Item 1.01 Entry into a Material Definitive Agreement.

Note Purchase Agreement

On July 16, 2015, Rexford Industrial Realty, Inc. (the “Company”), as guarantor, and its operating partnership, Rexford Industrial Realty, L.P (the “Operating Partnership”), as issuer, entered into a Note Purchase and Guarantee Agreement (the “Note Purchase Agreement”) with the purchasers named therein (the “Purchasers”). The Note Purchase Agreement provides for the private placement of \$100 million of senior guaranteed notes, maturing on August 6, 2025, with a fixed annual interest rate of 4.29% (the “Notes”). The Notes are expected to be issued on August 6, 2015, subject to certain conditions.

Interest on the Notes will be payable semiannually on February 6 and August 6 of each year, beginning on February 6, 2016. The Operating Partnership will be permitted to prepay at any time all, or from time to time any part of, the Notes, in amounts not less than \$2.5 million of the Notes then outstanding at (i) 100% of the principal amount so prepaid and (ii) the Make-Whole Amount (as defined in the Note Purchase Agreement). The Make-Whole Amount is equal to the excess, if any, of the discounted value of the remaining scheduled payments with respect to the Notes being prepaid over the amount of such Notes.

The Note Purchase Agreement contains a series of financial and other covenants the Company and the Operating Partnership must comply with, including:

- Maintaining a ratio of total indebtedness to total asset value of not more than 60%;
- Maintaining a ratio of total secured debt to total asset value of not more than 45%;
- Maintaining a ratio of total secured recourse debt to total asset value of not more than 15%;
- Maintaining a minimum tangible net worth of at least the sum of (i) \$283,622,250, and (ii) an amount equal to at least 75% of the net equity proceeds received by the Company after March 31, 2014;
- Maintaining a ratio of adjusted EBITDA to fixed charges of at least 1.50 to 1.0;
- Maintaining a ratio of total unsecured debt to total unencumbered asset value of not more than 60%; and
- Maintaining a ratio of unencumbered NOI to unsecured interest expense of at least 1.75 to 1.0.

Subject to the terms of the Note Purchase Agreement and the Notes, upon certain events of default, including, but not limited to, (i) a default in the payment of any principal, Make-Whole Amount, as discussed above, or interest under the Notes, (ii) a default in the payment of certain other indebtedness of the Operating Partnership, the Company or their subsidiaries, (iii) a default in compliance with the covenants set forth in Note Purchase Agreement, and (iv) bankruptcy and other insolvency defaults, the principal and accrued and unpaid interest and the Make-Whole Amount on the outstanding Notes will become due and payable at the option of the Purchasers.

The Company and certain of their subsidiaries fully and unconditionally guarantee the Operating Partnership’s obligations under the Notes.

The Operating Partnership intends to use the net proceeds from the issuance of the Notes for the repayment of existing secured indebtedness and for general corporate purposes. The Notes have not been and will not be registered under the Securities Act of 1933, as amended (the “Securities Act”), and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements. The Operating Partnership offered and sold the Notes in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act.

The foregoing summary of the Note Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the Note Purchase Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Amendment to Amended and Restated Credit Agreement

On July 15, 2015, the Company and the Operating Partnership entered into a First Amendment to Amended and Restated Credit Agreement (the “Amendment”) with the Lenders party thereto and Bank of America, N.A., as administrative agent, swing line lender and letter of credit issuer. The Amendment provides for, among other things, the following changes to the Amended and Restated

Credit Agreement (the "Credit Agreement"):

- A maximum secured recourse debt covenant was added, which replaced the maximum recourse debt covenant in the Credit Agreement;
- The cross default threshold for defaults in other material indebtedness was increased from \$20 million to \$80 million with respect to recourse debt and from \$50 million to \$150 million with respect to non-recourse debt; and
- The default threshold for judgments was increased from \$20 million to \$40 million.

The foregoing summary of the Amendment does not purport to be complete and is qualified in its entirety by reference to the Amendment, a copy of which is filed as Exhibit 10.2 to this Current Report on Form 8-K and is incorporated herein by reference.

Section 7.2. Officer's Certificate. Each set of financial statements delivered to a Purchaser or holder of a Note pursuant to Section 7.1(a) or Section 7.1(b) shall be accompanied by the following:

(a) *Covenant Compliance* – a certificate executed by a Senior Financial Officer of each Constituent Company setting forth the information from such financial statements that is required in order to establish whether the Constituent Companies were in compliance with the requirements of Section 10 during the quarterly or annual period

covered by the statements then being furnished, (including with respect to each such provision that involves mathematical calculations, the information from such financial statements that is required to perform such calculations) and detailed calculations of the maximum or minimum amount, ratio or percentage, as the case may be, permissible under the terms of such Section, and the calculation of the amount, ratio or percentage then in existence. In the event that the Parent Guarantor or any Subsidiary has made an election to measure any financial liability using fair value (which election is being disregarded for purposes of determining compliance with this Agreement pursuant to Section 23.2) as to the period covered by any such financial statement, such Senior Financial Officer's certificate as to such period shall include a reconciliation from GAAP with respect to such election;

(b) *Event of Default* – each certificate delivered pursuant to Section 7.2(a) shall include a certification that the Senior Financial Officer signatory thereto has reviewed the relevant terms hereof and has made, or caused to be made, under his or her supervision, a review of the transactions and conditions of the Parent Guarantor and its Subsidiaries from the beginning of the quarterly or annual period covered by the statements then being furnished to the date of the certificate and that such review shall not have disclosed the existence of any condition or event that constitutes a Default or an Event of Default or, if any such condition or event exists (including, without limitation, any such event or condition resulting from the failure of the Parent Guarantor or any Subsidiary to comply with any Environmental Law), specifying the nature and period of existence thereof and what action such Constituent Company shall have taken or proposes to take with respect thereto.

(d) *Subsidiary Guarantors* – each certificate delivered pursuant to Section 7.2(a) shall include a certification of any changes to the composition of the Subsidiary Guarantor group, if any, during the quarterly period or the last quarter in the annual period covered by the statements then being furnished; and

Section 7.3. Visitation. Each Constituent Company shall permit the representatives of each Purchaser and each holder of a Note that is an Institutional Investor:

(a) *No Event of Default* — if no Event of Default then exists, at the expense of such Purchaser or holder and upon reasonable prior notice to such Constituent Company, to visit the principal executive office of such Constituent Company, to discuss the affairs, finances and accounts of such Constituent Company and its Subsidiaries with such Constituent Company's officers, and (with the consent of such Constituent Company, which consent will not be unreasonably withheld) its independent public accountants, and (with the consent of such Constituent Company, which consent will not be unreasonably withheld) to visit the other offices and properties of such Constituent Company and each of its Subsidiaries, all at such reasonable times and as often as may be reasonably requested in writing; and

(b) *Default* — if an Event of Default then exists, at the expense of such Constituent Company to visit and inspect any of the offices or properties of such Constituent Company or any of its Subsidiaries, to examine all their respective books of account, records, reports and other papers, to make copies and extracts therefrom, and to discuss their respective affairs, finances and accounts with their respective officers and independent public accountants (and by this provision such Constituent Company authorizes said accountants to discuss the affairs, finances and accounts of such Constituent Company and its Subsidiaries), all at such times and as often as may be requested.

Section 7.4. Electronic Delivery. Financial statements, opinions of independent certified public accountants, other information and Officer's Certificates that are required to be delivered by a Constituent Company pursuant to Sections 7.1(a), (b), (c) or (g) and Section 7.2 shall be deemed to have been delivered if such Constituent Company satisfies any of the following requirements with respect thereto:

(a) such financial statements satisfying the requirements of Section 7.1(a) or (b) and related Officer's Certificate satisfying the requirements of Section 7.2 are delivered to each Purchaser and each holder of a Note by e-mail;

(b) the Parent Guarantor shall have timely filed such Form 10-Q or Form 10-K, satisfying the requirements of Section 7.1(a) or Section 7.1(b), as the case may be, with the SEC on EDGAR and shall have made such form and the related Officer's Certificate satisfying the requirements of Section 7.2 available on its home page on the internet, which is located at <http://rexfordindustrial.com> as of the Execution Date;

(c) such financial statements satisfying the requirements of Section 7.1(a) or Section 7.1(b) and related Officer's Certificates satisfying the requirements of Section 7.2 are timely posted by or on behalf of such Constituent Company on IntraLinks or on any other similar website to which each Purchaser and each holder of Notes has free access; or

(d) such Constituent Company shall have filed any of the items referred to in Section 7.1(c) or (g) with the SEC on EDGAR and shall have made such items available on its home page on the internet or on IntraLinks or on any other similar website to which each Purchaser and each holder of Notes has free access;

provided however, that in the case of any of clauses (b), (c) or (d), such Constituent Company shall have given each Purchaser and each holder of a Note prior written notice, which may be by e-mail or in accordance with Section 19, of such posting or filing in connection with each delivery, *provided further*, that upon request of any Purchaser or holder to receive paper copies of such forms, financial statements and Officer's Certificates or to receive them by e-mail, such Constituent Company will promptly e-mail them or deliver such paper copies, as the case may be, to such Purchaser or holder.

