes, the Subsidiary Guaranty Agreement or any other agreement or the disaffirmance of this Agreement or the Notes or the Subsidiary Guaranty Agreement or any other agreement in any such proceeding; (i) the invalidity or unenforceability of this Agreement, the Notes, the Subsidiary Guaranty Agreement or any other agreement; (j) the impossibility or illegality of performance on the part of the Issuer, any

Subsidiary Guarantor or any other Person of its obligations under the Notes, this Agreement, the Subsidiary Guaranty Agreement or any other instrument or agreement; (k) in respect of the Issuer, any Subsidiary Guarantor or any other Person, any change of circumstances, whether or not foreseen or foreseeable, whether or not imputable to the Issuer, any Subsidiary Guarantor or any other Person, or other impossibility of performance through fire, explosion, accident, labor disturbance, floods, droughts, embargoes, wars (whether or not declared), acts of terrorists, civil commotions, acts of God or the public enemy, delays or failures of suppliers or carriers, inability to obtain materials, action of any Governmental Authority, change of law or any other causes affecting performance, or other force majeure, whether or not beyond the control of the Issuer, any Subsidiary Guarantor or any other Person and whether or not of the kind above specified; or (l) any change in the ownership of the Issuer.

It being understood that the specific enumeration of the above-mentioned acts, failures or omissions shall not be deemed to exclude any other acts, failures or omissions, though not specifically mentioned above, it being the purpose and intent of this Section 13.2 that the obligations of the Parent Guarantor shall be absolute, unconditional and irrevocable to the extent herein specified and shall not be discharged, impaired or varied except by the payment of the Obligations and then only to the extent of such payment. It is also understood that the Parent Guarantor is not waiving any right that it has to consent to amendment to this Agreement.

**Section 13.3. Guaranty of Payment.** The Parent Guarantor further agrees that the Guarantee herein constitutes a guaranty of payment when due (and not a guaranty of collection) and waives any right to require that any resort be had by any holder of a Note to any other Person or to any security held for payment of the Obligations.

**Section 13.4. Guaranty Unconditional.** The obligations of the Parent Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of the Parent Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any holder of a Note to assert any claim or demand or to enforce any remedy under this Agreement, the Notes, the Subsidiary Guaranty Agreement or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the Obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of the Parent Guarantor or would otherwise operate as a discharge of the Parent Guarantor as a matter of law or equity.

**Section 13.5. Reinstatement.** The Parent Guarantor further agrees that the Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Obligations is rescinded or must otherwise be restored by any holder of a Note upon the bankruptcy or reorganization of the Issuer or otherwise.

**Section 13.6. Payment on Demand.** In furtherance of the foregoing and not in limitation of any other right which any holder of a Note has at law or in equity against the Parent Guarantor by virtue hereof, upon the failure of the Issuer to pay any of the Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, the Parent Guarantor hereby promises to and shall, upon receipt of written demand by any holder of a Note, forthwith pay, or cause to be paid, in cash, to the holders an amount equal to the sum of (a) the unpaid amount of such Obligations then due and owing and (b) accrued and unpaid interest on such Obligations then due and owing (but only to the extent not prohibited by applicable law).

The Parent Guarantor acknowledges and agrees that repeated and successive demands may be made and recoveries may be had hereunder as and when, from time to time, the Issuer shall default under the terms of a Note or this Agreement and that notwithstanding recovery hereunder for or in respect of any given Default or Event of Default, the Guarantee contained in this Section 13 shall remain in full force and effect and shall apply to each and every subsequent Default or Event of Default.

**Section 13.7. Stay of Acceleration.** The Parent Guarantor further agrees that, as between itself, on the one hand, and the holders of the Notes, on the other hand, (a) the maturity of the Obligations guaranteed hereby may be accelerated as provided in this Agreement for the purposes of the Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby and (b) in the event of any such declaration of acceleration of such Obligations, such Obligations (whether or not due and payable) shall forthwith become due and payable by the Parent Guarantor for the purposes of this Guarantee.

**Section 13.8. No Subrogation.** Notwithstanding any payment or payments made by the Parent Guarantor hereunder, the Parent Guarantor shall not be entitled to be subrogated to any of the rights of any holder of a Note against the Issuer or any collateral security or Guarantee or right of offset held by any holder for the payment of the Obligations, nor shall the Parent Guarantor seek or be entitled to seek any contribution or reimbursement from the Issuer or any Subsidiary Guarantor in respect of payments made by the Parent Guarantor hereunder, until all amounts owing to the holders of the Notes by the Issuer on account of the Obligations (other than Unmatured Surviving Obligations) are paid in full. If any amount shall be paid to the Parent Guarantor on account of such subrogation rights at any time when all of the Obligations (other than Unmatured Surviving Obligations) shall not have been paid in full, such amount shall be held by the Parent Guarantor in trust for the holders of the Notes, segregated from other funds of the Parent Guarantor, and shall, forthwith upon receipt by the Parent Guarantor, be turned over to the holders of the Notes in the exact form received by the Parent Guarantor (duly indorsed by the Parent Guarantor to the holders of the Notes, if required), to be applied against the Obligations.

**Section 13.9. Marshalling.** No holder of a Note shall be under any obligation: (a) to marshal any assets in favor of the Parent Guarantor or in payment of any or all of the liabilities of the Issuer under or in respect of the Notes and this Agreement or the obligations of the Parent Guarantor hereunder or (b) to pursue any other remedy that the Parent Guarantor may or may not

be able to pursue itself and that may lighten the Parent Guarantor's burden, any right to which the Parent Guarantor hereby expressly waives.

**Section 13.10. Transfer of Notes.** So long as any such transfer is made in accordance with this Agreement, all rights of any holder of a Note under this Section 13 shall be considered to be transferred or assigned at any time or from time to time upon the transfer of any Note held by such holder whether with or without the consent of or notice to the Parent Guarantor under this Section 13.

**Section 13.11. Consideration.** The Parent Guarantor has received, or shall receive, direct or indirect benefits from the making of this Guarantee.

**Section 14. Registration; Exchange; Substitution of Notes.**

**Section 14.1. Registration of Notes.** The Issuer shall keep at its principal executive office a register for the registration and registration of transfers of Notes. The name and address of each holder of one or more Notes, each transfer thereof and the name and address of each transferee of one or more Notes shall be registered in such register. If any holder of one or more Notes is a nominee, then (a) the name and address of the beneficial owner of such Note or Notes shall also be registered in such register as an owner and holder thereof and (b) at any such beneficial owner's option, either such beneficial owner or its nominee may execute any amendment, waiver or consent pursuant to this Agreement. Prior to due presentment for registration of transfer, the Person(s) in whose name any Note(s) shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and the Issuer shall not be affected by any notice or knowledge to the contrary. The Issuer shall give to any holder of a Note that is an Institutional Investor promptly upon request therefor, a complete and correct copy of the names and addresses of all registered holders of Notes.

**Section 14.2. Transfer and Exchange of Notes.** Transfer and Exchange of Notes. Upon surrender of any Note to the Issuer at the address and to the attention of the designated officer (all as specified in Section 19(3)), for registration of transfer or exchange (and in the case of a surrender for registration of transfer accompanied by a written instrument of transfer duly executed by the registered holder of such Note or such holder's attorney duly authorized in writing and accompanied by the relevant name, address and other information for notices of each transferee of such Note or part thereof), within 10 Business Days thereafter, the Issuer shall execute and deliver, at the Issuer's expense (except as provided below), one or more new Notes of the same series (as requested by the holder thereof) in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note. Each such new Note shall be payable to such Person as such holder may request and shall be substantially in the form of Schedule 1(a) or Schedule 1(b), as applicable. Each such new Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Note or dated the date of the surrendered Note if no interest shall have been paid thereon. The Issuer may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Notes. Notes shall not be transferred in denominations of less than \$100,000, *provided* that if necessary to enable

the registration of transfer by a holder of its entire holding of Notes of a series, one Note of such series may be in a denomination of less than \$100,000. Any transferee, by its acceptance of a Note registered in its name (or the name of its nominee), shall be deemed to have made the representations set forth in Section 6.3.

