Rexford Industrial Realty, Inc. Announces Pricing of Public Offering of 9,000,000 Shares of Common Stock

May 24, 2021

LOS ANGELES, May 24, 2021 /PRNewswire/ -- Rexford Industrial Realty, Inc. (NYSE: REXR) ("Rexford" or the "Company"), a real estate investment trust focused on creating value by investing in and operating industrial properties in Southern California infill markets, today announced that it has priced an underwritten public offering of 9,000,000 shares of its common stock, by the forward purchasers (as defined below) or their affiliates in connection with the forward sale agreements described below, for expected gross proceeds of approximately \$500.4 million, before deducting estimated offering expenses. The shares may be offered by the underwriters from time to time to purchasers directly or through agents, or through brokers in brokerage transactions on the NYSE, or to dealers in negotiated transactions or in a combination of such methods of sale, at a fixed price or prices, which may be changed, or at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices.

J.P. Morgan and BofA Securities are acting as the joint lead book-running managers for the offering.

In connection with the offering of shares of common stock, the Company entered into forward sale agreements with each of J.P. Morgan and BofA Securities (or their affiliates) (which the Company refers to as the "forward purchasers"), with respect to 9,000,000 shares of the Company's common stock. In connection with the forward sale agreements, the forward purchasers (or their affiliates) are expected to borrow from third parties and sell to the underwriters an aggregate of 9,000,000 shares of the Company's common stock. However, the forward purchasers (or their affiliates) are not required to borrow such shares if, after using commercially reasonable efforts, they are unable to borrow such shares, or if borrowing costs exceed a specified threshold or if certain specified conditions have not been satisfied. If any forward purchaser or its affiliate does not deliver and sell all of the shares of the Company's common stock to be delivered and sold by it pursuant to the terms of the underwriting agreement, the Company will issue and sell directly to the underwriters the number of shares of its common stock not delivered and sold by such forward purchaser or its affiliate, and under such circumstances the number of shares of the Company's common stock underlying the relevant forward sale agreement will be decreased by the number of shares of its common stock that the Company issues and sells.

Pursuant to the terms of the forward sale agreements, and subject to its right to elect cash or net share settlement, the Company intends to issue and sell, upon physical settlement of the forward sale agreements, up to an aggregate of 9,000,000 shares of common stock to the forward purchasers in exchange for cash proceeds per share equal to the applicable forward sale price, which will initially be equal to the price the underwriters agreed to pay the forward purchasers (or their affiliates) for each share, and will be subject to certain adjustments as provided in the forward sale agreements.

The Company will not initially receive any proceeds from the sale of shares of its common stock by the forward purchasers (or their affiliates). The Company intends to contribute any cash proceeds that it receives upon settlement of the forward sale agreements to its operating partnership in exchange for common units, and its operating partnership intends to use such proceeds to fund future acquisitions, fund development or redevelopment activities and for general corporate purposes.

The shares of common stock will be offered under the Company's effective shelf registration statement filed with the Securities and Exchange Commission ("SEC"). A final prospectus supplement and accompanying prospectus relating to the offering will be filed with the SEC and will be available on the SEC's website. When available, a copy of the final prospectus supplement and accompanying prospectus relating to the offering may be obtained from J.P. Morgan Securities LLC, c/o Broadridge Financial Solutions, 1155 Long Island Avenue, Edgewood, New York 11717, Telephone: (866) 803-9204; BofA Securities, NC1-004-03-43, Attention: Prospectus Department, at 200 North College Street, 3rd floor, Charlotte, NC 28255-0001, or email: dg.prospectus_requests@bofa.com; or by visiting the EDGAR database on the SEC's website at www.sec.gov.

This press release does not constitute an offer to sell or the solicitation of an offer to buy nor will there be any sale of these securities in any state or other jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.