Section 8.1. Maturity. As provided therein, the entire unpaid principal balance of each Note shall be due and payable on the Maturity Date thereof.

Section 8.2. Optional Prepayments with Make-Whole Amount. The Issuer may, at its option, upon notice as provided below, prepay at any time all, or from time to time any part of, the Notes, in an amount not less than \$2,500,000 of the aggregate principal amount of the Notes then outstanding in the case of a partial prepayment, at 100% of the principal amount so prepaid, and the Make-Whole Amount determined for the prepayment date with respect to such principal amount. The Issuer will give each holder of Notes written notice of each optional prepayment under this Section 8.2 not less than 10 days (or such shorter period as may be agreed to by the Required Holders) and not more than 60 days prior to the date fixed for such prepayment. Each such notice shall specify such date (which shall be a Business Day), the aggregate principal amount of the Notes to be prepaid on such date, the principal amount of each Note held by such holder to be prepaid (determined in accordance with Section 8.3), and the interest to be paid on the prepayment date with respect to such principal amount being prepaid, and shall be accompanied by a certificate of a Senior Financial Officer of the Issuer as to the estimated Make-Whole Amount due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. Two Business Days prior to such prepayment, the Issuer shall deliver to each holder of Notes a certificate of a Senior Financial Officer specifying the calculation of such Make-Whole Amount as of the specified prepayment date.

Section 8.3. Allocation of Partial Prepayments. In the case of each partial prepayment of the Notes pursuant to Section 8.2, the principal amount of the Notes to be prepaid shall be allocated among all of the Notes at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof not theretofore called for prepayment.

Section 8.4. Maturity; Surrender, Etc. In the case of each optional prepayment of Notes pursuant to this Section 8, the principal amount of each Note to be prepaid shall mature and become due and payable on the date fixed for such prepayment, together with interest on such principal amount accrued to such date and the applicable Make-Whole Amount, if any. From and after such date, unless the Issuer shall fail to pay such principal amount when so due and payable, together with the interest and Make-Whole Amount, if any, as aforesaid, interest on such principal amount shall cease to accrue. Any Note paid or prepaid in full shall be surrendered to the Issuer and cancelled and shall not be reissued, and no Note shall be issued in lieu of any prepaid principal amount of any Note.

Section 8.5. Purchase of Notes. The Issuer will not, and will not permit any Controlled Affiliate to, purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Notes except (a) upon the payment or prepayment of the Notes in accordance with the terms of this Agreement and the Notes or (b) pursuant to an offer to purchase made by the Issuer or a Controlled Affiliate pro rata to the holders of all Notes at the time outstanding upon the same terms and conditions. Any such offer shall provide each holder with sufficient information to enable it to make an informed decision with respect to such offer, and shall

remain open for at least 20 Business Days. If the holders of more than 25% of the principal amount of the Notes then outstanding accept such offer, the Issuer shall promptly notify the remaining holders of such fact and the expiration date for the acceptance by holders of Notes of such offer shall be extended by the number of days necessary to give each such remaining holder at least 10 Business Days from its receipt of such notice to accept such offer. The Issuer will promptly cancel all Notes acquired by it or any Controlled Affiliate pursuant to any payment, prepayment or purchase of Notes pursuant to any provision of this Agreement and no Notes may be issued in substitution or exchange for any such Notes.

Section 8.6. Make-Whole Amount.

“Make-Whole Amount” means, with respect to any Note, an amount equal to the excess, if any, of the Discounted Value of the Remaining Scheduled Payments with respect to the Called Principal of such Note over the amount of such Called Principal, *provided* that the Make-Whole Amount may in no event be less than zero. For the purposes of determining the Make-Whole Amount, the following terms have the following meanings:

“Called Principal” means, with respect to any Note, the principal of such Note that is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

“Discounted Value” means, with respect to the Called Principal of any Note, the amount obtained by discounting all Remaining Scheduled Payments with respect to such Called Principal from their respective scheduled due dates to the Settlement Date with respect to such Called Principal, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on the Notes is payable) equal to the Reinvestment Yield with respect to such Called Principal.

“Reinvestment Yield” means, with respect to the Called Principal of any Note, 0.50% over the yield to maturity implied by the “Ask Yield(s)” reported as of 10:00 a.m. (New York City time) on the second Business Day preceding the Settlement Date with respect to such Called Principal, on the display designated as “Page PX1” (or such other display as may replace Page PX1) on Bloomberg Financial Markets for the most recently issued actively traded on-the-run U.S. Treasury securities (**“Reported”**) having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there are no such U.S. Treasury securities Reported having a maturity equal to such Remaining Average Life, then such implied yield to maturity will be determined by (a) converting U.S. Treasury bill quotations to bond equivalent yields in accordance with accepted financial practice and (b) interpolating linearly between the “Ask Yields” Reported for the applicable most recently issued actively traded on-the-run U.S. Treasury securities with the maturities (1) closest to and greater than such Remaining Average Life and (2) closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

If such yields are not Reported or the yields Reported as of such time are not ascertainable (including by way of interpolation), then **“Reinvestment Yield”** means, with

respect to the Called Principal of any Note, 0.50% over the yield to maturity implied by the U.S. Treasury constant maturity yields reported, for the latest day for which such yields have been so reported as of the second Business Day preceding the Settlement Date with respect to such Called Principal, in Federal Reserve Statistical Release H.15 (or any comparable successor publication) for the U.S. Treasury constant maturity having a term equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there is no such U.S. Treasury constant maturity having a term equal to such Remaining Average Life, such implied yield to maturity will be determined by interpolating linearly between (i) the U.S. Treasury constant maturity so reported with the term closest to and greater than such Remaining Average Life and (ii) the U.S. Treasury constant maturity so reported with the term closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

“Remaining Average Life” means, with respect to any Called Principal, the number of years obtained by dividing (a) such Called Principal into (b) the sum of the products obtained by multiplying (1) the principal component of each Remaining Scheduled Payment with respect to such Called Principal by (2) the number of years, computed on the basis of a 360-day year composed of twelve 30-day months and calculated to two decimal places, that will elapse between the Settlement Date with respect to such Called Principal and the scheduled due date of such Remaining Scheduled Payment.

“Remaining Scheduled Payments” means, with respect to the Called Principal of any Note, all payments of such Called Principal and interest thereon that would be due after the Settlement Date with respect to such Called Principal if no payment of such Called Principal were made prior to its scheduled due date, *provided* that if such Settlement Date is not a date on which interest payments are due to be made under the Notes, then the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued to such Settlement Date and required to be paid on such Settlement Date pursuant to Section 8.4 or Section 12.1.

“Settlement Date” means, with respect to the Called Principal of any Note, the date on which such Called Principal is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

Section 8.7. Offer to Prepay Notes in the Event of a Change in Control.

(a) *Notice of Change in Control or Control Event.* The Constituent Companies will, within five Business Days after any Responsible Officer of either thereof has knowledge of the occurrence of any Change in Control or, to the extent such information has been disclosed to the public generally, any Control Event, give written notice of such Change in Control or Control Event to each holder of Notes unless notice in respect of such Change in Control (or the Change in Control contemplated by such Control Event) shall have been given pursuant to Section 8.7(b). If a Change in Control has occurred, such notice shall contain and constitute an offer by the Issuer to prepay Notes as described in Section 8.7(c) and shall be accompanied by the certificate described in Section 8.7(g).

(b) *Condition to Company Action.* The Parent Guarantor will not take any action that consummates or finalizes a Change in Control unless (1) at least 30 days prior to such action the Issuer shall have given to each holder of Notes written notice containing and constituting an offer to prepay Notes as described in Section 8.7(c), accompanied by the certificate described in Section 8.7(g), and (2) contemporaneously with such action, the Issuer prepays all Notes required to be prepaid in accordance with this Section 8.7. Notwithstanding the foregoing, the Issuer shall not be required to give any notice pursuant to this Section 8.7(b) or to forbear taking any action that consummates or finalizes a Change in Control required by this Section 8.7(b) unless the information regarding such Change in Control to be contained in such notice shall have been disclosed to the public generally (and in such event the Issuer shall instead give the notice specified in Section 8.7(a) in respect of such Change in Control and the offer to prepay the Notes shall instead also be in accordance with Section 8.7(a)).

(c) *Offer to Prepay Notes.* The offer to prepay Notes contemplated by Sections 8.7(a) and (b) shall be an offer to prepay, in accordance with and subject to this Section 8.7, all, but not less than all, Notes held by each holder on a date specified in such offer (the “**Change in Control Proposed Prepayment Date**”). If such Change in Control Proposed Prepayment Date is in connection with an offer contemplated by Section 8.7(a), such date shall be a Business Day not less than 30 days and not more than 60 days after the date of such offer (or if the Change in Control Proposed Prepayment Date shall not be specified in such offer, the Change in Control Proposed Prepayment Date shall be the Business Day nearest to the 30th day after the date of such offer).