**Section 14.3. Replacement of Notes.** Upon receipt by the Issuer at the address and to the attention of the designated officer (all as specified in Section 19(3)) of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (*provided* that if the holder of such Note is, or is a nominee for, an Initial Purchaser or another holder of a Note with a minimum net worth of at least \$50,000,000 or a Qualified Institutional Buyer, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof,

within 10 Business Days thereafter, the Issuer at its own expense shall execute and deliver, in lieu thereof, a new Note of the same series, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated Note or dated the date of such lost, stolen, destroyed or mutilated Note if no interest shall have been paid thereon.

**Section 15. Payments on Notes.**

**Section 15.1. Place of Payment.** Subject to Section 15.2, payments of principal, Make-Whole Amount, if any, and interest becoming due and payable on the Notes shall be made in New York, New York at the principal office of JPMorgan Chase Bank, N.A. in such jurisdiction. The Issuer may at any time, by notice to each holder of a Note, change the place of payment of the Notes so long as such place of payment shall be either the principal office of the Issuer in such jurisdiction or the principal office of a bank or trust company in such jurisdiction.

**Section 15.2. Home Office Payment.** So long as any Purchaser or its nominee shall be the holder of any Note, and notwithstanding anything contained in Section 15.1 or in such Note to the contrary, the Issuer will pay all sums becoming due on such Note for principal, Make-Whole Amount, if any, interest and all other amounts becoming due hereunder by the method and at the address specified for such purpose below such Purchaser's name in Schedule B, or by such other method or at such other address as such Purchaser shall have from time to time specified to the Issuer in writing for such purpose, without the presentation or surrender of such Note or the making of any notation thereon, except that upon written request of the Issuer made concurrently with or reasonably promptly after payment or prepayment in full of any Note, such Purchaser shall surrender such Note for cancellation, reasonably promptly after any such request, to the Issuer at its principal executive office or at the place of payment most recently designated by the Issuer pursuant to Section

15.1. Prior to any sale or other disposition of any Note held by a Purchaser or its nominee, such Purchaser will, at its election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Note to the Issuer in exchange for a new Note or Notes pursuant to Section 14.2. The Issuer will afford the benefits of this Section 15.2 to any Institutional Investor that is the direct or indirect transferee of any Note purchased by a Purchaser under this Agreement and that has made the same agreement relating to such Note as the Purchasers have made in this Section 15.2.

**Section 15.3. FATCA Information.** By acceptance of any Note, the holder of such Note agrees that such holder will with reasonable promptness duly complete and deliver to the Issuer, or to such other Person as may be reasonably requested by the Issuer, from time to time (a) in the case of any such holder that is a United States Person, such holder's United States tax identification number or other forms reasonably requested by the Issuer necessary to establish such holder's status as a United States Person under FATCA and as may otherwise be necessary for the Issuer to comply with its obligations under FATCA and (b) in the case of any such holder that is not a United States Person, such documentation prescribed by applicable law (including as prescribed by section 1471(b)(3)(C)(i) of the Code) and such additional documentation as may be necessary for the Issuer to comply with its obligations under FATCA and to determine that such holder has complied with such holder's obligations under FATCA or to determine the amount (if any) to deduct and withhold from any such payment made to such holder. Nothing in this Section 15.3 shall require any holder to provide information that is confidential or proprietary to such holder unless the Issuer is required to obtain such information under FATCA and, in such event, the Issuer shall treat any such information it receives as confidential.

## **Section 16. Expenses, Etc.**

**Section 16.1. Transaction Expenses.** Whether or not the transactions contemplated hereby are consummated, the Constituent Companies will pay all documented costs and expenses (including reasonable attorneys' fees of a special counsel and, if reasonably required by the Required Holders, local or other counsel) incurred by the Purchasers and each other holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement, the Subsidiary Guaranty Agreement or the Notes (whether or not such amendment, waiver or consent becomes effective), including: (a) the documented costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement, the Subsidiary Guaranty Agreement or the Notes or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement, the Subsidiary Guaranty Agreement or the Notes, or by reason of being a holder of any Note, (b) the documented costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of either Constituent Company or any Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby and by the Notes and the Subsidiary Guaranty Agreement and (c) the reasonable and documented costs and expenses incurred in connection with the initial filing of this Agreement and all related documents and financial information with the SVO *provided*, that such costs and expenses under this clause (c) shall not exceed \$5,000; *provided further*, that in connection with the execution

of this Agreement and the Closing, the Constituent Companies will not be required to pay the attorney's fees for more than a single special counsel acting for all Initial Purchasers. The Constituent Companies will pay, and will save each Purchaser and each other holder of a Note harmless from, (1) all claims in respect of any fees, costs or expenses, if any, of brokers and finders (other than those, if any, retained by a Purchaser or other holder in connection with its purchase of the Notes) and (2) any and all wire transfer fees that any bank deducts from any payment under such Note to such holder or otherwise charges to a holder of a Note with respect to a payment under such Note.

**Section 16.2. Survival.** The obligations of each Constituent Company under this Section 16 will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of this Agreement, the Subsidiary Guaranty Agreement or the Notes, and the termination of this Agreement.

**Section 17. Survival of Representations and Warranties; Entire Agreement.**

All representations and warranties contained herein shall survive the execution and delivery of this Agreement and the Notes, the purchase or transfer by any Purchaser of any Note or portion thereof or interest therein and the payment of any Note, and may be relied upon by any subsequent holder of a Note, regardless of any investigation made at any time by or on behalf of such Purchaser or any other holder of a Note. All statements contained in any certificate or other instrument delivered by or on behalf of either Constituent Company pursuant to this Agreement shall be deemed representations and warranties of the Constituent Companies under this Agreement. Subject to the preceding sentence, this Agreement, the Notes and the Subsidiary Guaranty Agreement embody the entire agreement and understanding between each Purchaser and the Constituent Companies and supersede all prior agreements and understandings relating to the subject matter hereof.

**Section 18. Amendment and Waiver.**

**Section 18.1. Requirements.** This Agreement and the Notes may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), only with the written consent of each of the Constituent Companies (or only the Issuer in the case of the Notes), and the Required Holders, except that:

(a) no amendment or waiver of any of Sections 1, 2, 3, 4, 5, 6 or 22, or any defined term (as it is used therein), will be effective as to any Purchaser unless consented to by such Purchaser in writing; and

(b) no amendment or waiver may, without the written consent of each Purchaser and the holder of each Note at the time outstanding, (1) subject to Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or reduce the rate or change the time of payment or method of computation of (i) interest on the Notes or (ii) the Make-Whole Amount, (2) change the percentage of the principal amount of the Notes the holders of which are required to consent to any amendment or waiver, or (3) amend any of Sections 8, 11(a), 11(b), 12, 13, 18 or 21.

**Section 18.2. Solicitation of Holders of Notes.**

(a) *Solicitation.* A Constituent Company will provide each holder of a Note with sufficient information, sufficiently far in advance of the date a decision is required, to enable such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Notes or of the Subsidiary Guaranty Agreement. A Constituent Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to this Section 18 or the Subsidiary Guaranty Agreement to each holder of a Note promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of Notes.

