LOS ANGELES--(BUSINESS WIRE)-- Rexford Industrial Realty, Inc. (the "Company" or "Rexford Industrial") (NYSE:REXR), a real estate investment trust focused on owning and operating industrial properties located in Southern California infill markets, today announced that it has acquired a 199,370 square foot industrial and office property located in Simi Valley, California, for \$15.8 million, or \$79 per square foot. The acquisition was fully funded through the Company's existing line of credit.

"Our successful off-market acquisition of the Madera property represents another example of our deep local relationships and selective approach to growing our portfolio," said Howard Schwimmer and Michael Frankel, Co-Chief Executive Officers of the Company. The project consists of a 30' clear, ESFR single-tenant industrial building with 136,065 square feet and a two-story office building with 63,305 square feet, situated on 16.3 acres of land. The office building, which is situated on a separate parcel and is currently vacant, is being marketed for sale or lease.

The property is located at 2900-2950 Madera Road, in Simi Valley, California, immediately adjacent to the San Fernando Valley in Los Angeles.