(d) *Acceptance; Rejection.* A holder of Notes may accept or reject the offer to prepay made pursuant to this Section 8.7 by causing a notice of such acceptance or rejection to be delivered to the Issuer at least five Business Days prior to the Change in Control Proposed Prepayment Date. A failure by a holder of Notes to so respond to an offer to prepay made pursuant to this Section 8.7 shall be deemed to constitute a rejection of such offer by such holder.

(e) *Prepayment.* Prepayment of the Notes to be prepaid pursuant to this Section 8.7 shall be at 100% of the principal amount of such Notes, together with accrued and unpaid interest on such Notes accrued to the date of prepayment but without any Make-Whole Amount. The prepayment shall be made on the Change in Control Proposed Prepayment Date, except as provided by Section 8.7(f).

(f) *Deferral Pending Change in Control.* The obligation of the Issuer to prepay Notes pursuant to the offers required by Section 8.7(c) and accepted in accordance with Section 8.7(d) is subject to the occurrence of the Change in Control in respect of which such offers and acceptances shall have been made. In the event that such Change in Control does not occur on the Change in Control Proposed Prepayment Date in respect thereof, the prepayment shall be deferred until, and shall be made on the date on which, such Change in Control occurs. The Constituent Companies shall keep each holder of Notes reasonably and timely informed of (1) any such deferral of the date of prepayment, (2) the date on which such Change in Control and the prepayment are expected to occur and (3) any determination by the Parent Guarantor that efforts to effect such Change in Control have ceased or been abandoned (in which case the offers

and acceptances made pursuant to this Section 8.7 in respect of such Change in Control automatically shall be deemed rescinded without penalty or other liability).

(g) *Officer's Certificate*. Each offer to prepay the Notes pursuant to this Section 8.7 shall be accompanied by a certificate, executed by a Senior Financial Officer of the Issuer and dated the date of such offer, specifying (1) the Change in Control Proposed Prepayment Date, (2) that such offer is made pursuant to this Section 8.7 and that failure by a holder to respond to such offer by the deadline established in Section 8.7(d) shall result in such offer to such holder being deemed rejected, (3) the principal amount of each Note offered to be prepaid, (4) the interest that would be due on each Note offered to be prepaid, accrued to the Change in Control Proposed Prepayment Date, (5) that the conditions of this Section 8.7 have been fulfilled and (6) in reasonable detail, the nature and date of the Change in Control.

(h) *"Change in Control"* means an event or series of events by which:

(1) any "person" or "group" (as such terms are used in Sections 13(d) and 14(d) of the Exchange Act, but excluding any employee benefit plan of such person or its subsidiaries, and any person or entity acting in its capacity as trustee, agent or other fiduciary or administrator of any such plan) becomes the "beneficial owner" (as defined in Rules 13d-3 and 13d-5 under the Exchange Act, except that a person or group shall be deemed to have "beneficial ownership" of all Securities that such person or group has the right to acquire, whether such right is exercisable immediately or only after the passage of time (such right, an "**option right**")), directly or indirectly, of 35% or more of the equity Securities of the Parent Guarantor entitled to vote for members of the board of directors or equivalent governing body of the Parent Guarantor on a fully-diluted basis (and taking into account all such Securities that such person or group has the right to acquire pursuant to any option right);

(2) during any period of 12 consecutive months, a majority of the members of the board of directors or other equivalent governing body of the Parent Guarantor cease to be composed of individuals (i) who were members of that board or equivalent governing body on the first day of such period, (ii) whose election or nomination to that board or equivalent governing body was approved by individuals referred to in clause (i) above constituting at the time of such election or nomination at least a majority of that board or equivalent governing body or (iii) whose election or nomination to that board or other equivalent governing body was approved by individuals referred to in clauses (i) and (ii) above constituting at the time of such election or nomination at least a majority of that board or equivalent governing body; or

(c) the passage of 30 days from the date upon which any Person or two or more Persons acting in concert shall have acquired by contract or otherwise, or shall have entered into a contract or arrangement (excluding any contract or arrangement which, by its terms, requires as a condition to the closing of such transaction that the Notes be refinanced or paid in full) that, upon consummation thereof, will result in its or their acquisition of, the power to exercise, directly or indirectly, a controlling influence over the management or policies of the Parent Guarantor, or control over the equity Securities

of the Parent Guarantor entitled to vote for members of the board of directors or equivalent governing body of the Parent Guarantor on a fully-diluted basis (and taking into account all such Securities that such Person or group has the right to acquire pursuant to any option right) representing 25% or more of the combined voting power of such Securities.

(i) “Control Event” means (1) the execution by the Parent Guarantor or any of its Affiliates of any agreement or letter of intent with respect to any proposed transaction or event or series of transactions or events which, individually or in the aggregate, may reasonably be expected to result in a Change in Control, (2) the execution of any written agreement which, when fully performed by the parties thereto, would result in a Change in Control or (3) the making of any written offer by any “person” or “group” (as such terms are used in Section 13(d) and Section 14(d) of the Exchange Act) to the holders of Equity Interests of the Parent Guarantor or of any of its Affiliates, which offer, if accepted by the requisite number of holders, would result in a Change in Control.

Section 8.8. Payments Due on Non-Business Days. Anything in this Agreement or the Notes to the contrary notwithstanding, (a) subject to clause (b), any payment of interest on any Note that is due on a date that is not a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day; and (b) any payment of principal of or Make-Whole Amount on any Note (including principal due on the Maturity Date of such Note) that is due on a date that is not a Business Day shall be made on the next succeeding Business Day and shall include the additional days elapsed in the computation of interest payable on such next succeeding Business Day.

SECTION 9. AFFIRMATIVE COVENANTS.

From the Execution Date until the Closing and thereafter so long as any of the Notes are outstanding, the Constituent Companies covenant that:

Section 9.1. Compliance with Laws. Without limiting Section 10.4, each Constituent Company will, and will cause each of its Subsidiaries to, comply with all laws, ordinances or governmental rules or regulations to which each of them is subject, including, without limitation, ERISA, Environmental Laws, the USA PATRIOT Act and the other laws and regulations that are referred to in Section 5.16, and will obtain and maintain in effect all licenses, certificates, permits, franchises and other governmental authorizations necessary to the ownership of their respective properties or to the conduct of their respective businesses, in each case to the extent necessary to ensure that non-compliance with such laws, ordinances or governmental rules or regulations or failures to obtain or maintain in effect such licenses, certificates, permits, franchises and other governmental authorizations could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 9.2. Insurance. Each Constituent Company will, and will cause each of its Subsidiaries to, maintain with financially sound and reputable insurance companies not Affiliates of either Constituent Company or any Subsidiary, insurance with respect to their properties and

businesses against loss or damage of the kinds customarily insured against by Persons of established reputation engaged in the same or similar business and similarly situated, of such types, on such terms and in such amounts (including deductibles, co-insurance and self-insurance, if adequate reserves are maintained with respect thereto) as are customarily carried under similar circumstances by such other Persons.

Section 9.3. Maintenance of Properties. Each Constituent Company will, and will cause each of its Subsidiaries to, subject to the terms of all existing leases which demise any part of the Unencumbered Properties, keep the Unencumbered Properties in good order, repair, operating condition, and appearance, causing all necessary repairs, renewals, replacements, additions, and improvements to be promptly made, and not allow any of the Unencumbered Properties to be misused, abused or wasted or to deteriorate (ordinary wear and tear excepted).

Section 9.4. Payment of Taxes and Claims. Section 12.1. Acceleration.

(a) If an Event of Default with respect to either Constituent Company described in Section 11(g) or (h) (other than an Event of Default described in clause (1) of Section 11(g) or described in clause (6) of Section 11(g) by virtue of the fact that such clause encompasses clause (1) of Section 11(g)) has occurred, all the Notes then outstanding shall automatically become immediately due and payable.

(b) If any other Event of Default has occurred and is continuing, the Required Holders may at any time at its or their option, by notice or notices to the Issuer, declare all the Notes then outstanding to be immediately due and payable.

(c) If any Event of Default described in Section 11(a) or (b) has occurred and is continuing, any holder or holders of Notes at the time outstanding affected by such Event of Default may at any time, at its or their option, by notice or notices to the Issuer, declare all the Notes held by it or them to be immediately due and payable.

Upon any Notes becoming due and payable under this Section 12.1, whether automatically or by declaration, such Notes will forthwith mature and the entire unpaid principal amount of such Notes, *plus* (1) all accrued and unpaid interest thereon (including, but not limited to, interest accrued thereon at the Default Rate) and (2) the Make-Whole Amount determined in respect of such principal amount (to the full extent permitted by applicable law), shall all be immediately due and payable, in each and every case without presentment, demand, protest or further notice, all of which are hereby waived. The Issuer acknowledges, and the parties hereto agree, that each holder of a Note has the right to maintain its investment in the Notes free from repayment by the Issuer (except as herein specifically provided for) and that the provision for payment of a Make-Whole Amount by the Issuer in the event that the Notes are prepaid or are accelerated as a result of an Event of Default, is intended to provide compensation for the deprivation of such right under such circumstances.

