Rexford Industrial Releases Environmental, Social and Governance Impact Report

May 30, 2024

- *ESG*impact** (ESG*i*) represents a holistic approach quantifying the positive environmental, societal and governance impacts enabled by Rexford Industrial's differentiated, value-driven business model

LOS ANGELES, May 30, 2024 /PRNewswire/ -- Rexford Industrial Realty, Inc. (the "Company" or "Rexford Industrial") (NYSE: REXR), a real estate investment trust focused on creating value by investing in and operating industrial properties located throughout infill Southern California, today released its annual Environmental, Social and Governance Impact Report.

"Rexford's ESG*i* strategy creates positive impacts by revitalizing dysfunctional industrial buildings throughout infill Southern California and supporting our communities and exceptional Rexford team," stated Michael Frankel and Howard Schwimmer, Co-Chief Executive Officers of the Company. "Our purpose-driven business model, built upon a foundation of best-in-class corporate governance practices, maximizes resilience and the value we deliver to our team, community and stakeholders."

In 2023, Rexford Industrial generated significant value through the Company's ESG*i* approach, including:

- Environmental Value by preventing 40,456 tons of carbon emissions through a focus on recycling dysfunctional infill buildings, implementing green building strategies and collaborating with tenants to drive sustainable operations
- Societal Value by generating approximately \$1.4 billion of positive societal impact by transforming buildings, engaging communities and fostering the success and well-being of the Rexford team
- Governance Value by upholding robust governance policies and practices, providing a foundation of transparency and accountability that enables long-term value creation

Rexford Industrial's 2023 ESG*i* selected milestones and goals include:

- Announced SBTi-validated emissions reduction targets and committed to net zero greenhouse gas emissions by 2045
- Earned first LEED Gold redevelopment and first LEED Certified repositioning, with approximately 7 million square feet of projects targeting LEED Certified, or higher, over the next five years
- Committed 8.2 megawatts (MW) of additional rooftop solar, bringing total installed or committed solar to over 17 MW, with a target of 60 MW by 2028
- Earned Gold Green Lease Leader designation for the second consecutive year and awarded Platinum Green Lease Leader in April 2024
- Partnered with over 25 charities actively supported by the Rexford Industrial team's 3,034 hours volunteered within the community
- Launched RexSocials, employee-formed resource groups centered around shared interests, and RexConnex, an interactive peer-recognition platform, driving engagement and productivity within a hybrid and flexible work structure
- Completed an average of 20 training hours per employee through dedicated Department of Professional Excellence

In 2024 and beyond, Rexford Industrial will continue to catalyze opportunities to create near- and long-term value through the Company's holistic ESG*i* approach, driving stakeholder satisfaction and advancing Environmental, Societal and Governance Value.
