(the "Operating Partnership") tendered by the Reporting Person for redemption and exchange into common stock of the Issuer in accordance with the terms of the Limited Partnership Agreement of the Operating Partnership.
- This transaction was executed in multiple trades at prices ranging from \$49.863 to \$50.270. The price reported above reflects the weighted average sale price. Full information regarding the number of shares sold at each price shall be provided upon request to the Staff of the U.S. Securities and Exchange Commission, the Issuer, or a security holder of the Issuer.

Initially, the LTIP Units do not have full parity with OP Units with respect to liquidating distributions. However, upon the occurrence of certain events described in the Operating Partnership's partnership agreement, the LTIP Units can over time achieve full parity with the OP Units for all purposes. If such parity is reached, vested LTIP Units may be converted into an equal number of OP Units on a one for one basis at any time at the request of the Reporting Person or the general partner of the Operating Partnership. The 7,097 LTIP Units referred to herein have vested and reached such parity.
- Reflects the conversion of 7,097 vested LTIP Units into 7,097 OP Units.

The Performance Units were initially granted on December 22, 2020, pursuant to the Incentive Plan, and vested on December 31, 2023, based on meeting certain performance-based hurdles. Initially, the Performance Units do not have full parity with OP Units with respect to liquidating distributions. However, upon the occurrence of certain events described in the Operating Partnership's partnership agreement, the Performance Units can over time achieve full parity with the OP Units for all purposes. If such parity is reached, vested Performance Units may be converted into an equal number of OP Units on a one for one basis at any time at the request of the Reporting Person or the general partner of the Operating Partnership.