Section 12.2. Other Remedies. If any Event of Default has occurred and is continuing, and irrespective of whether any Notes have become or have been declared immediately due and payable under Section 12.1, the holder of any Note at the time outstanding may proceed to protect and enforce the rights of such holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Note or in the Subsidiary Guaranty Agreement, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

Section 12.3. Rescission. At any time after any Notes have been declared due and payable pursuant to Section 12.1(b) or (c), the Required Holders, by written notice to the Issuer, may rescind and annul any such declaration and its consequences if (a) the Issuer has paid all overdue interest on the Notes, all principal of and Make-Whole Amount, if any, on any Notes that are due and payable and are unpaid other than by reason of such declaration, and all interest on such overdue principal and Make-Whole Amount, if any, and (to the extent permitted by applicable law) any overdue interest in respect of the Notes, at the Default Rate, (b) neither the Issuer nor any other Person shall have paid any amounts which have become due solely by reason of such declaration, (c) all Events of Default and Defaults, other than non-payment of

amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to Section 18, and (d) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to the Notes. No rescission and annulment under this Section 12.3 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

Section 12.4. No Waivers or Election of Remedies, Expenses, Etc. No course of dealing and no delay on the part of any holder of any Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement, the Subsidiary Guaranty Agreement or any Note upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Constituent Companies under Section 16, the Issuer will pay to the holder of each Note on demand such further amount as shall be sufficient to cover all documented costs and expenses of such holder incurred in any enforcement or collection under this Section 12, including, without limitation, reasonable attorneys' fees, expenses and disbursements.

SECTION 13. GUARANTY.

Section 13.1. The Guaranty. The Parent Guarantor hereby absolutely, unconditionally and irrevocably guarantees, as primary obligor and not merely as surety, to each holder of a Note (a) the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, Make-Whole Amount, if any, and interest (including any interest accruing after the commencement of any proceeding in bankruptcy and any additional interest that would accrue but for the commencement of such proceeding) on the Notes and all other obligations of the Issuer under this Agreement and (b) the full and prompt performance and observance by the Issuer of each and all of the obligations, covenants and agreements required to be performed or observed by the Issuer under the terms of this Agreement and the Notes (all the foregoing being hereinafter collectively called the "**Obligations**"). The Parent Guarantor further agrees (to the extent permitted by applicable law) that the Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it shall remain bound under this Section 13 notwithstanding any extension or renewal of any Obligation; *provided* that nothing in this Section 13.1 shall limit any rights to the Parent Guarantor with respect to amendments to this Agreement.

Section 13.2. Waiver of Defenses. The Parent Guarantor waives presentation to, demand of payment from and protest to the Issuer of any of the Obligations and also waives notice of protest for nonpayment. The Parent Guarantor waives notice of any default under this Agreement, the Notes or the other Obligations. The obligation of the Parent Guarantor hereunder shall not be affected by (a) the failure of any holder of a Note to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person (including any Subsidiary Guarantor) under this Agreement, the Notes, the Subsidiary Guaranty Agreement or any other agreement or otherwise; (b) any extension or renewal of any thereof; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Agreement, the Notes, the Subsidiary Guaranty Agreement or any other agreement; (d) the acceptance of any

security or Guarantee (including, without limitation, the Subsidiary Guaranty Agreement) by any holder of a Note for the Obligations or any of them; (e) the release of any security or Guarantee (including, without limitation, the Subsidiary Guaranty Agreement) held by any holder of a Note for the Obligations or any of them; (f) the release of the Issuer, any Subsidiary Guarantor or any other Person from its liability with respect to the Obligations; (g) any act or failure to act with regard to the Obligations; (h) the voluntary or involuntary liquidation, dissolution, sale or other disposition of all or substantially all the assets, marshalling of assets and liabilities, receivership, insolvency, bankruptcy, assignment for the benefit of creditors, reorganization or arrangement under bankruptcy or similar laws, composition with creditors or readjustment of, or other similar procedure affecting the Issuer, any Subsidiary Guarantor or any other Person or any of the assets of any of them, or any allegation or contest of the validity of this Agreement, the Notes, the Subsidiary Guaranty Agreement or any other agreement or the disaffirmance of this Agreement or the Notes or the Subsidiary Guaranty Agreement or any other agreement in any such proceeding; (i) the invalidity or unenforceability of this Agreement, the Notes, the Subsidiary Guaranty Agreement or any other agreement; (j) the impossibility or illegality of performance on the part of the Issuer, any Subsidiary Guarantor or any other Person of its obligations under the Notes, this Agreement, the Subsidiary Guaranty Agreement or any other instrument or agreement; (k) in respect of the Issuer, any Subsidiary Guarantor or any other Person, any change of circumstances, whether or not foreseen or foreseeable, whether or not imputable to the Issuer, any Subsidiary Guarantor or any other Person, or other impossibility of performance through fire, explosion, accident, labor disturbance, floods, droughts, embargoes, wars (whether or not declared), acts of terrorists, civil commotions, acts of God or the public enemy, delays or failures of suppliers or carriers, inability to obtain materials, action of any Governmental Authority, change of law or any other causes affecting performance, or other force majeure, whether or not beyond the control of the Issuer, any Subsidiary Guarantor or any other Person and whether or not of the kind above specified; or (l) any change in the ownership of the Issuer.

It being understood that the specific enumeration of the above-mentioned acts, failures or omissions shall not be deemed to exclude any other acts, failures or omissions, though not specifically mentioned above, it being the purpose and intent of this Section 13.2 that the obligations of the Parent Guarantor shall be absolute, unconditional and irrevocable to the extent herein specified and shall not be discharged, impaired or varied except by the payment of the Obligations and then only to the extent of such payment. It is also understood that the Parent Guarantor is not waiving any right that it has to consent to amendment to this Agreement.

Section 13.3. Guaranty of Payment. The Parent Guarantor further agrees that the Guarantee herein constitutes a guaranty of payment when due (and not a guaranty of collection) and waives any right to require that any resort be had by any holder of a Note to any other Person or to any security held for payment of the Obligations.

Section 13.4. Guaranty Unconditional. The obligations of the Parent Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Obligations or otherwise. Without limiting the generality of the

foregoing, the obligations of the Parent Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any holder of a Note to assert any claim or demand or to enforce any remedy under this Agreement, the Notes, the Subsidiary Guaranty Agreement or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the Obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of the Parent Guarantor or would otherwise operate as a discharge of the Parent Guarantor as a matter of law or equity.

Section 13.5. Reinstatement. The Parent Guarantor further agrees that the Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Obligations is rescinded or must otherwise be restored by any holder of a Note upon the bankruptcy or reorganization of the Issuer or otherwise.

Section 13.6. Payment on Demand. In furtherance of the foregoing and not in limitation of any other right which any holder of a Note has at law or in equity against the Parent Guarantor by virtue hereof, upon the failure of the Issuer to pay any of the Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, the Parent Guarantor hereby promises to and shall, upon receipt of written demand by any holder of a Note, forthwith pay, or cause to be paid, in cash, to the holders an amount equal to the sum of (a) the unpaid amount of such Obligations then due and owing and (b) accrued and unpaid interest on such Obligations then due and owing (but only to the extent not prohibited by applicable law).

The Parent Guarantor acknowledges and agrees that repeated and successive demands may be made and recoveries may be had hereunder as and when, from time to time, the Issuer shall default under the terms of a Note or this Agreement and that notwithstanding recovery hereunder for or in respect of any given Default or Event of Default, the Guarantee contained in this Section 13 shall remain in full force and effect and shall apply to each and every subsequent Default or Event of Default.

Section 13.7. Stay of Acceleration. The Parent Guarantor further agrees that, as between itself, on the one hand, and the holders of the Notes, on the other hand, (a) the maturity of the Obligations guaranteed hereby may be accelerated as provided in this Agreement for the purposes of the Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby and (b) in the event of any such declaration of acceleration of such Obligations, such Obligations (whether or not due and payable) shall forthwith become due and payable by the Parent Guarantor for the purposes of this Guarantee.

Section 13.8. No Subrogation. Notwithstanding any payment or payments made by the Parent Guarantor hereunder, the Parent Guarantor shall not be entitled to be subrogated to any of the rights of any holder of a Note against the Issuer or any collateral security or Guarantee or right of offset held by any holder for the payment of the Obligations, nor shall the Parent Guarantor seek or be entitled to seek any contribution or reimbursement from the Issuer or any Subsidiary Guarantor in respect of payments made by the Parent Guarantor hereunder, until all

amounts owing to the holders of the Notes by the Issuer on account of the Obligations (other than Unmatured Surviving Obligations) are paid in full. If any amount shall be paid to the Parent Guarantor on account of such subrogation rights at any time when all of the Obligations (other than Unmatured Surviving Obligations) shall not have been paid in full, such amount shall be held by the Parent Guarantor in trust for the holders of the Notes, segregated from other funds of the Parent Guarantor, and shall, forthwith upon receipt by the Parent Guarantor, be turned over to the holders of the Notes in the exact form received by the Parent Guarantor (duly indorsed by the Parent Guarantor to the holders of the Notes, if required), to be applied against the Obligations.