(b) *Payment.* Neither Constituent Company will directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any holder of a Note as consideration for or as an inducement to the entering into by such holder of any waiver or amendment of any of the terms and provisions hereof or of the Subsidiary Guaranty Agreement or any Note unless such remuneration is concurrently paid, or security is concurrently granted or other credit support concurrently provided, on the same terms, ratably to each holder of a Note even if such holder did not consent to such waiver or amendment.

(c) *Consent in Contemplation of Transfer.* Any consent given pursuant to this Section 18 or the Subsidiary Guaranty Agreement by a holder of a Note that has transferred or has agreed to transfer its Note to a Constituent Company or any Affiliate in connection with such consent shall be void and of no force or effect except solely as to such holder, and any amendments effected or waivers granted or to be effected or granted that would not have been or would not be so effected or granted but for such consent (and the consents of all other holders of Notes that were acquired under the same or similar conditions) shall be void and of no force or effect except solely as to such holder.

**Section 18.3. Binding Effect, Etc.** Any amendment or waiver consented to as provided in this Section 18 or the Subsidiary Guaranty Agreement applies equally to all holders of Notes and is binding upon them and upon each future holder of any Note and upon each Constituent Company without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between either Constituent Company and any holder of a Note and no delay in exercising any rights hereunder or under any Note or the Subsidiary Guaranty Agreement shall operate as a waiver of any rights of any holder of such Note.

**Section 18.4. Notes Held by a Constituent Company, Etc.** Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Notes then outstanding approved or consented to any amendment, waiver or consent to be given under this Agreement, the Subsidiary Guaranty Agreement or the Notes, or have directed the taking of any action provided herein or in the Subsidiary Guaranty Agreement or the Notes to be taken

upon the direction of the holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by either Constituent Company or any Affiliate shall be deemed not to be outstanding.

**Section 19. Notices.**

Except to the extent otherwise provided in Section 7.4, all notices and communications provided for hereunder shall be in writing and sent (a) by telecopy if the sender on the same day sends a confirming copy of such notice by an internationally recognized overnight delivery service (charges prepaid), (b) by registered or certified mail with return receipt requested (postage prepaid), or (c) by an internationally recognized overnight delivery service (with charges prepaid). Any such notice must be sent:

- (1) if to any Purchaser or its nominee, to such Purchaser or nominee at the address specified for such communications in Schedule B, or at such other address as such Purchaser or nominee shall have specified to the Constituent Companies in writing,
- (2) if to any other holder of any Note, to such holder at such address as such other holder shall have specified to the Constituent Companies in writing, or
- (3) if to either Constituent Company, to such Constituent Company at its address set forth at the beginning hereof to the attention of Chief Financial Officer and Secretary, or at such other address as such Constituent Company shall have specified to the holder of each Note in writing.

Notices under this Section 19 will be deemed given only when actually received.

**Section 20. Reproduction of Documents.**

This Agreement and all documents relating hereto, including (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by any Purchaser at the Closing (except the Notes themselves), and (c) financial statements, certificates and other information previously or hereafter furnished to any Purchaser, may be reproduced by such Purchaser by any photographic, photostatic, electronic, digital, or other similar process and such Purchaser may destroy any original document so reproduced. Each Constituent Company agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such Purchaser in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 20 shall not prohibit either Constituent Company or any other holder of Notes from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

## **Section 21. Confidential Information.**

For the purposes of this Section 21, “**Confidential Information**” means information delivered to any Purchaser by or on behalf of either Constituent Company or any Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement, *provided* that such term does not include information that (a) was publicly known or otherwise known to such Purchaser prior to the time of such disclosure, (b) subsequently becomes publicly known through no act or omission by such Purchaser or any Person acting on such Purchaser’s behalf, (c) otherwise becomes known to such Purchaser other than through disclosure by either Constituent Company or any Subsidiary or (d) constitutes financial statements delivered to such Purchaser under Section 7.1 that are otherwise publicly available. Each Purchaser will maintain the confidentiality of such Confidential Information in accordance with procedures adopted by such Purchaser in good faith to protect confidential information of third parties delivered to such Purchaser, *provided* that such Purchaser may deliver or disclose Confidential Information to (1) its directors, officers, employees, agents, attorneys, trustees and affiliates (to the extent such disclosure reasonably relates to the administration of the investment represented by its Note and subject to such Purchaser’s confidentiality procedures), (2) its auditors, financial advisors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with this Section 21, (3) any other holder of any Note, (4) any Institutional Investor to which it sells or offers to sell such Note or any part thereof or any participation therein (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by this Section 21), (5) any Person from which it offers to purchase any Security of either Constituent Company (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by this Section 21), (6) any federal or state regulatory authority having jurisdiction over such Purchaser in each case as requested or required by such authority, (7) the NAIC or the SVO or, in each case, any similar organization, or any nationally recognized rating agency that requires access to information about such Purchaser’s investment portfolio, or (8) any other Person to which such delivery or disclosure may be necessary or appropriate (i) to effect compliance with any law, rule, regulation or order applicable to such Purchaser, (ii) in response to any subpoena or other legal process, (iii) in connection with any litigation to which such Purchaser is a party (and, subject to clause (iv) below, if not prohibited by applicable law, such Purchaser shall use commercially reasonable efforts to give notice thereof to the Constituent Companies prior to such disclosure) or (iv) if an Event of Default has occurred and is continuing, to the extent such Purchaser may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under such Purchaser’s Notes, this Agreement or the Subsidiary Guaranty Agreement. Each holder of a Note, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 21 as though it were a party to this Agreement. On reasonable request by either Constituent Company in connection with the delivery to any holder of a Note of information required to be delivered to such holder under this Agreement or requested by such holder (other than a holder that is a party to this Agreement or its nominee), such holder will enter into an agreement with the Constituent Companies embodying this Section 21.

In the event that as a condition to receiving access to information relating to either Constituent Company or any Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement, any Purchaser or holder of a Note is required to agree to a confidentiality undertaking (whether through IntraLinks, another secure website, a secure virtual workspace or otherwise) which is different from this Section 21, this Section 21 shall not be amended thereby and, as between such Purchaser or such holder and the Constituent Companies, this Section 21 shall supersede any such other confidentiality undertaking.

**Section 22. Substitution of Initial Purchaser.**

**Section 23.4. Construction, Etc.** Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

Defined terms herein shall apply equally to the singular and plural forms of the terms defined. The words “include,” “includes” and “including” shall be deemed to be followed by the phrase “without limitation.” The word “will” shall be construed to have the same meaning and effect as the word “shall.” Unless the context requires otherwise, (a) any definition of or reference to any agreement, instrument or other document (including any Organizational Document) shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein) and, for purposes of the Notes, shall also include any such notes issued in substitution therefor pursuant to Section 14, (b) subject to Section 23.1, any reference herein to any Person shall be construed to include such Person’s successors and permitted assigns, (c) the words “hereto,” “herein,” “hereof” and “hereunder,” and words of similar import when used herein, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (d) all references herein to Sections, Exhibits and Schedules shall be construed to refer to Sections of, and Exhibits and Schedules to, this Agreement, (e) any reference to any law shall include all statutory and regulatory provisions consolidating, amending, replacing or interpreting such law and any reference to any law or regulation shall, unless otherwise specified, refer to such law or regulation as amended, modified or supplemented from time to time, and (f) the words “asset” and “property” shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts and contract rights.

Any reference herein to a merger, consolidation, amalgamation, assignment, Disposition, or similar term, shall be deemed to apply to a division of or by a limited liability company, or an allocation of assets to a series of one or more limited liability companies (or the unwinding of such a division or allocation), as if it were a merger, consolidation, amalgamation, consolidation, assignment, Disposition, or similar term, as applicable, to, of or with a separate Person. Any division of a limited liability company shall constitute a separate Person hereunder (and each division of

any limited liability company that is a Subsidiary, joint venture or any other like term shall also constitute such a Person or entity).

**Section 23.5. Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.

**Section 23.6. Governing Law.** This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York excluding choice-of-law principles of the law of such State that would permit the application of the laws of a jurisdiction other than such State.

**Section 23.7. Jurisdiction and Process; Waiver of Jury Trial.**

(a) Each Constituent Company and each Purchaser irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, The City of New York, over any suit, action or proceeding arising out of or relating to this Agreement or the Notes. To the fullest extent permitted by applicable law, each Constituent Company and each Purchaser irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(b) Each Constituent Company and each Purchaser consents to process being served by or on behalf of any party hereto in any suit, action or proceeding of the nature referred to in Section 23.7(a) by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, return receipt requested, to it at its address specified in Section 19 or at such other address of which such party shall then have been notified pursuant to said Section. Each Constituent Company and each Purchaser agrees that such service upon receipt (1) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (2) shall, to the fullest extent permitted by applicable law, be taken and held to be valid personal service upon and personal delivery to it. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the United States Postal Service or any reputable commercial delivery service.

(c) Nothing in this Section 23.7 shall affect the right of any party hereto to serve process in any manner permitted by law, or limit any right that such party may have to bring proceedings against any other party hereto in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

(d) The parties hereto hereby waive trial by jury in any action brought on or with respect to this Agreement, the Notes, the Subsidiary Guaranty Agreement or any other document executed in connection herewith or therewith.

\$25,000,000 3.88% Series 2019A Guaranteed Senior Notes due July 16, 2029

\$75,000,000 4.03% Series 2019B Guaranteed Senior Notes due July 16, 2034

of

Rexford Industrial Realty, L.P.

This Subsidiary Guaranty Agreement dated as of \_\_\_\_\_, 20\_\_ (this “**Guaranty**”) is entered into on a joint and several basis by each of the undersigned, together with any entity which may become a party hereto by execution and delivery of a Guaranty Supplement in substantially the form set forth as Exhibit A hereto (a “**Guaranty Supplement**”) (which parties are hereinafter referred to individually as a “**Guarantor**” and collectively as the “**Guarantors**”).

### Recitals

A. Rexford Industrial Realty, Inc., a Maryland corporation (the “**Parent**”), is the sole general partner and limited partner of Rexford Industrial Realty, L.P., a limited partnership organized under the laws of the State of Maryland (the “**Issuer**”; the Parent and the Issuer are sometimes collectively referred to herein as the “**Constituent Companies**”). Each Guarantor is a direct or indirect Wholly-Owned Subsidiary of a Constituent Company.

B. The Constituent Companies have entered into a Note Purchase and Guarantee Agreement dated as of July 16, 2019 (as the same may be amended, supplemented, restated or otherwise modified from time to time, the “**Note Purchase Agreement**”) with each of the institutional investors named on Schedule B attached thereto (collectively, the “**Initial Purchasers**”), providing for, among other things, the issue and sale by the Issuer to the Initial Purchasers of \$100,000,000 in aggregate principal amount of its Guaranteed Senior Notes, consisting of (1) \$25,000,000 in aggregate principal amount of its 3.88% Series 2019A Guaranteed Senior Notes due July 16, 2029 (the “**Series 2019A Notes**”) and (2) \$75,000,000 in aggregate principal amount of its 4.03% Series 2019B Guaranteed Senior Notes due July 16, 2034 (the “**Series 2019B Notes**”; together with the Series 2019A Notes, the “**Notes**”). The Initial Purchasers together with their respective successors and assigns are collectively referred to herein as the “**Holders**.”

C. The Initial Purchasers have required as a condition of their purchase of the Notes that the Constituent Companies cause each of the undersigned to enter into this Guaranty and, as set forth in Section 9.8(a) of the Note Purchase Agreement, to cause certain other Subsidiaries from time to time to enter into a Guaranty Supplement, and the Constituent Companies have agreed to cause each of the undersigned to execute this Guaranty and to cause each such other Subsidiary to

execute a Guaranty Supplement, in each case in order to induce the Initial Purchasers to purchase the Notes and thereby benefit the Issuer and its Subsidiaries by providing funds to the Issuer for the purposes described in Section 5.14 of the Note Purchase Agreement.

Now, therefore, as required by Section 4.11 of the Note Purchase Agreement and in consideration of the premises and other good and valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, each Guarantor does hereby covenant and agree, jointly and severally, as follows:

SECTION 1. Definitions.

Capitalized terms used herein shall have the meanings set forth in the Note Purchase Agreement unless defined herein or the context shall otherwise require.

SECTION 2. Guaranty of Notes and Note Purchase Agreement.

(a) Each Guarantor jointly and severally does hereby irrevocably, absolutely and unconditionally guarantee unto the Holders: (1) the full and prompt payment of the principal of, Make-Whole Amount, if any, and interest (including, without limitation, any interest on any overdue principal, Make-Whole Amount, if any, interest accruing after the commencement of any bankruptcy or similar proceeding, and any additional interest that would accrue but for the commencement of such proceeding and, to the extent permitted by applicable law, on any overdue interest) on the Notes from time to time outstanding, as and when such payments shall become due and payable whether by lapse of time, upon redemption or prepayment, by extension or by acceleration or declaration or otherwise in federal or other immediately available funds of the United States of America which at the time of payment or demand therefor shall be legal tender for the payment of public and private debts, (2) the full and prompt performance and observance by the Issuer of each and all of the obligations, covenants and agreements required to be performed or owed by the Issuer under the terms of the Notes, (3) the full and prompt performance and observance by each Constituent Company of each and all of the obligations, covenants and agreements required to be performed or owed by such Constituent Company under the terms of the Note Purchase Agreement and (4) the full and prompt payment, upon demand by any Holder, of all costs and expenses, legal or otherwise (including reasonable attorneys' fees), if any, payable by the Issuer pursuant to Section 12.4 of the Note Purchase Agreement or the Constituent Companies pursuant to Section 16.1 of the Note Purchase Agreement, or as shall have been expended or incurred in the protection or enforcement of any rights, privileges or liabilities in favor of the Holders under or in respect of this Guaranty or in any consultation or action in connection therewith or herewith.

(b) To the extent that any Guarantor shall make a payment hereunder (a "**Payment**") which, together with all other Payments made by such Guarantor, and taking into account all other Payments previously or concurrently made by any of the other Guarantors, exceeds the amount which such Guarantor would otherwise have paid if each Guarantor had paid the aggregate obligations satisfied by such Payment(s) in the same proportion as such Guarantor's Allocable Amount (as hereinafter defined) in effect immediately prior to such Payment bore to the Aggregate Allocable Amount (as hereinafter defined) in effect immediately prior to the making of such Payment, then such Guarantor shall be entitled to contribution and indemnification from, and be reimbursed by, each of the other Guarantors for the amount of such excess, *pro rata* based upon

their respective Allocable Amounts in effect immediately prior to such Payment; *provided* that each Guarantor covenants and agrees that such right of contribution and indemnification and any and all claims of such Guarantor against any other Guarantor, any endorser or against any of their property shall be junior and subordinate in right of payment to the prior indefeasible final payment in cash in full of all of the Notes and satisfaction by the Constituent Companies of their obligations under the Note Purchase Agreement and by the Guarantors of their obligations under this Guaranty and the Guarantors shall not take any action to enforce such right of contribution and indemnification, and the Guarantors shall not accept any payment in respect of such right of contribution and indemnification, until all of the Notes and all amounts payable by the Guarantors hereunder have indefeasibly been finally paid in cash in full and all of the obligations of the Constituent Companies under the Note Purchase Agreement and of the Guarantors under this Guaranty have been satisfied.