Section 13.9. Marshalling. No holder of a Note shall be under any obligation: (a) to marshal any assets in favor of the Parent Guarantor or in payment of any or all of the liabilities of the Issuer under or in respect of the Notes and this Agreement or the obligations of the Parent Guarantor hereunder or (b) to pursue any other remedy that the Parent Guarantor may or may not be able to pursue itself and that may lighten the Parent Guarantor's burden, any right to which the Parent Guarantor hereby expressly waives.

Section 13.10. Transfer of Notes. So long as any such transfer is made in accordance with this Agreement, all rights of any holder of a Note under this Section 13 shall be considered to be transferred or assigned at any time or from time to time upon the transfer of any Note held by such holder whether with or without the consent of or notice to the Parent Guarantor under this Section 13.

Section 13.11. Consideration. The Parent Guarantor has received, or shall receive, direct or indirect benefits from the making of this Guarantee.

SECTION 14. REGISTRATION; EXCHANGE; SUBSTITUTION OF NOTES.

Section 14.1. Registration of Notes. The Issuer shall keep at its principal executive office a register for the registration and registration of transfers of Notes. The name and address of each holder of one or more Notes, each transfer thereof and the name and address of each transferee of one or more Notes shall be registered in such register. If any holder of one or more Notes is a nominee, then (a) the name and address of the beneficial owner of such Note or Notes shall also be registered in such register as an owner and holder thereof and (b) at any such beneficial owner's option, either such beneficial owner or its nominee may execute any amendment, waiver or consent pursuant to this Agreement. Prior to due presentment for registration of transfer, the Person(s) in whose name any Note(s) shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and the Issuer shall not be affected by any notice or knowledge to the contrary. The Issuer shall give to any holder of a Note that is an Institutional Investor promptly upon request therefor, a complete and correct copy of the names and addresses of all registered holders of Notes.

Section 14.2. Transfer and Exchange of Notes. Upon surrender of any Note to the Issuer at the address and to the attention of the designated officer (all as specified in Section 19(3)), for registration of transfer or exchange (and in the case of a surrender for registration of transfer accompanied by a written instrument of transfer duly executed by the registered holder of such Note or such holder's attorney duly authorized in writing and accompanied by the

relevant name, address and other information for notices of each transferee of such Note or part thereof), within 10 Business Days thereafter, the Issuer shall execute and deliver, at the Issuer's expense (except as provided below), one or more new Notes (as requested by the holder thereof) in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note. Each such new Note shall be payable to such Person as such holder may request and shall be substantially in the form of Schedule 1. Each such new Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Note or dated the date of the surrendered Note if no interest shall have been paid thereon. The Issuer may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Notes. Notes shall not be transferred in denominations of less than \$100,000, provided that if necessary to enable the registration of transfer by a holder of its entire holding of Notes, one Note may be in a denomination of less than \$100,000. Any transferee, by its acceptance of a Note registered in its name (or the name of its nominee), shall be deemed to have made the representations set forth in Section 6.3.

Section 14.3. Replacement of Notes. Upon receipt by the Issuer at the address and to the attention of the designated officer (all as specified in Section 19(3)) of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (*provided* that if the holder of such Note is, or is a nominee for, an Initial Purchaser or another holder of a Note with a minimum net worth of at least \$50,000,000 or a Qualified Institutional Buyer, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof,

within 10 Business Days thereafter, the Issuer at its own expense shall execute and deliver, in lieu thereof, a new Note, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated Note or dated the date of such lost, stolen, destroyed or mutilated Note if no interest shall have been paid thereon.

SECTION 15. PAYMENTS ON NOTES.

Section 15.1. Place of Payment. Subject to Section 15.2, payments of principal, Make-Whole Amount, if any, and interest becoming due and payable on the Notes shall be made in New York, New York at the principal office of JPMorgan Chase Bank, N.A. in such jurisdiction. The Issuer may at any time, by notice to each holder of a Note, change the place of payment of the Notes so long as such place of payment shall be either the principal office of the Issuer in such jurisdiction or the principal office of a bank or trust company in such jurisdiction.

Section 15.2. Home Office Payment. So long as any Purchaser or its nominee shall be the holder of any Note, and notwithstanding anything contained in Section 15.1 or in such Note to the contrary, the Issuer will pay all sums becoming due on such Note for principal, Make-

Whole Amount, if any, interest and all other amounts becoming due hereunder by the method and at the address specified for such purpose below such Purchaser's name in Schedule B, or by such other method or at such other address as such Purchaser shall have from time to time specified to the Issuer in writing for such purpose, without the presentation or surrender of such Note or the making of any notation thereon, except that upon written request of the Issuer made concurrently with or reasonably promptly after payment or prepayment in full of any Note, such Purchaser shall surrender such Note for cancellation, reasonably promptly after any such request, to the Issuer at its principal executive office or at the place of payment most recently designated by the Issuer pursuant to Section 15.1. Prior to any sale or other disposition of any Note held by a Purchaser or its nominee, such Purchaser will, at its election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Note to the Issuer in exchange for a new Note or Notes pursuant to Section 14.2. The Issuer will afford the benefits of this Section 15.2 to any Institutional Investor that is the direct or indirect transferee of any Note purchased by a Purchaser under this Agreement and that has made the same agreement relating to such Note as the Purchasers have made in this Section 15.2.

SECTION 16. EXPENSES, ETC.

Section 16.1. Transaction Expenses. Whether or not the transactions contemplated hereby are consummated, the Constituent Companies will pay all documented costs and expenses (including reasonable attorneys' fees of a special counsel and, if reasonably required by the Required Holders, local or other counsel) incurred by the Purchasers and each other holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement, the Subsidiary Guaranty Agreement or the Notes (whether or not such amendment, waiver or consent becomes effective), including, without limitation: (a) the documented costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement, the Subsidiary Guaranty Agreement or the Notes or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement, the Subsidiary Guaranty Agreement or the Notes, or by reason of being a holder of any Note, (b) the documented costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of either Constituent Company or any Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby and by the Notes and the Subsidiary Guaranty Agreement and (c) the reasonable and documented costs and expenses incurred in connection with the initial filing of this Agreement and all related documents and financial information with the SVO *provided*, that such costs and expenses under this clause (c) shall not exceed \$5,000; *provided further*, that in connection with the execution of this Agreement and the Closing, the Constituent Companies will not be required to pay the attorney's fees for more than a single special counsel acting for all Initial Purchasers. The Constituent Companies will pay, and will save each Purchaser and each other holder of a Note harmless from, (1) all claims in respect of any fees, costs or expenses, if any, of brokers and finders (other than those, if any, retained by a Purchaser or other holder in connection with its purchase of the Notes) and (2) any and all wire transfer fees that any bank deducts from any payment under such Note to such holder or otherwise charges to a holder of a Note with respect to a payment under such Note.

Section 16.2. Survival. The obligations of each Constituent Company under this Section 16 will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of this Agreement, the Subsidiary Guaranty Agreement or the Notes, and the termination of this Agreement.

SECTION 17. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein shall survive the execution and delivery of this Agreement and the Notes, the purchase or transfer by any Purchaser of any Note or portion thereof or interest therein and the payment of any Note, and may be relied upon by any subsequent holder of a Note, regardless of any investigation made at any time by or on behalf of such Purchaser or any other holder of a Note. All statements contained in any certificate or other instrument delivered by or on behalf of either a Constituent Company pursuant to this Agreement shall be deemed representations and warranties of the Constituent Companies under this Agreement. Subject to the preceding sentence, this Agreement, the Notes and the Subsidiary Guaranty Agreement embody the entire agreement and understanding between each Purchaser and the Constituent Companies and supersede all prior agreements and understandings relating to the subject matter hereof.

SECTION 18. AMENDMENT AND WAIVER.

Section 18.1. Requirements. This Agreement and the Notes may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), only with the written consent of each of the Constituent Companies (or only the Issuer in the case of the Notes), and the Required Holders, except that:

(a) no amendment or waiver of any of Sections 1, 2, 3, 4, 5, 6 or 22, or any defined term (as it is used therein), will be effective as to any Purchaser unless consented to by such Purchaser in writing; and

(b) no amendment or waiver may, without the written consent of each Purchaser and the holder of each Note at the time outstanding, (1) subject to Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or reduce the rate or change the time of payment or method of computation of (i) interest on the Notes or (ii) the Make-Whole Amount, (2) change the percentage of the principal amount of the Notes the holders of which are required to consent to any amendment or waiver or the principal amount of the Notes that the Purchasers are to purchase pursuant to Section 2 upon the satisfaction of the conditions to Closing in Section 4, or (3) amend any of Sections 8, 11(a), 11(b), 12, 13, 18 or 21.

Section 18.2. Solicitation of Holders of Notes.