As of any date of determination, (1) the “**Allocable Amount**” of any Guarantor shall be equal to the maximum amount which could then be claimed by the Holders under this Guaranty without rendering such claim voidable or avoidable under Section 548 of Chapter 11 of the United States Bankruptcy Code (11 U.S.C. Sec. 101 *et. seq.*) or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or similar statute or common law; and (2) the “**Aggregate Allocable Amount**” shall be equal to the sum of the Allocable Amount of all Guarantors.

This clause (b) is intended only to define the relative rights of the Guarantors, and nothing set forth in this clause (b) is intended to or shall impair the obligations of the Guarantors, jointly and severally, to pay any amounts to the Holders as and when the same shall become due and payable in accordance herewith.

Each Guarantor acknowledges that the rights of contribution and indemnification hereunder shall constitute an asset in favor of any Guarantor to which such contribution and indemnification is owing.

### SECTION 3. Guaranty of Payment and Performance.

This is an irrevocable, absolute and unconditional guarantee of payment and performance (and not merely of collection) and each Guarantor hereby waives, to the fullest extent permitted by law, any right to require that any action on or in respect of any Note or the Note Purchase Agreement be brought against either Constituent Company or any other Person or that resort be had to any direct or indirect security for the Notes or for this Guaranty or any other remedy. Any Holder may, at its option, proceed hereunder against any Guarantor in the first instance to collect monies when due, the payment of which is guaranteed hereby, without first proceeding against either Constituent Company or any other Person and without first resorting to any direct or indirect security for the Notes or for this Guaranty or any other remedy. The liability of each Guarantor hereunder shall in no way be affected or impaired by any acceptance by any Holder of any direct or indirect security for, or other guaranties of, any Indebtedness, liability or obligation of either Constituent Company or any other Person to any Holder or by any failure, delay, neglect or omission by any Holder to realize upon or protect any such guaranties, Indebtedness, liability or obligation or any notes or other instruments evidencing the same or any direct or indirect security therefor or by any approval, consent, waiver, or other action taken, or omitted to be taken by any such Holder.

The covenants and agreements on the part of the Guarantors herein contained shall take effect as joint and several covenants and agreements, and references to the Guarantors shall take effect as references to each of them and none of them shall be released from liability hereunder by reason of the guarantee ceasing to be binding as a continuing security on any other of them.

SECTION 4. General Provisions Relating to the Guaranty.

(a) Each Guarantor hereby consents and agrees that any Holder or Holders from time to time, with or without any further notice to or assent from any other Guarantor may, without in any manner affecting the liability of any Guarantor under this Guaranty, and upon such terms and conditions as any such Holder or Holders may deem advisable:

(1) extend in whole or in part (by renewal or otherwise), modify, change, compromise, release or extend the duration of the time for the performance or payment of any Indebtedness, liability or obligation of the Issuer or of any other Person (including, without limitation, any other Guarantor) secondarily or otherwise liable for any Indebtedness, liability or obligation of the Issuer on the Notes, or waive any Default or Event of Default with respect thereto, or waive, modify, amend or change any provision of the Note Purchase Agreement, any other agreement or waive this Guaranty; or

(2) sell, release, surrender, modify, impair, exchange or substitute any and all property, of any nature and from whomsoever received, held by, or for the benefit of, any such Holder as direct or indirect security for the payment or performance of any Indebtedness, liability or obligation of the Issuer or of any other Person (including, without limitation, any other Guarantor) secondarily or otherwise liable for any Indebtedness, liability or obligation of the Issuer on the Notes; or

(3) settle, adjust or compromise any claim of the Issuer against any other Person (including, without limitation, any other Guarantor) secondarily or otherwise liable for any Indebtedness, liability or obligation of the Issuer on the Notes.

Each Guarantor hereby ratifies and confirms any such extension, renewal, change, sale, release, waiver, surrender, exchange, modification, amendment, impairment, substitution, settlement, adjustment or compromise and that the same shall be binding upon it, and hereby waives, to the fullest extent permitted by law, any and all defenses, counterclaims or offsets which it might or could have by reason thereof, it being understood that such Guarantor shall at all times be bound by this Guaranty and remain liable hereunder until all of the Notes and all amounts payable by the Guarantors hereunder have indefeasibly been finally paid in cash in full and all of the obligations of the Constituent Companies under the Note Purchase Agreement and of the Guarantors under this Guaranty have been satisfied.

(b) Each Guarantor hereby waives, to the fullest extent permitted by law:

(1) notice of acceptance of this Guaranty by the Holders or of the creation, renewal or accrual of any liability of either Constituent Company, present or future, or of the reliance of such Holders upon this Guaranty (it being understood that every Indebtedness,

liability and obligation described in Section 2 hereof shall conclusively be presumed to have been created, contracted or incurred in reliance upon the execution of this Guaranty);

(2) demand of payment by any Holder from either Constituent Company or any other Person (including, without limitation, any other Guarantor) indebted in any manner on or for any of the Indebtedness, liabilities or obligations hereby guaranteed; and

(3) presentment for the payment by any Holder or any other Person of the Notes or any other instrument, protest thereof and notice of its dishonor to any party thereto and to such Guarantor.

The obligations of each Guarantor under this Guaranty and the rights of any Holder to enforce such obligations by any proceedings, whether by action at law, suit in equity or otherwise, shall not be subject to any reduction, limitation, impairment or termination (other than termination upon the indefeasible payment in cash in full of all of the Notes and all amounts payable by the Guarantors hereunder and the satisfaction of all of the obligations of the Constituent Companies under the Note Purchase Agreement and of the Guarantors under this Guaranty), whether by reason of any claim of any character whatsoever or otherwise and shall not be subject to any defense, set-off, counterclaim (other than any compulsory counterclaim), recoupment or termination whatsoever.

(c) The obligations of the Guarantors hereunder shall be binding upon the Guarantors and their successors and assigns, shall remain in full force and effect until all of the Notes and all amounts payable by the Guarantors hereunder have indefeasibly been finally paid in cash in full and all of the obligations of the Constituent Companies under the Note Purchase Agreement and of the Guarantors under this Guaranty have been satisfied, and shall remain in full force and effect irrespective of:

(1) the genuineness, validity, regularity or enforceability of the Notes, the Note Purchase Agreement or any other agreement or any of the terms of any thereof, the continuance of any obligation on the part of the Issuer or any other Person on or in respect of the Notes or either Constituent Company under the Note Purchase Agreement or any other agreement or the power or authority or the lack of power or authority of the Issuer to issue the Notes or either Constituent Company to execute and deliver the Note Purchase Agreement, or any other agreement or of any Guarantor to execute and deliver this Guaranty or to perform any of its obligations hereunder or the existence or continuance of either Constituent Company or any other Person as a legal entity; or

(2) any default, failure or delay, willful or otherwise, in the performance by either Constituent Company, any Guarantor or any other Person of any obligations of any kind or character whatsoever under the Notes, the Note Purchase Agreement, this Guaranty or any other agreement; or

(3) any creditors' rights, bankruptcy, receivership or other insolvency proceeding of either Constituent Company, any Guarantor or any other Person or in respect of the property of either Constituent Company, any Guarantor or any other Person or any merger, consolidation, reorganization, dissolution, liquidation, sale of all or substantially all of the

assets of or winding up of either Constituent Company, any Guarantor or any other Person; or

(4) impossibility or illegality of performance on the part of either Constituent Company, any Guarantor or any other Person of its obligations under the Notes, the Note Purchase Agreement, this Guaranty or any other agreement; or

(5) in respect of either Constituent Company or any other Person, any change of circumstances, whether or not foreseen or foreseeable, whether or not imputable to either Constituent Company or any other Person, or other impossibility of performance through fire, explosion, accident, labor disturbance, floods, droughts, embargoes, wars (whether or not declared), civil commotion, acts of God or the public enemy, delays or failure of suppliers or carriers, inability to obtain materials, action of any federal or state regulatory body or agency, change of law or any other causes affecting performance, or any other *force majeure*, whether or not beyond the control of either Constituent Company or any other Person and whether or not of the kind hereinbefore specified; or

(6) any attachment, claim, demand, charge, Lien, order, process, encumbrance or any other happening or event or reason, similar or dissimilar to the foregoing, or any withholding or diminution at the source, by reason of any taxes, assessments, expenses, Indebtedness, obligations or liabilities of any character, foreseen or unforeseen, and whether or not valid, incurred by or against either Constituent Company, any Guarantor or any other Person or any claims, demands, charges or Liens of any nature, foreseen or unforeseen, incurred by either Constituent Company, any Guarantor or any other Person, or against any sums payable in respect of the Notes or under the Note Purchase Agreement, or this Guaranty, so that such sums would be rendered inadequate or would be unavailable to make the payments herein provided; or

(7) any order, judgment, decree, ruling or regulation (whether or not valid) of any court of any nation or of any political subdivision thereof or any body, agency, department, official or administrative or regulatory agency of any thereof or any other action, happening, event or reason whatsoever which shall delay, interfere with, hinder or prevent, or in any way adversely affect, the performance by either Constituent Company, any Guarantor or any other Person of its respective obligations under or in respect of the Notes, the Note Purchase Agreement, this Guaranty or any other agreement; or

(8) the failure of any Guarantor to receive any benefit from or as a result of its execution, delivery and performance of this Guaranty; or

(9) any failure or lack of diligence in collection or protection, failure in presentment or demand for payment, protest, notice of protest, notice of default and of nonpayment, any failure to give notice to any Guarantor of failure of either Constituent Company, any Guarantor or any other Person to keep and perform any obligation, covenant or agreement under the terms of the Notes, the Note Purchase Agreement, this Guaranty or any other agreement or failure to resort for payment to either Constituent Company, any

Guarantor or to any other Person or to any other guaranty or to any property, security, Liens or other rights or remedies; or

(10) the acceptance of any additional security or other guaranty, the advance of additional money to the Issuer or any other Person, the renewal or extension of the Notes or amendments, modifications, consents or waivers with respect to the Notes, the Note Purchase Agreement, or any other agreement, or the sale, release, substitution or exchange of any security for the Notes; or

(11) any merger or consolidation of either Constituent Company, any Guarantor or any other Person into or with any other Person or any sale, lease, transfer or other disposition of any of the assets of either Constituent Company, any Guarantor or any other Person to any other Person, or any change in the ownership of any shares or other equity interests of either Constituent Company, any Guarantor or any other Person; or

(12) any defense whatsoever that: (i) the Issuer or any other Person might have to the payment of the Notes (including, principal, Make-Whole Amount, if any, or interest), other than payment thereof in federal or other immediately available funds or (ii) either Constituent Company or any other Person might have to the performance or observance of any of the provisions of the Notes, the Note Purchase Agreement or any other agreement, whether through the satisfaction or purported satisfaction by either Constituent Company or any other Person of its debts due to any cause such as bankruptcy, insolvency, receivership, merger, consolidation, reorganization, dissolution, liquidation, winding-up or otherwise; or

(13) any act or failure to act with regard to the Notes, the Note Purchase Agreement, this Guaranty or any other agreement or anything which might vary the risk of any Guarantor or any other Person; or

(14) any other circumstance which might otherwise constitute a defense available to, or a discharge of, any Guarantor or any other Person in respect of the obligations of any Guarantor or other Person under this Guaranty or any other agreement;

*provided* that the specific enumeration of the above-mentioned acts, failures or omissions shall not be deemed to exclude any other acts, failures or omissions, though not specifically mentioned above, it being the purpose and intent of this Guaranty and the parties hereto that the obligations of each Guarantor shall be absolute and unconditional and shall not be discharged, impaired or varied except by the payment of the principal of, Make-Whole Amount, if any, and interest on the Notes in accordance with their respective terms whenever the same shall become due and payable as in the Notes provided, at the place specified in and all in the manner and with the effect provided in the Notes and the Note Purchase Agreement, as each may be amended or modified from time to time. Without limiting the foregoing, it is understood that repeated and successive demands may be made and recoveries may be had hereunder as and when, from time to time, the Issuer shall default under or in respect of the terms of the Notes or either Constituent Company shall default under or in respect of the terms of the Note Purchase Agreement and that notwithstanding recovery hereunder for or in respect of any given default or defaults by the Issuer under the Notes or by either Constituent

Company under the Note Purchase Agreement, this Guaranty shall remain in full force and effect and shall apply to each and every subsequent default.

(d) All rights of any Holder under this Guaranty shall be considered to be transferred or assigned at any time or from time to time upon the transfer of any Note held by such Holder whether with or without the consent of or notice to the Guarantors under this Guaranty or to either Constituent Company.

(e) To the extent of any payments made under this Guaranty, the Guarantors shall be subrogated to the rights of the Holder or Holders upon whose Notes such payment was made, but each Guarantor covenants and agrees that such right of subrogation and any and all claims of such Guarantor against either Constituent Company, any endorser or other Guarantor or against any of their respective properties shall be junior and subordinate in right of payment to the prior indefeasible final payment in cash in full of all of the Notes and satisfaction by the Constituent Companies of their obligations under the Note Purchase Agreement and by the Guarantors of their obligations under this Guaranty, and the Guarantors shall not take any action to enforce such right of subrogation, and the Guarantors shall not accept any payment in respect of such right of subrogation, until all of the Notes and all amounts payable by the Guarantors hereunder have indefeasibly been finally paid in cash in full and all of the obligations of the Constituent Companies under the Note Purchase Agreement and of the Guarantors under this Guaranty have been satisfied. Notwithstanding any right of any Guarantor to ask, demand, sue for, take or receive any payment from either Constituent Company, all rights, Liens and security interests of each Guarantor, whether now or hereafter arising and howsoever existing, in any assets of the Constituent Companies shall be and hereby are subordinated to the rights, if any, of the Holders in those assets. No Guarantor shall have any right to possession of any such asset or to foreclose upon any such asset, whether by judicial action or otherwise, unless and until all of the Notes and the obligations of the Constituent Companies under the Note Purchase Agreement shall have been paid in cash in full and satisfied.