(a) *Solicitation.* A Constituent Company will provide each Purchaser and each holder of a Note with sufficient information, sufficiently far in advance of the date a decision is required, to enable such Purchaser or holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Notes or of the Subsidiary Guaranty Agreement. A Constituent Company will deliver

executed or true and correct copies of each amendment, waiver or consent effected pursuant to this Section 18 or the Subsidiary Guaranty Agreement to each Purchaser and each holder of a Note promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite Purchasers or holders of Notes.

(b) *Payment.* Neither Constituent Company will directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any Purchaser or holder of a Note as consideration for or as an inducement to the entering into by such Purchaser or holder of any waiver or amendment of any of the terms and provisions hereof or of the Subsidiary Guaranty Agreement or any Note unless such remuneration is concurrently paid, or security is concurrently granted or other credit support concurrently provided, on the same terms, ratably to each Purchaser and each holder of a Note even if such Purchaser or holder did not consent to such waiver or amendment.

(c) *Consent in Contemplation of Transfer.* Any consent given pursuant to this Section 18 or the Subsidiary Guaranty Agreement by a holder of a Note that has transferred or has agreed to transfer its Note to a Constituent Company or any Affiliate in connection with such consent shall be void and of no force or effect except solely as to such holder, and any amendments effected or waivers granted or to be effected or granted that would not have been or would not be so effected or granted but for such consent (and the consents of all other holders of Notes that were acquired under the same or similar conditions) shall be void and of no force or effect except solely as to such holder.

Section 18.3. Binding Effect, Etc. Any amendment or waiver consented to as provided in this Section 18 or the Subsidiary Guaranty Agreement applies equally to all Purchasers and holders of Notes and is binding upon them and upon each future holder of any Note and upon each Constituent Company without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between either Constituent Company and any Purchaser or holder of a Note and no delay in exercising any rights hereunder or under any Note or the Subsidiary Guaranty Agreement shall operate as a waiver of any rights of any Purchaser or holder of such Note.

Section 18.4. Notes Held by a Constituent Company, Etc. Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Notes then outstanding approved or consented to any amendment, waiver or consent to be given under this Agreement, the Subsidiary Guaranty Agreement or the Notes, or have directed the taking of any action provided herein or in the Subsidiary Guaranty Agreement or the Notes to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by either Constituent Company or any Affiliate shall be deemed not to be outstanding.

SECTION 19.**NOTICES.**

Except to the extent otherwise provided in Section 7.4, all notices and communications provided for hereunder shall be in writing and sent (a) by telecopy if the sender on the same day sends a confirming copy of such notice by an internationally recognized overnight delivery service (charges prepaid), (b) by registered or certified mail with return receipt requested (postage prepaid), or (c) by an internationally recognized overnight delivery service (with charges prepaid). Any such notice must be sent:

- (1) if to any Purchaser or its nominee, to such Purchaser or nominee at the address specified for such communications in Schedule B, or at such other address as such Purchaser or nominee shall have specified to the Constituent Companies in writing,
- (2) if to any other holder of any Note, to such holder at such address as such other holder shall have specified to the Constituent Companies in writing, or
- (3) if to either Constituent Company, to such Constituent Company at its address set forth at the beginning hereof to the attention of Chief Financial Officer and Secretary, or at such other address as such Constituent Company shall have specified to the holder of each Note in writing.

Notices under this Section 19 will be deemed given only when actually received.

SECTION 20.**REPRODUCTION OF DOCUMENTS.**

This Agreement and all documents relating hereto, including, without limitation, (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by any Purchaser at the Closing (except the Notes themselves), and (c) financial statements, certificates and other information previously or hereafter furnished to any Purchaser, may be reproduced by such Purchaser by any photographic, photostatic, electronic, digital, or other similar process and such Purchaser may destroy any original document so reproduced. Each Constituent Company agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such Purchaser in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 20 shall not prohibit either Constituent Company or any other holder of Notes from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

SECTION 21.**CONFIDENTIAL INFORMATION.**

For the purposes of this Section 21, "**Confidential Information**" means information delivered to any Purchaser by or on behalf of either Constituent Company or any Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement, *provided* that such term does not include information that (a) was publicly known or otherwise

known to such Purchaser prior to the time of such disclosure, (b) subsequently becomes publicly known through no act or omission by such Purchaser or any Person acting on such Purchaser's behalf, (c) otherwise becomes known to such Purchaser other than through disclosure by either Constituent Company or any Subsidiary or (d) constitutes financial statements delivered to such Purchaser under Section 7.1 that are otherwise publicly available. Each Purchaser will maintain the confidentiality of such Confidential Information in accordance with procedures adopted by such Purchaser in good faith to protect confidential information of third parties delivered to such Purchaser, *provided* that such Purchaser may deliver or disclose Confidential Information to (1) its directors, officers, employees, agents, attorneys, trustees and affiliates (to the extent such disclosure reasonably relates to the administration of the investment represented by its Note and subject to such Purchaser's confidentiality procedures), (2) its auditors, financial advisors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with this Section 21, (3) any other holder of any Note, (4) any Institutional Investor to which it sells or offers to sell such Note or any part thereof or any participation therein (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by this Section 21), (5) any Person from which it offers to purchase any Security of either Constituent Company (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by this Section 21), (6) any federal or state regulatory authority having jurisdiction over such Purchaser in each case as requested or required by such authority, (7) the NAIC or the SVO or, in each case, any similar organization, or any nationally recognized rating agency that requires access to information about such Purchaser's investment portfolio, or (8) any other Person to which such delivery or disclosure may be necessary or appropriate (i) to effect compliance with any law, rule, regulation or order applicable to such Purchaser, (ii) in response to any subpoena or other legal process, (iii) in connection with any litigation to which such Purchaser is a party (and, subject to clause (iv) below, if not prohibited by applicable law, such Purchaser shall use commercially reasonable efforts to give notice thereof to the Constituent Companies prior to such disclosure) or (iv) if an Event of Default has occurred and is continuing, to the extent such Purchaser may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under such Purchaser's Notes, this Agreement or the Subsidiary Guaranty. Each holder of a Note, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 21 as though it were a party to this Agreement. On reasonable request by either Constituent Company in connection with the delivery to any holder of a Note of information required to be delivered to such holder under this Agreement or requested by such holder (other than a holder that is a party to this Agreement or its nominee), such holder will enter into an agreement with the Constituent Companies embodying this Section 21.

In the event that as a condition to receiving access to information relating to either Constituent Company or any Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement, any Purchaser or holder of a Note is required to agree to a confidentiality undertaking (whether through IntraLinks, another secure website, a secure virtual workspace or otherwise) which is different from this Section 21, this Section 21 shall not be amended thereby and, as between such Purchaser or such holder and the Constituent Companies, this Section 21 shall supersede any such other confidentiality undertaking.

Each Initial Purchaser shall have the right to substitute any one of its Affiliates or another Initial Purchaser or any one of such other Initial Purchaser's Affiliates (a "**Substitute Purchaser**") as the purchaser of the Notes that it has agreed to purchase hereunder, by written notice to the Constituent Companies, which notice shall be signed by both such Initial Purchaser and such Substitute Purchaser, shall contain such Substitute Purchaser's agreement to be bound by this Agreement and shall contain a confirmation by such Substitute Purchaser of the accuracy with respect to it of the representations set forth in Section 6. Upon receipt of such notice, any reference to such Initial Purchaser in this Agreement (other than in this Section 22), shall be deemed to refer to such Substitute Purchaser in lieu of such Initial Purchaser. In the event that such Substitute Purchaser is so substituted as an Initial Purchaser hereunder and such Substitute Purchaser thereafter transfers to such Initial Purchaser all of the Notes then held by such Substitute Purchaser, upon receipt by the Constituent Companies of notice of such transfer, any reference to such Substitute Purchaser as an "Initial Purchaser" in this Agreement (other than in this Section 22), shall no longer be deemed to refer to such Substitute Purchaser, but shall refer to such Initial Purchaser, and such Initial Purchaser shall again have all the rights of an original holder of the Notes under this Agreement.

Section 23.1. Successors and Assigns. All covenants and other agreements contained in this Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and permitted assigns (including, without limitation, any subsequent holder of a Note) whether so expressed or not.

Section 23.3. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law) not invalidate or render unenforceable such provision in any other jurisdiction.

Section 23.4. Construction, Etc. Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

Defined terms herein shall apply equally to the singular and plural forms of the terms defined. The words “include,” “includes” and “including” shall be deemed to be followed by the phrase “without limitation.” The word “will” shall be construed to have the same meaning and effect as the word “shall.” Unless the context requires otherwise, (a) any definition of or reference to any agreement, instrument or other document (including any Organizational Document) shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein) and, for purposes of the Notes, shall also include any such notes issued in substitution therefor pursuant to Section 14, (b) subject to Section 23.1, any reference herein to any Person shall be construed to include such Person’s successors and permitted assigns, (c) the words “hereto,” “herein,” “hereof” and “hereunder,” and words of similar import when used herein, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (d) all references herein to Sections, Exhibits and Schedules shall be construed to refer to Sections of, and Exhibits and Schedules to, this Agreement, (e) any reference to any law shall include all statutory and regulatory provisions consolidating, amending, replacing or interpreting such law and any reference to any law or regulation shall, unless otherwise specified, refer to such law or regulation as amended, modified or supplemented from time to time, and (f) the words “asset” and “property” shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts and contract rights.