(f) Each Guarantor agrees that to the extent the Issuer or any other Person makes any payment on any Note, which payment or any part thereof is subsequently invalidated, voided, declared to be fraudulent or preferential, set aside, recovered, rescinded or is required to be retained by or repaid to a trustee, receiver, or any other Person under any bankruptcy code, common law, or equitable cause, then and to the extent of such payment, the obligation or the part thereof intended to be satisfied shall be revived and continued in full force and effect with respect to the Guarantors' obligations hereunder, as if said payment had not been made. The liability of the Guarantors hereunder shall not be reduced or discharged, in whole or in part, by any payment to any Holder from any source that is thereafter paid, returned or refunded in whole or in part by reason of the assertion of a claim of any kind relating thereto, including, but not limited to, any claim for breach of contract, breach of warranty, preference, illegality, invalidity or fraud asserted by any account debtor or by any other Person.

(g) No Holder shall be under any obligation: (1) to marshal any assets in favor of the Guarantors or in payment of any or all of the liabilities of the Issuer under or in respect of the Notes or the Constituent Companies under or in respect of the Note Purchase Agreement or the obligations of the Guarantors hereunder or (2) to pursue any other remedy that the Guarantors may or may not

be able to pursue themselves and that may lighten the Guarantors' burden, any right to which each Guarantor hereby expressly waives.

(h) If an event permitting the acceleration of the maturity of the principal amount of the Notes shall at any time have occurred and be continuing and such acceleration shall at such time be prevented or the right of any Holder to receive any payment under any Note shall at such time be delayed or otherwise affected by reason of the pendency against the Issuer of a case or proceeding under a bankruptcy or insolvency law, each Guarantor agrees that, for purposes of this Guaranty and its obligations hereunder, the maturity of such principal amount shall be deemed to have been accelerated with the same effect as if the Holders had accelerated the same in accordance with the terms of the Note Purchase Agreement, and such Guarantor shall forthwith pay such accelerated principal of, Make-Whole Amount, if any, and interest on the Notes and any other amounts guaranteed hereunder.

SECTION 5. Representations and Warranties of the Guarantors.

Each Guarantor represents and warrants to each Holder that:

(a) Such Guarantor is a corporation or other legal entity duly organized, validly existing and, where applicable, in good standing under the laws of its jurisdiction of organization, and is duly qualified as a foreign corporation or other legal entity and, where applicable, is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Such Guarantor has the corporate or other power and authority to own or hold under lease the properties it purports to own or hold under lease, to transact the business it transacts and proposes to transact, to execute and deliver this Guaranty and to perform the provisions hereof.

(b) Such Guarantor is either (1) a "qualified REIT subsidiary" within the meaning of Section 856(i) of the Code, (2) a REIT, (3) a "taxable REIT subsidiary" within the meaning of Section 856(l) of the Code, (4) a partnership under Treasury Regulation Section 301.7701-3 or (5) an entity disregarded as a separate entity from its owner under Treasury Regulation Section 301.7701-3.

(c) This Guaranty has been duly authorized by all necessary corporate or other action on the part of such Guarantor, and this Guaranty constitutes a legal, valid and binding obligation of such Guarantor enforceable against such Guarantor in accordance with its terms, except as such enforceability may be limited by (1) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (2) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

(d) The execution, delivery and performance by such Guarantor of this Guaranty will not (1) contravene, result in any breach of, or constitute a default under, or result in the creation of any Lien in respect of any property of such Guarantor or any of its Subsidiaries under any indenture, mortgage, deed of trust, loan, purchase or credit agreement, lease, Organizational Document or any other material agreement or instrument to which such Guarantor or any of its Subsidiaries is bound

or by which such Guarantor or any of its Subsidiaries or any of their respective properties may be bound or affected, (2) conflict with or result in a breach of any of the terms, conditions or provisions of any order, judgment, decree or ruling of any court, arbitrator or Governmental Authority applicable to such Guarantor or any of its Subsidiaries or (3) violate any provision of any statute or other rule or regulation of any Governmental Authority applicable to such Guarantor or any of its Subsidiaries.

(e) No consent, approval or authorization of, or registration, filing or declaration with, any Governmental Authority is required in connection with the execution, delivery or performance by such Guarantor of this Guaranty except for consents, approvals, authorizations, registrations, filings or declarations which have been duly obtained, taken, given or made and are in full force and effect.

(f) Neither such Guarantor nor any of its Subsidiaries is subject to regulation under the Investment Company Act of 1940, as amended, the Public Utility Holding Company Act of 2005, as amended, the ICC Termination Act of 1995, as amended, or the Federal Power Act, as amended.

(g) The obligations of such Guarantor under this Guaranty rank at least *pari passu* in right of payment with all other unsecured and unsubordinated senior Indebtedness (actual or contingent) of such Guarantor including, without limitation, all unsecured and unsubordinated senior Indebtedness of such Guarantor under any guaranty of Indebtedness of any other Person.

(h) Such Guarantor, when taken on a consolidated basis with the Constituent Companies and the other Guarantors, is Solvent.

#### SECTION 6. Amendments, Waivers and Consents.

(a) This Guaranty may be amended, and the observance of any term hereof may be waived (either retroactively or prospectively), only with the written consent of each Guarantor and the Required Holders, except that (1) no amendment or waiver of any of the provisions of Sections 3, 4 or 5, or any defined term (as it is used therein), will be effective as to any Holder unless consented to by such Holder in writing and (2) no amendment or waiver may, without the written consent of each Holder, (i) change the percentage of the principal amount of the Notes the Holders of which are required to consent to any such amendment or waiver or (ii) amend Section 2 or this Section 6. No consent of the Holders or the Guarantors shall be required in connection with the execution and delivery of a Guaranty Supplement or other addition of any additional Guarantor, and each Guarantor, by its execution and delivery of this Guaranty (or Guaranty Supplement) consents to the addition of each additional Guarantor.

(b) The Guarantors will provide each Holder with sufficient information, sufficiently far in advance of the date a decision is required, to enable such Holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof. The Guarantors will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to the provisions of this Section 6 to each Holder promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite Holders. The Guarantors will deliver executed copies of each executed Guaranty Supplement to each Holder promptly following the date on which it is executed.

(c) Any consent given pursuant to this Section 6 by a Holder that has transferred or has agreed to transfer its Notes to a Constituent Company or any Affiliate in connection with such consent shall be void and of no force or effect except solely as to such Holder, and any amendments effected or waivers granted or to be effected or granted that would not have been or would not be so effected or granted but for such consent (and the consents of all other Holders that were acquired under the same or similar conditions) shall be void and of no force or effect except solely as to such Holder.

(d) No Guarantor will, directly or indirectly, pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any Holder as consideration for or as an inducement to the entering into by such Holder of any waiver or amendment of any of the terms and provisions hereof unless such remuneration is concurrently paid, or security is concurrently granted or other credit support is concurrently granted, on the same terms, ratably to each Holder even if such Holder did not consent to such waiver or amendment.

(e) Any amendment or waiver consented to as provided in this Section 6 applies equally to all Holders affected thereby and is binding upon them and upon each future holder and upon the Guarantors. No such amendment or waiver will extend to or affect any obligation, covenant or agreement not expressly amended or waived, or impair any right consequent thereon. No course of dealing between any Guarantor and any Holder nor any delay in exercising any rights hereunder shall operate as a waiver of any rights of any Holder. As used herein, the term “this Guaranty” and references thereto shall mean this Guaranty as it may from time to time be amended or supplemented.

(f) Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Notes then outstanding have approved or consented to any amendment, waiver or consent to be given under this Guaranty, or have directed the taking of any action provided herein to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by any Guarantor, either Constituent Company or any of their Affiliates shall be deemed not to be outstanding.

#### SECTION 7. Notices.

All notices and communications provided for hereunder shall be in writing and sent (a) by telecopy if the sender on the same day sends a confirming copy of such notice by an internationally recognized overnight delivery service (charges prepaid), (b) by registered or certified mail with return receipt requested (postage prepaid), (c) by an internationally recognized overnight delivery service (charges prepaid) or (d) by e-mail. Any such notice must be sent:

(1) if to an Initial Purchaser or its nominee, to such Initial Purchaser or its nominee at the address (whether e-mail or physical) specified for such communications in Schedule B to the Note Purchase Agreement, or at such other address as such Initial Purchaser or its nominee shall have specified to the Guarantors and the Constituent Companies in writing,

(2) if to any other Holder, to such Holder at such address (whether e-mail or physical) as such Holder shall have specified to the Guarantors and the Constituent Companies in writing, or

(3) if to any Guarantor, to such Guarantor c/o the Issuer at its address (whether e-mail or physical) set forth at the beginning of the Note Purchase Agreement (in the case of physical delivery, to the attention of the Chief Financial Officer and Secretary), or at such other address as such Guarantor shall have specified to the Holders in writing.

Notices under this Section 7 will be deemed given only when actually received.

SECTION 8. Miscellaneous.

(a) No remedy herein conferred upon or reserved to any Holder is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Guaranty now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default, omission or failure of performance hereunder shall impair any such right or power or shall be construed to be a waiver thereof but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle any Holder to exercise any remedy reserved to it under this Guaranty, it shall not be necessary for such Holder to physically produce its Note in any proceedings instituted by it or to give any notice, other than such notice as may be herein expressly required.

(b) The Guarantors will pay all sums becoming due under this Guaranty by the method and at the address specified for such purpose for such Holder, in the case of a Holder that is an Initial Purchaser, on Schedule B to the Note Purchase Agreement, or by such other method or at such other address as any Holder shall have from time to time specified to the Guarantors and the Constituent Companies in writing for such purpose, without the presentation or surrender of this Guaranty or any Note.

(c) Any provision of this Guaranty that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law) not invalidate or render unenforceable such provision in any other jurisdiction.

(d) If the whole or any part of this Guaranty shall be now or hereafter become unenforceable against any one or more of the Guarantors for any reason whatsoever or if it is not executed by any one or more of the Guarantors, this Guaranty shall nevertheless be and remain fully binding upon and enforceable against each other Guarantor as if it had been made and delivered only by such other Guarantors.

(e) This Guaranty shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of each Holder and its successors and assigns so long as its Notes remain outstanding and unpaid. If any Guarantor enters into any consolidation or merger, pursuant to which such Guarantor is not the surviving entity (the “**Successor Person**”), the Successor Person

shall execute and deliver to each Holder its assumption of the due and punctual performance and observance of each covenant and condition of this Guaranty (pursuant to such agreements and instruments as shall be reasonably satisfactory to the Required Holders).

(f) This Guaranty may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.

(g) This Guaranty shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York excluding choice-of-law principles of the law of such State that would permit the application of the laws of a jurisdiction other than such State.

(h) Each Guarantor and each Holder irrevocably submits to the non-exclusive jurisdiction of any New York State or U.S. federal court sitting in the Borough of Manhattan, The City of New York, over any suit, action or proceeding arising out of or relating to this Guaranty. To the fullest extent permitted by applicable law, each Guarantor and each Holder irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(i) Each Guarantor and each Holder consents to process being served by or on behalf of any party hereto or beneficiary hereof in any suit, action or proceeding of the nature referred to in Section 8(h) by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, return receipt requested, to it at its address specified in Section 7 or at such other address of which such party or beneficiary shall then have been notified pursuant to said Section. Each Guarantor and each Holder agrees that such service upon receipt (1) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (2) shall, to the fullest extent permitted by applicable law, be taken and held to be valid personal service upon and personal delivery to it. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the United States Postal Service or any reputable commercial delivery service.

(j) Nothing in Section 8(h) or 8(i) shall affect the right of any party hereto or beneficiary hereof to serve process in any manner permitted by law, or limit any right that any party hereto or beneficiary hereof may have to bring proceedings against any other party hereto or beneficiary hereof in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

(k) Each Guarantor hereby waives and, by its acceptance hereof, each Holder hereby waives, trial by jury in any action brought on or with respect to this Guaranty or any other document executed in connection herewith.

In witness whereof, the undersigned has caused this Guaranty to be duly executed by an authorized representative as of the date first written above.

Ladies and Gentlemen:

Whereas, Rexford Industrial Realty, L.P., a Maryland limited partnership (the “**Issuer**”), issued \$100,000,000 in aggregate principal amount of its Guaranteed Senior Notes, consisting of (1) \$25,000,000 in aggregate principal amount of its 3.88% Series 2019A Guaranteed Senior Notes due July 16, 2029 (the “**Series 2019A Notes**”) and (2) \$75,000,000 in aggregate principal amount of its 4.03% Series 2019B Guaranteed Senior Notes due July 16, 2034 (the “**Series 2019B Notes**”; together with the Series 2019A Notes, the “**Notes**”) pursuant to that certain Note Purchase and Guarantee Agreement dated as of July 16, 2019 (the “**Note Purchase Agreement**”) between the Issuer, Rexford Industrial Realty, Inc., a Maryland corporation (the “**Parent**”; the Parent and the Issuer are collectively referred to herein as the “**Constituent Companies**”), and each of the purchasers named on Schedule B attached to said Note Purchase Agreement (the “**Initial Purchasers**”) for the purposes described in Section 5.14 of the Note Purchase Agreement. Capitalized terms used herein shall have the meanings set forth in the hereinafter defined Guaranty Agreement unless herein defined or the context shall otherwise require.

Whereas, as a condition precedent to their purchase of the Notes, the Initial Purchasers required that certain Subsidiaries of the Constituent Companies from time to time enter into that certain Subsidiary Guaranty Agreement dated as of July 16, 2019 as security for the Notes (as amended, supplemented, restated or otherwise modified from time to time, the “**Guaranty Agreement**”).

Pursuant to Section 9.8(a) of the Note Purchase Agreement, the Constituent Companies have agreed to cause the undersigned, \_\_\_\_\_, a [corporation] organized under the laws of \_\_\_\_\_ (the “**Additional Guarantor**”), to join in the Guaranty Agreement. In accordance with the requirements of the Guaranty Agreement, the Additional Guarantor desires to supplement the definition of Guarantor (as the same may have been heretofore supplemented) set forth in the Guaranty Agreement attached hereto so that at all times from and after the date hereof, the Additional Guarantor shall be jointly and severally liable as set forth in the Guaranty Agreement for the obligations of the Issuer under the Notes and the Constituent Companies under the Note Purchase Agreement and to the extent and in the manner set forth in the Guaranty Agreement.

The execution by the undersigned of this Guaranty Supplement shall evidence such Additional Guarantor’s consent to and acknowledgment and approval of the terms set forth herein and in the Guaranty Agreement and its agreement to be bound by the covenants, terms and provisions of the Guaranty Agreement as a Guarantor thereunder and by such execution the Additional

Guarantor shall be deemed to have made in favor of the Holders the representations and warranties set forth in Section 5 of the Guaranty Agreement.

Upon execution of this Guaranty Supplement, the Guaranty Agreement shall be deemed to be supplemented as set forth above. Except as supplemented herein, the terms and provisions of the Guaranty Agreement are hereby ratified, confirmed and approved in all respects.

Any and all notices, requests, certificates and other instruments (including the Notes) may refer to the Guaranty Agreement without making specific reference to this Guaranty Supplement, but nevertheless all such references shall be deemed to include this Guaranty Supplement unless the context shall otherwise require.