Section 23.5. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.

Section 23.6. Governing Law. This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York excluding choice-of-law principles of the law of such State that would permit the application of the laws of a jurisdiction other than such State.

Section 23.7. Jurisdiction and Process; Waiver of Jury Trial.

(a) Each Constituent Company and each Purchaser irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, The City of New York, over any suit, action or proceeding arising out of or relating to this Agreement or the Notes. To the fullest extent permitted by applicable law, each

Constituent Company and each Purchaser irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(b) Each Constituent Company and each Purchaser consents to process being served by or on behalf of any party hereto in any suit, action or proceeding of the nature referred to in Section 23.7(a) by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, return receipt requested, to it at its address specified in Section 19 or at such other address of which such party shall then have been notified pursuant to said Section. Each Constituent Company and each Purchaser agrees that such service upon receipt (1) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (2) shall, to the fullest extent permitted by applicable law, be taken and held to be valid personal service upon and personal delivery to it. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the United States Postal Service or any reputable commercial delivery service.

(c) Nothing in this Section 23.7 shall affect the right of any party hereto to serve process in any manner permitted by law, or limit any right that such party may have to bring proceedings against any other party hereto in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

(d) THE PARTIES HERETO HEREBY WAIVE TRIAL BY JURY IN ANY ACTION BROUGHT ON OR WITH RESPECT TO THIS AGREEMENT, THE NOTES, THE SUBSIDIARY GUARANTY AGREEMENT OR ANY OTHER DOCUMENT EXECUTED IN CONNECTION HEREWITH OR THEREWITH.

California Revised Uniform Limited Liability Company Act (the “CLLCA”), and we express no opinion with respect to the applicability to the opinions expressed herein, or the effect thereon, of the laws of any other jurisdiction or, in the case of Delaware and California, any other laws, or as to any matters of municipal law or the laws of any local agencies within any state.

Except as otherwise stated herein, our opinions herein are based upon our consideration of only those statutes, rules and regulations which, in our experience, are normally applicable to issuers and guarantors in unsecured private note placement transactions. We express no opinion as to any state or federal laws or regulations applicable to the subject transactions because of the legal or regulatory status of any parties to the Note Documents or the legal or regulatory status of any of their affiliates. Various issues pertaining to Maryland law are addressed in the opinion of Venable LLP, separately provided to you. We express no opinion with respect to those matters herein, and to the extent elements of those opinions are necessary to the conclusions expressed herein, we have, with your consent, assumed such matters.

Subject to the foregoing and the other matters set forth herein, as of the date hereof:

1. Each California Subsidiary Guarantor is a limited liability company under the CLLCA with limited liability company power and authority to enter into the Guaranty and perform its obligations thereunder. Each Delaware Subsidiary Guarantor is a limited liability company under the DLLCA with limited liability company power and authority to enter into the Guaranty and perform its obligations thereunder. With your consent, based solely on certificates from public officials, we confirm that (a) each of the California Subsidiary Guarantors is validly existing and in good standing under the laws of the state of California, (b) each of the Delaware Subsidiary Guarantors is validly existing and in good standing under the laws of the state of Delaware, (c) each of the Note Parties is qualified to do business in the states identified in Schedule D hereto.

2. The execution, delivery and performance of the Guaranty by each Subsidiary Guarantor have been duly authorized by all necessary limited liability company action of each Subsidiary Guarantor, and the Note Documents have been duly executed and delivered by each Note Party that is a party thereto.

3. Each of the Note Purchase Agreement and the Guaranty constitutes a legally valid and binding obligation of each Note Party that is a party thereto, enforceable against such Note Party in accordance with its terms. The Notes, when executed and issued in accordance with the terms of the Note Purchase Agreement and delivered to and paid for by the Purchasers in accordance with the terms of the Note Purchase Agreement, will be the legally valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their terms.

4. The execution and delivery of the Note Documents by Note Parties, the performance of the payment obligations thereunder do not on the date hereof:

- (i) *in the case of each Subsidiary Guarantor, violate the provisions of such Subsidiary Guarantor’s Governing Documents;*
- (ii) *result in the breach of or a default under any of the Specified Agreements*

S-4.4(a)(1)-3
(to Note Purchase and Guarantee Agreement)

- (iii) *violate any federal or New York statute, rule or regulation applicable to the Note Parties (including, without limitation, Regulations T, U or X of the Board of Governors of the Federal Reserve System, assuming the Note Parties comply with the provisions of the Note Documents relating to the use of proceeds) or, in the case of any Delaware Subsidiary Guarantor, violate the DLLCA, or in the case of any California Subsidiary Guarantor, violate the CLLCA; and*
- (iv) *require any consents, approvals, or authorizations to be obtained by the Note Parties from, or any registrations, declarations or filings to be made by the Note Parties with, any governmental authority under any federal or New York statute, rule, or regulation applicable to the Note Parties or, in the case of any Delaware Subsidiary Guarantor, the DLLCA, or in the case of any California Subsidiary Guarantor, the CLLCA.*

5. The Issuer is not required to be registered as an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

6. No registration of the Notes under the Securities Act of 1933, as amended, and no qualification of the Note Purchase Agreement under the Trust Indenture Act of 1939, as amended, is required for the purchase of the Notes by the Purchasers in the manner contemplated by the Note Purchase Agreement. We express no opinion, however, as to when or under what circumstances any Notes initially sold to the Purchasers may be reoffered or resold.

We do not express any opinion with respect to the creation, validity, attachment, perfection or priority of any security interest or lien or the effectiveness of any sale or other conveyance or transfer of real or personal property.

Our opinions are subject to:

- (a) the effects of bankruptcy, insolvency, reorganization, preference, fraudulent transfer, moratorium or other similar laws relating to or affecting the rights or remedies of creditors;
- (b) the effects of general principles of equity, whether considered in a proceeding in equity or at law (including the possible unavailability of specific performance or injunctive relief), concepts of materiality, reasonableness, good faith, fair dealing and the discretion of the court before which a proceeding is brought;
- (c) the invalidity under certain circumstances under law or court decisions of provisions for the indemnification or exculpation of or contribution to a party with respect to a liability where such indemnification, exculpation or contribution is contrary to public policy; and
- (d) we express no opinion with respect to (i) consents to, or restrictions upon, governing law (except for the validity under the laws of the State of New York, but subject to mandatory choice of law rules and constitutional limitations, of provisions in the Note Documents which expressly choose New York as the governing law for the Note Documents),

jurisdiction (except for the validity under the laws of the State of New York, but subject to mandatory jurisdiction rules and constitutional limitations, of provisions in the Note Documents which expressly provide for submission to the jurisdiction of the courts of the State of New York; unless a court finds such submission to be against public policy, unfair, or unreasonable), venue, service of process, arbitration, remedies or judicial relief; (ii) advance waivers of claims, defenses, rights granted by law, or notice, opportunity for hearing, evidentiary requirements, statutes of limitation, trial by jury or at law or other procedural rights; (iii) waivers of broadly or vaguely stated rights; (iv) covenants not to compete; (v) provisions for exclusivity, election or cumulation of rights or remedies; (vi) provisions authorizing or validating conclusive or discretionary determinations; (vii) grants of setoff rights; (viii) provisions to the effect that a guarantor is liable as a primary obligor, and not as a surety and provisions purporting to waive modifications of any guaranteed obligation to the extent such modification constitutes a novation; (ix) provisions for the payment of attorneys' fees where such payment is contrary to law or public policy, and we call to your attention the provisions of Sections 1717 and 1717.5 of the California Civil Code, which limit and create obligations for the payment of attorneys' fees; (x) proxies, powers and trusts; (xi) except as set forth in numbered paragraph 4(ii) of this letter, provisions prohibiting, restricting, or requiring consent to assignment or transfer of any agreement, right or property; (xii) provisions for liquidated damages, default interest, late charges, monetary penalties, prepayment or make-whole premiums or other economic remedies to the extent such provisions are deemed to constitute a penalty; (xiii) provisions permitting, upon acceleration of any indebtedness, collection of that portion of the stated principal amount thereof which might be determined to constitute unearned interest thereon; (xiv) any provision of the Note Documents that refers to, incorporates or is based upon the law of any jurisdiction other than the State of New York or the United States; and (xv) the severability, if invalid, of provisions to the foregoing effect.

We have further assumed, with your consent, that all members or managers of the Subsidiary Guarantors that are entities have duly taken such internal actions (such as board, member, manager, or partner approval) as may be necessary to enable them to duly act, and that they have duly acted (and duly executed and delivered the Note Documents), in their capacities as members or managers of the Subsidiary Guarantors in connection with the Note Documents.

We express no opinion or confirmation as to federal or state securities laws (other than as set forth in numbered paragraphs 5 and 6 hereof as to federal securities laws), tax laws, antitrust or trade regulation laws, insolvency or fraudulent transfer laws, antifraud laws, compliance with fiduciary duty requirements, pension or employee benefit laws, usury laws (other than any statute, rule or regulation of the State of New York), environmental laws, margin regulations (except as set forth in numbered paragraph 4(iii) of this letter), laws and regulations relating to commodities trading, futures and swaps; Financial Industry Regulatory Authority rules; National Futures Association rules; or the rules of any stock exchange, clearing organization, designated contract market or other regulated entity for trading, processing, clearing or reporting transactions in securities, commodities, futures or swaps, export control, anti-money laundering, and anti-terrorism laws (without limiting other laws or rules excluded by customary practice).

With your consent, for purposes of the opinion rendered in numbered paragraph 6, we have assumed that the representations and warranties made by each of the Purchasers contained

S-4.4(a)(1)-5
(to Note Purchase and Guarantee Agreement)

in the Note Purchase Agreement are accurate . We have also assumed that since the original date of execution thereof, the Note Purchase Agreement has not been amended, restated, modified, supplemented, or terminated and that no rights pursuant thereto have been released, waived, or modified either expressly or by any action or inaction of the parties thereto and that no party has defaulted on its obligations under the Note Purchase Agreement.

Insofar as our opinions require interpretation of the Specified Agreements , with your consent, (i) we have assumed that all courts of competent jurisdiction would enforce such agreements in accordance with their plain meaning, (ii) we express no opinion with respect to a breach or default under any Specified Agreement that would occur only upon the happening of a contingency, and (iii) we express no opinion with respect to any matters which require the performance of a mathematical calculation or the making of a financial or accounting determination.

With your consent, except to the extent that we have expressly opined as to such matters with respect to the Note Parties herein, we have assumed that (a) the Note Documents have been duly authorized, executed and delivered by the parties thereto, (b) the Note Documents constitute legally valid and binding obligations of the parties thereto, enforceable against each of them in accordance with their respective terms, and (c) the status of the Note Documents as legally valid and binding obligations of the parties is not affected by any (i) breaches of, or defaults under, agreements or instruments, (ii) violations of statutes, rules, regulations or court or governmental orders, or (iii) failures to obtain required consents, approvals or authorizations from, or make required registrations, declarations or filings with, governmental authorities.

This letter is furnished only to you and is solely for your benefit in connection with the transactions referenced in the first paragraph. This letter may not be relied upon by you for any other purpose, or furnished to, assigned to, quoted to or relied upon by any other person, firm or entity for any purpose, without our prior written consent, which may be granted or withheld in our discretion. At your request, we hereby consent to reliance hereon by any future transferee of your interest in the Note pursuant to a transfer that is made and consented to in accordance with the express provisions of Section 14.2 of the Note Purchase Agreement, on the condition and understanding that (i) this letter speaks only as of the date hereof, (ii) we have no responsibility or obligation to update this letter, to consider its applicability or correctness to other than its addressee(s), or to take into account changes in law, facts or any other developments of which we may later become aware, and (iii) any such reliance by a future transferee must be actual and reasonable under the circumstances existing at the time of transfer, including any changes in law, facts or any other developments known to or reasonably knowable by the transferee at such time. In addition, we also hereby consent to your furnishing a copy of this letter to: (i) governmental regulatory agencies having jurisdiction over any person permitted to rely on this letter (including the National Association of Insurance Commissioners), (ii) to attorneys as needed in connection with any legal action arising out of the transactions contemplated by the Note Documents to which a person permitted to rely on this letter is a party, (iii) to your counsel and (iv) as required by any order of any court or governmental authority; provided, however, that no such person shall be entitled to rely on this letter.

(b) Section 1.01 of the Credit Agreement is hereby amended to delete the following definitions in their entirety and replace such definitions with the following:

“**Change of Control**” means an event or series of events by which:

(a) any “*person*” or “*group*” (as such terms are used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, but excluding any employee benefit plan of such person or its subsidiaries, and any person or entity acting in its capacity as trustee, agent or other fiduciary or administrator of any such plan) becomes the “*beneficial owner*” (as defined in Rules 13d-3 and 13d-5 under the Securities Exchange Act of 1934, except that a person or group shall be deemed to have “beneficial ownership” of all securities that such person or group has the right to acquire, whether such right is exercisable immediately or only after the passage of time (such right, an “*option right*”)), directly or indirectly, of thirty-five percent (35%) or more of the equity securities of Parent entitled to vote for members of the board of directors or equivalent governing body of Parent on a fully-diluted basis (and taking into account all such securities that such person or group has the right to acquire pursuant to any option right); or

(c) the passage of thirty (30) days from the date upon which any Person or two or more Persons acting in concert shall have acquired by contract or otherwise, or shall have entered into a contract or arrangement (excluding any contract or arrangement which, by its terms, requires as a condition to the closing of such transaction that the Obligations under this Agreement (other than Unmatured Surviving Obligations) be refinanced or paid in full) that, upon consummation thereof, will result in its or their acquisition of the power to exercise, directly or indirectly, a controlling influence over the management or policies of Parent, or control over the equity securities of Parent entitled to vote for members of the board of directors or equivalent governing body of Parent on a fully-diluted basis (and taking into account all such securities that such Person or group has the right to acquire pursuant to any option right) representing twenty-five percent (25%) or more of the combined voting power of such securities; or

(d) Parent shall cease to be the sole general partner of Borrower; or

- (e) Parent shall cease to own, directly or indirectly, at least fifty percent (50%) of the issued and outstanding Equity Interests of Borrower; or
- (f) Borrower shall cease to own, directly or indirectly, all of the issued and outstanding Equity Interests in each Guarantor (other than Parent).

“Eurodollar Rate” means:

(a) for any Interest Period with respect to a Eurodollar Rate Loan, the rate per annum equal to the London Interbank Offered Rate (“**LIBOR**”) or a comparable or successor rate, which rate is approved by Administrative Agent, as published on the applicable Bloomberg screen page (or such other commercially available source providing such quotations as may be designated by Administrative Agent from time to time) at approximately 11:00 a.m., London time, two (2) Business Days prior to the commencement of such Interest Period, for Dollar deposits (for delivery on the first day of such Interest Period) with a term equivalent to such Interest Period; and

(b) for any interest calculation with respect to a Base Rate Loan on any date, the rate per annum equal to LIBOR, at or about 11:00 a.m., London time determined two (2) Business Days prior to such date for U.S. Dollar deposits with a term of one month commencing that day;

provided that (i) to the extent a comparable or successor rate is approved by Administrative Agent in connection herewith, the approved rate shall be applied in a manner consistent with market practice (ii) to the extent such market practice is not administratively feasible for Administrative Agent, such approved rate shall be applied in a manner as otherwise reasonably determined by Administrative Agent, and (iii) if the Eurodollar Rate shall be less than zero (0), such rate shall be deemed to be zero (0) for purposes of this Agreement.

“Funds from Operations” means, for the Consolidated Group for any period, the sum of (a) Net Income *plus* (b) depreciation and amortization expense determined in accordance with GAAP excluding amortization expense attributable to capitalized debt costs; *provided that* there shall not be included in such calculation (i) any proceeds of any insurance policy other than rental or business interruption insurance received by any member of the Consolidated Group, (ii) any gain or loss which is classified as “extraordinary” in accordance with GAAP, (iii) any capital gains and taxes on capital gains, (iv) income (or loss) associated with third-party ownership of non-controlling Equity Interests, and (v) gains or losses on the sale of discontinued operations.

“Negative Pledge” means a provision of any agreement (other than this Agreement and any agreement in favor of the holders of Indebtedness that is *pari passu* with the Obligations that only prohibits creation of a Lien on Unencumbered Properties on terms no more onerous in any material respect than those set forth in this Agreement) that prohibits the creation of any Lien on any assets of a Person; *provided, however*, that the following shall not constitute a “**Negative Pledge**” for purposes of this Agreement: (a) an agreement that establishes a maximum ratio of unsecured debt to unencumbered assets, or of secured debt to total assets, or that otherwise conditions a Person’s ability to encumber its assets upon the maintenance of one or more specified ratios that limit such Person’s ability to encumber its assets but that do not generally prohibit the encumbrance of its assets, or the encumbrance of specific assets; and (b) any requirement for the grant in favor of the holders of any Unsecured Debt of an equal and ratable Lien in connection with a pledge of any property or asset to secure the Obligations.

"Unencumbered Properties" means, as of any date, each Eligible Unencumbered Property identified by Borrower in the most-recent Unencumbered Property Report delivered to Administrative Agent, and **"Unencumbered Property"** means any one of the Unencumbered Properties.

"Unsecured Interest Expense" means, as of any date of determination, the greater of (a) Interest Expense on the Total Unsecured Debt for the most recently ended Calculation Period, and (b) the annual amount of interest payments on the Total Unsecured Debt as of such date of determination based on an interest rate equal to six percent (6.00%) per annum.

(c) **Section 1.01** of the Credit Agreement is hereby amended to delete the definition of **"Total Recourse Debt"** in its entirety.

(d) **Section 3.01(e)(ii)(D)** of the Credit Agreement is hereby amended by adding the following at the end thereof:
