GENERAL

This Proxy Statement and accompanying proxy card are available beginning April 10, 2015 in connection with the solicitation of proxies by the Board of Directors of Rexford Industrial Realty, Inc., for use at the 2015 Annual Meeting of Stockholders, which we may refer to alternatively as the “Annual Meeting.” We may refer to ourselves in this Proxy Statement alternatively as the “Company,” “we,” “us” or “our” and we may refer to our Board of Directors as the “Board.” A copy of our Annual Report to Stockholders for the 2014 fiscal year, including financial statements, is being made available simultaneously with this Proxy Statement to each stockholder.

Important Notice Regarding Internet Availability of Proxy Materials for the Stockholder Meeting to be Held on May 21, 2015: The Notice of Annual Meeting of Stockholders, the Proxy Statement and our 2014 Annual Report are available at www.voteproxy.com. Website addresses referred to in this Proxy Statement are not intended to function as hyperlinks, and the information contained on any such website is not a part of this Proxy Statement.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Why am I receiving these materials? Our Board of Directors is making these materials available to you over the Internet or by delivering paper copies to you by mail in connection with Rexford Industrial Realty, Inc.’s Annual Meeting of Stockholders. As a stockholder, you are invited to attend the Annual Meeting and are entitled and requested to vote on the items of business described in this Proxy Statement. This Proxy Statement includes information that we are required to provide under Securities and Exchange Commission (“SEC”) rules and is designed to assist you in voting your shares.

Why did I receive a notice in the mail regarding Internet availability of proxy materials instead of a paper copy of the proxy materials? Pursuant to Rule 14a-16 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), we have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the “Notice”) to our stockholders of record on April 10, 2015, while brokers, banks and other nominees who hold shares on behalf of beneficial owners will be sending their own similar notice to the beneficial owners. All stockholders will have the ability to access the proxy materials, including this Proxy Statement and our 2014 Annual Report, on the website referred to in the Notice or to request to receive a printed copy of the proxy materials. Instructions on how to request a printed copy by mail or electronically, including an option to request paper copies on an ongoing basis, may be found in the Notice and on the website referred to in the Notice. We intend to mail this Proxy Statement, together with a proxy card, to those stockholders entitled to vote at the Annual Meeting who have properly requested paper copies of such materials, within three business days of such request.

How do I vote? If you hold your shares of common stock as a record holder and you are viewing this Proxy Statement on the Internet, you may vote by submitting a proxy over the Internet by following the instructions on the website referred to in the Notice previously mailed to you.

If you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the Annual Meeting. However, if your common stock is held in the name of your broker, bank or other nominee, and you want to vote in person, you will need to obtain a legal proxy from the institution that holds your common stock.

If your common stock is held in your name, there are three ways for you to authorize a proxy:

- (1) If you received a paper copy of the proxy materials by mail, sign, date and mail the proxy card in the enclosed return envelope;
- (2) Call 1-800-776-9437; or
- (3) Log on to the Internet at www.voteproxy.com and follow the instructions at that site. The website address for authorizing a proxy by Internet is also provided on your Notice, as well as your unique 12 digit control number needed to access the Company's Annual Meeting information located at www.voteproxy.com.

Telephone and Internet proxy authorizations will close at 11:59 p.m. (Eastern Time) on May 20, 2015. If you authorize a proxy, unless you indicate otherwise, the persons named as your proxies will cast your votes FOR all of the nominees for election as directors named in this Proxy Statement and FOR the ratification of Ernst & Young LLP as our independent registered public accounting firm. The persons named as proxies will vote in their discretion on any other business properly introduced at the Annual Meeting or any continuation, postponement or adjournment of the Annual Meeting.

If your common stock is held in the name of your broker, bank or other nominee, you should receive separate instructions from the holder of your common stock describing how to provide voting instructions.

Even if you plan to attend the Annual Meeting, we recommend that you authorize a proxy in advance as described above so that your vote will be counted if you later decide not to attend the Annual Meeting.

Can I vote my shares by completing and returning the Notice? No. The Notice will, however, provide instructions on how to vote by telephone, by internet, by requesting and returning a paper proxy card or voting instruction card, or by submitting a ballot in person at the Annual Meeting.

Where and when is the Annual Meeting? The Annual Meeting will be held at 8:00 a.m. (Pacific Time) on Thursday, May 21, 2015 at offices of Rexford Industrial Realty, Inc. at 11620 Wilshire Boulevard, Suite 1000, Los Angeles, California, 90025.

What is the purpose of the Annual Meeting of Stockholders? At the Annual Meeting, stockholders will vote upon matters described in the Notice of Annual Meeting and this Proxy Statement, including the election of directors and the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm.

Who can attend the Annual Meeting? All of our stockholders as of the close of business on April 7, 2015, the record date for the Annual Meeting, or individuals holding their duly appointed proxies, may attend the Annual Meeting. You should be prepared to present proper photo identification for admittance. Authorizing a proxy in response to this solicitation will not affect a stockholder's right to attend the Annual Meeting and to vote in person. Please note that if you hold your common stock in "street name" (that is, through a broker, bank or other nominee), you will need to provide proof of beneficial ownership as of April 7, 2015, such as a copy of a brokerage statement reflecting your stock ownership as of April 7, 2015, a copy of the Notice of Internet Availability of Proxy Materials or voting instruction form provided by your broker, banker or other nominee, or other similar evidence of ownership, as well as your photo identification, to gain admittance to the Annual Meeting.

What am I voting on? At the Annual Meeting, you may consider and vote on:

- (1) the election of seven directors;

- (2) the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015; and
- (3) any other business properly introduced at the Annual Meeting.

What are the Board's recommendations? The Board recommends a vote:

- FOR the election of each nominee named in this Proxy Statement (see Proposal No. 1); and
- FOR ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015 (see Proposal No. 2).

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board and in their discretion on any other business properly introduced at the Annual Meeting.

Who may vote? You may vote if you owned shares of our common stock at the close of business on April 7, 2015, which is the record date for the Annual Meeting. You are entitled to cast one vote in the election of directors for as many individuals as there are directors to be elected at the Annual Meeting and to cast one vote on each other matter properly presented at the Annual Meeting for each share of common stock you owned as of the record date. As of April 7, 2015, we had 55,329,363 shares of common stock outstanding.

Who counts the votes? A representative of American Stock Transfer & Trust Company, LLC will tabulate the votes and will act as the inspector of the election.

What is a quorum for the Annual Meeting? The presence in person or by proxy of stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting on any matter will constitute a quorum at the Annual Meeting. No business may be conducted at the Annual Meeting if a quorum is not present.

If a quorum is not present at the Annual Meeting, the Chairman of the meeting may adjourn the Annual Meeting to another date, time or place, not later than 120 days after the original record date of April 7, 2015, without notice other than announcement at the meeting. We may also postpone the Annual Meeting to a date that is not later than 120 days after the original record date or cancel the Annual Meeting by making a public announcement of the postponement or cancellation before the time scheduled for the Annual Meeting.

What vote is required to approve an item of business at the Annual Meeting? To be elected as a director (Proposal No. 1), a nominee must receive a plurality of all the votes cast in the election of directors.

To ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm (Proposal No. 2), the affirmative vote of a majority of the votes cast on the proposal is required.

If you are a stockholder of record as of the record date for the Annual Meeting and you authorize a proxy (whether by Internet, telephone or mail) without specifying a choice on any given matter to be considered at this Annual Meeting, the proxy holders will vote your shares according to the Board's recommendation on that matter. If you are a stockholder of record as of the record date for the Annual Meeting and you fail

to authorize a proxy or vote in person, assuming that a quorum is present at the Annual Meeting, it will have no effect on the result of the vote on any of the matters to be considered at the Annual Meeting.

If you hold your shares through a broker, bank or other nominee, under the rules of the New York Stock Exchange (“NYSE”), your broker or other nominee may not vote with respect to certain proposals unless you have provided voting instructions with respect to that proposal. A “broker non-vote” results when a broker, bank or other nominee properly executes and returns a proxy but indicates that the nominee is not voting with respect to a particular matter because the nominee has not received voting instructions from the beneficial owner. A broker non-vote is not considered a vote cast on a proposal; however, stockholders delivering a properly-executed broker non-vote will be counted as present for purposes of determining whether a quorum is present.

If you hold your shares in a brokerage account, then, under NYSE rules and Maryland law:

- With respect to Proposal No. 1 (Election of Directors), your broker, bank or other nominee is not entitled to vote your shares on this matter if no instructions are received from you. Broker non-votes will have no effect on the election of directors.
- With respect to Proposal No. 2 (Ratification of Independent Registered Public Accounting Firm), your broker is entitled to vote your shares on this matter if no instructions are received from you.

Because an abstention is not a vote cast, if you instruct your proxy or broker to “abstain” on any matter, it will have no effect on the vote on any of the matters to be considered at the Annual Meeting. However, you will still be counted as present for purposes of determining whether a quorum is present.

Can I revoke my proxy? Yes, if your common stock is held in your name, you can revoke your proxy by:

- Filing written notice of revocation with our Secretary before our Annual Meeting at the address shown on the front of this Proxy Statement or at our Annual Meeting;
- signing a proxy bearing a later date; or
- voting in person at the Annual Meeting.

Attendance at the Annual Meeting will not, by itself, revoke a properly-executed proxy. If your common stock is held in the name of your broker, bank or other nominee, please follow the voting instructions provided by the holder of your common stock regarding how to revoke your proxy.

What happens if additional matters are presented at the Annual Meeting? Other than the two proposals described in this Proxy Statement, we are not aware of any business that may properly be brought before the Annual Meeting. If any other matters are properly introduced for a vote at the Annual Meeting and if you properly authorize a proxy, the persons named as proxy holders will vote in their discretion on any such additional matters. As of the date of this Proxy Statement, our Board is not aware of any other individual who may properly be nominated for election as a director at the Annual Meeting or of any nominee who is unable or unwilling to serve as director. If any nominee named in this Proxy Statement is unwilling or unable to serve as a director, our Board may nominate another individual for election as a director at the Annual Meeting, and the persons named as proxy holders will vote for the election of any substitute nominee.

Who pays for this proxy solicitation? We will bear the expense of preparing, printing and mailing this Proxy Statement and the proxies we solicit. Proxies may be solicited by mail, telephone, personal contact and electronic means and may also be solicited by directors and officers in person, by the Internet, by telephone or by facsimile transmission, without additional remuneration.

We will also request brokerage firms, banks, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of our common stock as of the record date and will reimburse them for the cost of forwarding the proxy materials in accordance with customary practice. Your cooperation in promptly voting your shares and submitting your proxy by the Internet or telephone, or by completing and returning the enclosed proxy card (if you received your proxy materials in the mail), will help to avoid additional expense.

Where can I find corporate governance materials? Our Corporate Governance Guidelines and Code of Business Conduct and Ethics and the charters for the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee are available on the Company Information—Governance Documents page of the Investor Relations section on our website at www.rexfordindustrial.com.

NO PERSON IS AUTHORIZED ON OUR BEHALF TO GIVE ANY INFORMATION OR TO MAKE ANY REPRESENTATIONS WITH RESPECT TO THE PROPOSALS TO BE VOTED ON AT THE ANNUAL MEETING, OTHER THAN THE INFORMATION AND REPRESENTATIONS CONTAINED IN THIS PROXY STATEMENT, AND, IF GIVEN OR MADE, SUCH INFORMATION AND/OR REPRESENTATIONS MUST NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED. THE DELIVERY OF THIS PROXY STATEMENT SHALL UNDER NO CIRCUMSTANCES CREATE ANY IMPLICATION THAT THERE HAS BEEN NO CHANGE IN OUR AFFAIRS SINCE THE DATE OF THIS PROXY STATEMENT.

The date of this Proxy Statement is April 10, 2015.

INFORMATION ABOUT THE BOARD

PROPOSAL NO. 1 NOMINEES FOR ELECTION TO THE BOARD

At the Annual Meeting, our stockholders will elect seven directors to serve until our next annual meeting of stockholders and until their respective successors are elected and qualify. The Board seeks directors who represent a mix of backgrounds and experiences that will enhance the quality of the Board's deliberations and decisions. In nominating candidates, the Board considers a diversified membership in the broadest sense, including persons diverse in experience, gender and ethnicity. The Board does not discriminate on the basis of race, color, national origin, gender, religion, disability or sexual preference. Our director nominees were nominated by the Board based on the recommendation of the Nominating and Corporate Governance Committee, or Governance Committee. They were selected on the basis of outstanding achievement in their professional careers, broad experience, personal and professional integrity, their ability to make independent analytical inquiries, financial literacy, mature judgment, high performance standards, familiarity with our business and industry, and an ability to work collegially. We also believe that all of our director nominees have a reputation for integrity, honesty and adherence to high ethical standards. All nominees are presently directors of Rexford Industrial Realty, Inc. and each of the nominees has consented, if elected as a director, to serve until his term expires.

Your proxy holder will cast your votes for each of the Board's nominees, unless you instruct otherwise. If a nominee is unable to serve as a director, your proxy holder will vote for any substitute nominee proposed by the Board.

He retired in 2011 as Chairman and CEO of Wells Fargo Capital Finance, a leading provider of traditional asset-based lending and other specialized senior secured financing vehicles to companies nationwide. Mr. Schwab was a member of Wells Fargo Bank's Management Committee. He served in various senior roles with Wells Fargo Capital Finance and predecessor entities (including Foothill Capital Corporation) during his 28-year tenure with the organization. Mr. Schwab currently serves on the Board of Directors of TCP Capital Corp. (NASDAQ: TCPC), a public registered investment company, as well as the boards of several private companies and educational, health, arts, and industry not-for-profit organizations. He earned his bachelor's degree in education from California State University, Northridge and his master's degree in education administration from California State University, Los Angeles. Our Board of Directors determined that Mr. Schwab should serve as a director based on his extensive finance experience and expertise (in particular with respect to asset-based lending), leadership roles within major lending institutions, and service on other public and private boards.

BOARD STRUCTURE, LEADERSHIP AND RISK MANAGEMENT

We have structured our corporate governance in a manner we believe closely aligns our interests with those of our stockholders. Notable features of our corporate governance structure include the following:

- our Board is not classified, with each of our directors subject to re-election annually;
- of the seven persons who serve on our Board, our Board has determined that four, or 57%, of our directors satisfy the listing standards for independence of the NYSE and Rule 10A-3 under the Exchange Act;
- two of our directors qualify as an "audit committee financial expert" as defined by the SEC;
- we have opted out of the business combination and control share acquisition statutes in the Maryland General Corporation Law (the "MGCL"); and
- we do not have a stockholder rights plan.

Our directors stay informed about our business by attending meetings of our Board of Directors and its committees and through supplemental reports and communications. Our independent directors meet regularly in executive sessions without the presence of our corporate officers or non-independent directors.

Our Board is currently chaired by Mr. Ziman, our Chairman. Our Board believes that Mr. Ziman's service as our Chairman is in the best interests of our Company and our stockholders because Mr. Ziman possesses detailed and in-depth knowledge of the issues, opportunities and challenges we face, and because he is the person best positioned to develop agendas that ensure that our Board's time and attention is focused on the most critical matters. Our Board believes that his role as Chairman enables decisive leadership, ensures clear accountability and enhances our ability to communicate our message and strategy clearly and consistently to stockholders, employees and tenants.

There are no material legal proceedings to which any director, officer or affiliate of the Company, any owner of record or beneficially of more than five percent of the Company's voting securities, or any associate of any such director, officer, affiliate of the Company or security holder is a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries.

EXECUTIVE SESSIONS OF NON-MANAGEMENT DIRECTORS

Our non-management, independent directors typically meet without management present each time the full Board or a Board committee convenes for a regularly scheduled meeting. If the Board convenes for a special meeting, the non-management, independent directors will meet in executive session if circumstances warrant. We currently do not have a lead independent director. Our independent directors have selected Peter Schwab to preside over executive sessions of the Board.

The Board welcomes communications from stockholders. For information on how to communicate with our independent directors, please refer to the information set forth under the heading "—Communications with the Board."

BOARD MEETINGS

The Board held four regularly scheduled and special meetings in 2014 to review significant developments, engage in strategic planning, and act on matters requiring Board approval. Each incumbent director attended an aggregate of at least 75 percent of the Board meetings, and the meetings of committees on which he served, during the period that he served in 2014. The Board also acted by unanimous written consent on nine occasions.

BOARD COMMITTEES

Our Board has established three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The principal functions of each committee are briefly described below. We comply with the listing requirements and other rules and regulations of the NYSE, as amended or modified from time to time, with respect to each of these committees, and each of these committees is comprised exclusively of independent directors. Additionally, our Board may from time to time establish other committees to facilitate the management of our company.

Audit Committee

Our Audit Committee consists of three of our independent directors. We have determined that the Chairman of our Audit Committee qualifies as an "audit committee financial expert" as that term is defined by applicable SEC regulations and NYSE corporate governance listing standards. Our Board has determined that each of our Audit Committee members is "financially literate" as that term is defined by

NYSE corporate governance listing standards. We have adopted an Audit Committee charter, which details the principal functions of the Audit Committee, including oversight related to:

- our accounting and financial reporting processes;
- the integrity of our consolidated financial statements and financial reporting process;
- our disclosure controls and procedures and internal control over financial reporting;
- our compliance with financial, legal and regulatory requirements;
- the evaluation of the qualifications, independence and performance of our independent registered public accounting firm;
- the performance of our internal audit function; and
- our overall risk profile.

The Audit Committee is also responsible for engaging an independent registered public accounting firm, reviewing with the independent registered public accounting firm the plans and results of the audit engagement, approving professional services provided by the independent registered public accounting firm, including all audit and non-audit services, reviewing the independence of the independent registered public accounting firm, considering the range of audit and non-audit fees and reviewing the adequacy of our internal accounting controls. The Audit Committee is also responsible for the Audit Committee report included in this Proxy Statement. Mr. Good is Chairman, as well as our Audit Committee Financial Expert, and Messrs. Rose and Schwab are members of the Audit Committee. During 2014, the Audit Committee met a total of four times.

Compensation Committee

Our Compensation Committee consists of three of our independent directors. We adopted a Compensation Committee charter, which details the principal functions of the Compensation Committee, including:

- reviewing and approving, at least annually, the performance goals and objectives relevant to our Co-Chief Executive Officers' compensation, evaluating our Co-Chief Executive Officers' performance in light of such goals and objectives and determining and approving the remuneration of our Co-Chief Executive Officers based on such evaluation;
- reviewing and approving the compensation of all of our other officers;
- reviewing our executive compensation policies and plans;
- implementing and administering our incentive compensation equity-based remuneration plans;
- assisting management in complying with our Proxy Statement and annual report disclosure requirements;

- producing a report on executive compensation to be included in our annual Proxy Statement (if required); and
- reviewing, evaluating and recommending changes, if appropriate, to the remuneration for directors.

The Compensation Committee may delegate its responsibilities to a subcommittee of the Compensation Committee, provided that such responsibilities do not pertain to matters involving executive compensation or certain matters determined to involve compensation intended to comply with Section 162(m) of the Internal Revenue Code of 1986, as amended. Mr. Antin is Chairman and Messrs. Good and Schwab are members of the Compensation Committee. During 2014, the Compensation Committee met in person one time and met telephonically four times. The Compensation Committee also acted by unanimous written consent on two occasions.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee, or Governance Committee, consists of three of our independent directors. We adopted a Nominating and Corporate Governance Committee charter, which details the principal functions of the Governance Committee, including:

- identifying and recommending to the full Board qualified candidates for election as directors to fill vacancies on the Board or at any annual meeting of stockholders;
- developing and recommending to the Board corporate governance guidelines and implementing and monitoring such guidelines;
- reviewing and making recommendations on matters involving the general operation of the Board, including Board size and composition, and committee composition and structure;
- recommending to the Board nominees for each committee of the Board of Directors;
- annually facilitating the assessment of the Board's performance as a whole and of the individual directors, as required by applicable law, regulations and NYSE corporate governance listing standards; and
- overseeing the Board's evaluation of the performance of management.

Mr. Rose is Chairman and Messrs. Good and Schwab are members of the Governance Committee. During 2014, our Governance Committee met a total of one time.

AUDIT COMMITTEE REPORT

The information contained in this Report of the Audit Committee shall not be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended (the "Securities Act") or the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing (except to the extent that we specifically incorporate this information by reference) and shall not otherwise be deemed "soliciting material" or "filed" with the SEC or subject to Regulation 14A or 14C, or to the liabilities of Section 18 of the Exchange Act (except to the extent that we specifically incorporate this information by reference).

Although the Audit Committee of the Board of Directors (the "Audit Committee") oversees the financial reporting process of Rexford Industrial Realty, Inc., a Maryland corporation (the "Company"), on behalf of the Board of Directors (the "Board") of the Company, consistent with the Audit Committee's written charter, management has the primary responsibility for preparation of the Company's consolidated financial statements in accordance with generally accepted accounting principles and the reporting process, including disclosure controls and procedures and the system of internal control over financial reporting. The Company's independent registered public accounting firm is responsible for auditing the annual financial statements prepared by management.

The Audit Committee has reviewed and discussed with management and the Company's independent registered public accounting firm, Ernst & Young LLP, our December 31, 2014 audited financial statements. Prior to the commencement of the audit, the Audit Committee discussed with the Company's management and independent registered public accounting firm the overall scope and plans for the audit. Subsequent to the audit and each of the quarterly reviews, the Audit Committee discussed with the independent registered public accounting firm, with and without management present, the results of their examinations or reviews, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of specific judgments and the clarity of disclosures in the consolidated financial statements.

In addition, the Audit Committee discussed with the independent registered public accounting firm the matters required to be discussed by Statements on Auditing Standards No. 61, "Communication with Audit Committees," as amended. The Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence. The Audit Committee discussed with the independent registered public accounting firm its independence from the Company and considered the compatibility of non-audit services with its independence.

Based upon the reviews and discussions referred to in the foregoing paragraphs, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2014 filed with the Securities and Exchange Commission.

The foregoing report has been furnished by the Audit Committee as of April 10, 2015.

In accordance with the Corporate Governance Guidelines, the Board and each of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee conducts an annual performance self-assessment with the purpose of increasing effectiveness of the Board and its committees. (The Company's Web site address provided above and elsewhere in this Proxy Statement is not intended to function as a hyperlink, and the information on the Company's Web site is not and should not be considered part of this Proxy Statement and is not incorporated by reference herein.)

CODE OF BUSINESS CONDUCT AND ETHICS

Our Board formally approved a Code of Business Conduct and Ethics that applies to our officers, directors and employees. Among other matters, our Code of Business Conduct and Ethics is designed to deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or potential conflicts of interest between personal and professional relationships;
- full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;
- compliance with applicable governmental laws, rules and regulations;
- prompt internal reporting of violations of the code to appropriate persons identified in the code; and
- accountability for adherence to the code.

Any waiver of the Code of Business Conduct and Ethics for our directors, executive officers and other principal financial officers must be approved by the Board or the appropriate committee thereof, and any such waiver shall be promptly disclosed as required by law or NYSE regulations.

ROLE OF THE BOARD IN RISK OVERSIGHT

One of the key functions of our Board is informed oversight of our risk management process. Our Board administers this oversight function directly, with support from its three standing committees, the Audit Committee, the Governance Committee and the Compensation Committee, each of which addresses risks specific to their respective areas of oversight. In particular, our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures. The Audit Committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function.

Our Governance Committee monitors the effectiveness of our Corporate Governance Guidelines.

Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Since the date of our IPO, there have been no insider participations or Compensation Committee interlocks of the Compensation Committee. At all times since the completion of our IPO, the Compensation Committee has been comprised solely of independent, non-employee directors.

COMMUNICATIONS WITH THE BOARD

Stockholders and other interested parties may write to the entire Board or any of its members at Rexford Industrial Realty, Inc., c/o Adeel Khan, Chief Financial Officer and Secretary, 11620 Wilshire Boulevard, Suite 1000, Los Angeles, California 90025. Stockholders and other interested parties also may e-mail the Chairman, the entire Board or any of its members c/o Adeel Khan, Chief Financial Officer and Secretary, at akhan@rexfordindustrial.com. The Board may not be able to respond to all stockholder inquiries directly. Therefore, the Board has developed a process to assist it with managing inquiries.

The Chief Financial Officer and Secretary will perform a review in the normal discharge of his duties to ensure that communications forwarded to the Chairman, the Board or any of its members preserve the integrity of the process. While the Board oversees management, it does not participate in day-to-day management functions or business operations, and is not normally in the best position to respond to inquiries with respect to those matters. For example, items that are unrelated to the duties and responsibilities of the Board such as spam, junk mail and mass mailings, ordinary course disputes over fees or services, personal employee complaints, business inquiries, new product or service suggestions, resumes and other forms of job inquiries, surveys, business solicitations or advertisements will not be forwarded to the Chairman or any other director. In addition, material that is unduly hostile, threatening, illegal or similarly unsuitable will not be forwarded to the Chairman or any other director and will not be retained. Such material may be forwarded to local or federal law enforcement authorities.

Any communication that is relevant to the conduct of our business and is not forwarded will be retained for one year and made available to the Chairman and any other independent director on request. The independent directors grant the Chief Financial Officer and Secretary discretion to decide what correspondence will be shared with our management and any personal employee communications may be shared with our human resources department if deemed appropriate. If a response on behalf of the Board is appropriate, we gather any information and documentation necessary for answering the inquiry and provide the information and documentation, as well as a proposed response, to the appropriate director(s). We also may attempt to communicate with the stockholder for any necessary clarification. Our Chief Financial Officer and Secretary (or his designee) reviews and approves responses on behalf of the Board in consultation with the applicable director(s), as appropriate.

Certain circumstances may require that the Board depart from the procedures described above, such as the receipt of threatening letters or e-mails or voluminous inquiries with respect to the same subject matter. Nevertheless, the Board considers stockholder questions and comments important, and endeavors to respond promptly and appropriately.

NOMINATION PROCESS FOR DIRECTOR CANDIDATES

The Governance Committee is, among other things, responsible for identifying and evaluating potential candidates and recommending candidates to the Board for nomination. The Governance Committee is governed by a written charter, a copy of which is available on the Company Information—Governance Documents page of the Investor Relations section on our website at www.rexfordindustrial.com.

The Governance Committee regularly reviews the composition of the Board and whether the addition of directors with particular experiences, skills, or characteristics would make the Board more effective. When a need arises to fill a vacancy, or it is determined that a director possessing particular experiences, skills, or characteristics would make the Board more effective, the Governance Committee initiates a search. As a part of the search process, the Governance Committee may consult with other directors and members of senior management, and may hire a search firm to assist in identifying and evaluating potential candidates.

When considering a candidate, the Governance Committee reviews the candidate's experiences, skills, and characteristics. The Governance Committee also considers whether a potential candidate would otherwise qualify for membership on the Board, and whether the potential candidate would likely satisfy the independence requirements of the NYSE as described below.

Candidates are selected on the basis of outstanding achievement in their professional careers, broad experience, personal and professional integrity, their ability to make independent analytical inquiries, financial literacy, mature judgment, high performance standards, familiarity with our business and industry, and an ability to work collegially. Other factors include having members with various and relevant career experience and technical skills, and having a Board that is, as a whole, diverse. Where appropriate, we will conduct a criminal and background check on the candidate. In addition, at least one member of the Board should have the qualifications and skills necessary to be considered an "Audit Committee Financial Expert" under Section 407 of the Sarbanes-Oxley Act of 2002 ("Sarbanes-Oxley Act"), as defined by the rules of the SEC and within one year of the NYSE listing date, at least a majority of the Board must be independent as determined by the Board under the guidelines of the NYSE listing standards.

All potential candidates are interviewed by the Chairman of the Board and Governance Committee Chairman, and, to the extent practicable, the other members of the Governance Committee, and may be interviewed by other directors and members of senior management as desired and as schedules permit. In addition, the Chief Financial Officer and Secretary conducts a review of the director questionnaire submitted by the candidate and, as appropriate, a background and reference check is conducted. The Governance Committee then meets to consider and approve the final candidates, and either makes its recommendation to the Board to fill a vacancy, or add an additional member, or recommends a slate of candidates to the Board for nomination for election to the Board. The selection process for candidates is intended to be flexible, and the Governance Committee, in the exercise of its discretion, may deviate from the selection process when particular circumstances warrant a different approach.

Stockholders may recommend candidates to our Board. The stockholder must submit a detailed resume of the candidate and an explanation of the reasons why the stockholder believes the candidate is qualified for service on our Board of Directors and how the candidate satisfies the Board's criteria. The stockholder must also provide such other information about the candidate as is set forth in our bylaws and as would be required by the SEC rules to be included in a Proxy Statement. In addition, the stockholder must include the consent of the candidate and describe any arrangements or undertakings between the stockholder and the candidate regarding the nomination. The stockholder must submit proof of the stockholder's holding of Rexford Industrial Realty, Inc.'s common stock. All communications are to be directed to the

Chairman of the Governance Committee, c/o Rexford Industrial Realty, Inc., 11620 Wilshire Boulevard, Suite 1000, Los Angeles, California 90025, Attention: Chief Financial Officer and Secretary. For any annual meeting, recommendations received after 120 days prior to the anniversary of the date of the Proxy Statement for the prior year's annual meeting will likely not be considered timely for consideration by the Governance Committee for that annual meeting.

AUDIT COMMITTEE PRE-APPROVAL POLICY

The Audit Committee's policy is to pre-approve all significant audit and permissible non-audit services provided by our independent auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. Our independent auditors and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. (1) Amounts shown in the “Salary” column reflect the base salary earned by each named executive officer during the applicable year. Amounts shown for the year 2013 reflect the base salary earned by each named executive officer during the period beginning on July 24, 2013 (the closing of our IPO) and ending December 31, 2013. Last year, we disclosed the base salary paid to each named executive officer in 2013, rather than the base salary earned (and therefore the amounts above revise the amounts previously disclosed in our Proxy Statement filed on April 15, 2014, wherein we disclosed base salaries paid to Messrs. Schwimmer, Frankel and Khan of \$205,615, \$205,615 and \$114,231, respectively). The difference between the amounts paid and the amounts earned relates to payroll cycle timing differences. Beginning with this year and on a go-forward basis we expect to disclose salary earned by our named executive officer for the applicable year.

(2) Amounts reflect the payment of discretionary bonuses awarded to the named executive officers with respect to 2014 performance. Mr. Abrams did not receive a bonus with respect to 2014 performance because he left the Company prior to the end of 2014.

(3) Amounts reflect the full grant-date fair value of restricted stock awards granted in 2014 computed in accordance with ASC Topic 718, rather than the amounts paid to or realized by the named individual. We provide information regarding the assumptions used to calculate the value of all

restricted stock awards made to executive officers in Note 15 to our consolidated and combined financial statements contained in our Annual Report on Form 10-K filed March 9, 2015. There can be no assurance that awards will vest (in which case no value will be realized by the individual).

- (4) Amounts reflect medical insurance premiums paid by the Company during 2014 for the direct or indirect benefit of the named executive officer that are not generally available to all other employees of the Company.
- (5) In connection with our IPO, we granted to each of Messrs. Schwimmer and Frankel 285,714 shares of restricted common stock. The amount shown includes a value of \$3,939,530 for Mr. Schwimmer and \$3,939,530 for Mr. Frankel, each of which is associated with shares of restricted common stock that were cancelled in connection with the Accommodation entered into in October 2013 such that, as of December 31, 2013, each of Messrs. Schwimmer and Frankel held 4,320 shares of restricted common stock. For additional information, refer to the heading “Narrative Disclosure to Summary Compensation Table – Executive Compensation Arrangements” below.
- (6) Mr. Abrams was not a “named executive officer” of the Company in 2013. Mr. Abrams left the Company, effective June 16, 2014. Compensation Consultant

In 2014, the Company engaged FTI Consulting, Inc., or FTI, a real estate advisory practice, to provide market-based compensation data and to advise on industry trends and best practices. Other than providing the advice as described above, FTI did not provide any material services to the Company in 2014. Further, pursuant to SEC rules, the Company conducted a conflicts of interest assessment and determined that there is no conflict of interest resulting from retaining FTI.

Executive Compensation Arrangements

Below are summaries of the key terms of the employment and letter agreements applicable to our named executive officers. The employment agreements for Messrs. Schwimmer, Frankel and Khan also provide for certain severance and change-in-control payments and benefits, as described below under “Severance and Change in Control Benefits.”

Howard Schwimmer and Michael Frankel

In July 2013, we entered into employment agreements with Messrs. Schwimmer and Frankel, which became effective upon the completion of our IPO. The following is a summary of the material terms of the agreements.

Under the agreements, Messrs. Schwimmer and Frankel each serve as a Co-Chief Executive Officer of our Company and report directly to our Board. The initial term of the employment agreements will end on the fourth anniversary of the completion of our IPO, or July 24, 2017. On that date, and on each

subsequent one year anniversary of such date, the term of the employment agreements will automatically be extended for one year, unless earlier terminated. Pursuant to the employment agreements, during the terms of Messrs. Schwimmer's and Frankel's employment, we will nominate each for election as a director.

Under the employment agreements, Messrs. Schwimmer and Frankel each receive initial annual base salaries of \$495,000, which are subject to increase at the discretion of our Compensation Committee. In addition, each of Messrs. Schwimmer and Frankel will be eligible to receive an annual discretionary cash performance bonus targeted at 100% of the executive's then-current annual base salary. The actual amount of any such bonuses will be determined by reference to the attainment of applicable company and/or individual performance objectives, as determined by our Compensation Committee.

In connection with entering into the employment agreements and as described below, Messrs. Schwimmer and Frankel were each granted an award of 285,715 shares of restricted common stock of our common stock (of which 281,395 shares subject to each award were cancelled as of December 31, 2013 in connection with the Accommodation, as further described in our Annual Report on Form 10-K filed on March 9, 2015). These restricted stock awards vest in four equal, annual installments on each of the first four anniversaries of the date of grant, subject to each executive's continued service through the applicable vesting date. In addition, beginning in calendar year 2014 and for each calendar year thereafter, Messrs. Schwimmer and Frankel are each eligible to receive an annual equity award, as determined by our Compensation Committee in its sole discretion. Messrs. Schwimmer and Frankel are also eligible to participate in customary health, welfare and fringe benefit plans, and, subject to certain restrictions, healthcare benefits will be provided to them and their eligible dependents at our sole expense. Each of Messrs. Schwimmer and Frankel will accrue four weeks of paid vacation per year.

Adeel Khan

In November 2014, we entered into an employment agreement with Mr. Khan. The following is a summary of the material terms of the agreement.

Under the agreement, Mr. Khan continues to serve as Chief Financial Officer of our Company and reports directly to the co-Chief Executive Officers of our Company or their designee. The initial term of the employment agreement will end on the third anniversary of the effective date, or November 25, 2017.

Under the employment agreement, Mr. Khan receives an annual base salary of \$315,000, which is subject to annual review and increase at the discretion of our Compensation Committee. In addition, Mr. Khan will be eligible to receive an annual discretionary cash performance bonus targeted at 80% of Mr. Khan's base salary actually paid for such year. The actual amount of any such bonus will be determined by reference to the attainment of applicable company and/or individual performance objectives, as determined by our Compensation Committee, and may be greater or less than the target amount, or zero.

Mr. Khan is eligible to participate in customary health, welfare and fringe benefit plans, and, subject to certain restrictions, healthcare benefits will be provided to him and his eligible dependents at our sole expense. Mr. Khan will accrue four weeks of paid vacation per year.

Jonathan L. Abrams

During Mr. Abrams' employment with the Company, he was party to an employment offer letter pursuant to which he served as General Counsel, reporting to Messrs. Schwimmer and Frankel. The following is a summary of the material terms of the letter.

Under the letter, Mr. Abrams' annual base salary was \$275,000 and he was eligible to receive a discretionary annual bonus targeted at 50% of his trailing twelve months' annual base salary at the end of the applicable calendar year (pro-rated for any partial year of service). The actual amount of any annual bonus would have been determined by reference to the attainment of applicable company and/or individual performance objectives, as determined by our Compensation Committee, and may have been greater or less than the target amount.

In connection with entering into the letter and as described below, Mr. Abrams was granted an award of 10,661 shares of restricted common stock. This restricted stock award was scheduled to vest in four equal, annual installments on each of the first four anniversaries of Mr. Abrams' hire date (November 25, 2013), subject his continued service through the applicable vesting date. The restricted stock award was forfeited in full in connection with Mr. Abrams' departure from the Company in June 2014.

Mr. Abrams was eligible to participate in customary health, welfare and fringe benefit plans, and, subject to certain restrictions, healthcare benefits were provided to him at our sole expense. Mr. Abrams was eligible to accrue three weeks of paid vacation, and six personal days, per year.

Base Salaries

We believe that the base salaries of our named executive officers are commensurate with our named executive officers' positions and are expected to provide a steady source of income sufficient to permit these officers to focus their time and attention on their work duties and responsibilities.

For 2014, the annual base salary for each of Messrs. Schwimmer and Frankel was \$495,000. These were established in connection with the completion of our IPO in 2013, along with Mr. Khan's annual base salary, which was originally set at \$275,000. However, in July 2014 our Compensation Committee increased Mr. Khan's base salary to \$315,000, effective May 1, 2014. The 2014 annual base salary for Mr. Abrams was \$275,000.

2014 Annual Bonuses

Our named executive officers are eligible to earn annual discretionary cash performance bonuses based on the attainment of applicable performance objectives. Eligibility to receive these cash bonuses is expected to incentivize our named executive officers to strive to attain company and/or individual performance goals that further our interests and the interests of our stockholders. The applicable terms and conditions of the cash bonuses are determined by our Compensation Committee.

In 2014, each of Messrs. Schwimmer and Frankel was eligible to receive a discretionary annual bonus targeted at 100% of the executive's then-current salary. In addition, Mr. Khan was eligible to receive a discretionary annual bonus targeted at 80% of his salary actually paid for 2014, and Mr. Abrams was eligible to receive a discretionary annual bonus targeted at 50% of his trailing twelve-month salary.

The bonuses awarded to Messrs. Schwimmer, Frankel and Khan for 2014 performance are set forth in the Summary Compensation Table above. Mr. Abrams was not eligible to receive a 2014 discretionary annual bonus as his employment with our Company terminated in June 2014.

Equity Compensation

In July 2013, our Board adopted our 2013 Incentive Award Plan, referred to below as the Plan, in order to facilitate the grant of cash and equity incentives to directors, employees (including our named executive officers) and consultants of our Company and certain of our affiliates and to enable our Company and

certain of our affiliates to obtain and retain services of these individuals, which is essential to our long-term success.

Pursuant to the Plan, we granted restricted stock awards to each of our named executive officers in 2014. The number of shares of restricted stock granted to our named executive officers in 2014 is set forth in the table below:

<u>Executive</u>	<u>Number of Restricted Shares</u>
Howard Schwimmer	59,282
Michael S. Frankel	59,282
Adeel Khan	28,777
Jonathan L. Abrams	10,661

Each of the restricted stock awards granted to Mr. Schwimmer and Mr. Frankel will vest as to 25%, 25% and 50% of the number of shares subject to the award on the first, second and third anniversaries of the date of grant (or October 23, 2015, 2016 and 2017), based on the executive's continued service with us through the applicable vesting date. Mr. Khan's restricted stock award will vest in substantially equal 1/3 installments on each of the first, second and third anniversaries of the date of grant (or July 17, 2015, 2016 and 2017), based on the executive's continued service with us through the applicable vesting date.

In addition, the restricted stock awards granted to Messrs. Schwimmer, Frankel and Khan are subject to accelerated vesting provisions set forth in the executive's employment agreement, as described in further detail below under the heading "Severance and Change in Control Benefits."

Mr. Abrams' restricted stock award was scheduled to vest as to 25% of the number of shares subject to the award on each of the first, second, third and fourth anniversaries of Mr. Abrams' date of hire (or November 25, 2014, 2015, 2016 and 2017), based on the executive's continued service with us through the applicable vesting date. In June 2014, Mr. Abrams' employment with our Company was terminated. As such, Mr. Abrams' restricted stock award was forfeited.

Other Elements of Compensation

Retirement Plans. The Internal Revenue Code of 1986, as amended, allows eligible employees to defer a portion of their compensation, within prescribed limits, on a pre-tax basis through contributions to a 401(k) plan. We established a 401(k) retirement savings plan for our employees, including our named executive officers, who satisfy certain eligibility requirements. Our named executive officers are eligible to participate in the 401(k) plan on the same terms as other full-time employees.

Employee Benefits and Perquisites. Our full-time employees, including our named executive officers are eligible to participate in health and welfare benefit plans, which provide medical, dental, prescription and other health and related benefits. We may also implement additional benefit and other perquisite programs as our Compensation Committee determines appropriate, though we do not expect any such additional benefits and perquisites to constitute a material component of our named executive officers' compensation package.

Additional Compensation Components. As we formulate and implement our compensation program, we may provide different and/or additional compensation components, benefits and/or perquisites to our named executive officers, to ensure that we provide a balanced and comprehensive compensation structure. We believe that it is important to maintain flexibility to adapt our compensation structure at this time to properly attract, motivate and retain the top executive talent for which we compete.

Outstanding Equity Awards at 2014 Fiscal Year-End

The following table summarizes the number of shares of common stock underlying outstanding equity incentive plan awards for each named executive officer as of December 31, 2014. Mr. Abrams did not hold any outstanding equity incentive plan awards as of December 31, 2014, and therefore he is not included in the following table.

Name	Award Grant Date	Number of Shares or Units of Stock that Have Not Vested (#)(1)	Market Value of Shares or Units of Stock that Have Not Vested \$(1)
Howard Schwimmer	7/24/2013	3,240(2)	50,900
	10/23/2014	59,282(3)	931,320
Michael S. Frankel	7/24/2013	3,240(2)	50,900
	10/23/2014	59,282(3)	931,320
Adeel Khan	7/24/2013	14,733(2)	231,455
	7/17/2014	28,777(4)	452,087

- (1) The market value of shares of restricted stock that have not vested is calculated by multiplying the fair market value of a share of our common stock on December 31, 2014 (\$15.71) by the number of unvested shares of restricted stock outstanding under the award. In addition, each of the restricted stock awards may be subject to accelerated vesting in certain circumstances, as described in “Severance and Change in Control Benefits” below.
- (2) Each restricted stock award will vest as to 25% of the number of shares subject to the award on each of the first, second, third and fourth anniversaries of the date of grant, based on the executive’s continued service with us through the applicable vesting date. The unvested portion of these awards are scheduled to vest in three installments on July 24, 2015, July 24, 2016 and July 24, 2017.
- (3) Each restricted stock award will vest as to 25%, 25% and 50% of the number of shares subject to the award on each of the first, second and third anniversaries of the date of grant, based on the executive’s continued service with us through the applicable vesting date.
- (4) The restricted stock award will vest in substantially equal 1/3 installments on each of the first, second and third anniversaries of the date of grant, based on Mr. Khan’s continued service with us through the applicable vesting date.

Severance and Change in Control Benefits

Pursuant to the terms of the employment agreements for Messrs. Schwimmer and Frankel, if Mr. Schwimmer’s or Mr. Frankel’s employment is terminated by our Company without “cause,” by the executive for “good reason” (each, as defined in the applicable employment agreement) or because our Company elects not to renew the term of the employment agreement then, in addition to any accrued amounts, the executive will be entitled to receive the following:

- A lump-sum payment in an amount equal to three times the sum of (i) the executive’s annual base salary then in effect, (ii) the average annual bonus earned by the executive for the three prior fiscal years (substituting target bonus in the average for any fiscal year not yet completed if fewer than three fiscal years have been completed) and (iii) the average value of any annual equity awards(s) made to the executive during the prior three fiscal years (excluding the initial grant of restricted stock granted pursuant to the employment agreements, any award(s) granted pursuant to a multi-year, outperformance

or long-term performance program and any other non-recurring awards), or if fewer than three years have elapsed, over such lesser number of years;

- a lump-sum payment in an amount equal to (i) any annual bonus relating to the year immediately preceding the year in which the termination date occurs that remains unpaid on the termination date (if any), and (ii) a pro rata portion of the executive's target bonus for the partial fiscal year in which the termination date occurs;
- accelerated vesting of all outstanding equity awards held by the executive as of the termination date; and
- company-paid continuation healthcare coverage for 18 months after the termination date.

Upon a termination of employment by reason of death or disability, the executive or his estate will be entitled to accelerated vesting of all outstanding equity awards held by the executive as of the termination date, in addition to any accrued amounts. In addition, upon a change in control of our Company (as defined in the Plan), Messrs. Schwimmer and Frankel will be entitled to accelerated vesting of all outstanding equity awards held by such executive as of the date of the change in control.

Pursuant to the terms of the employment agreement for Mr. Khan, if Mr. Khan's employment is terminated by our Company without "cause," or by Mr. Khan for "good reason" (each, as defined in Mr. Khan's employment agreement) then, in addition to any accrued amounts, Mr. Khan will be entitled to receive the following:

- a lump-sum payment in an amount equal to Mr. Khan's annual base salary then in effect;
- a pro rata portion of Mr. Khan's annual bonus for the partial fiscal year in which the termination date occurs, payable in a lump sum on the date on which annual bonuses are paid to our Company's senior executives generally for such year;
- accelerated vesting of all outstanding equity awards that vest based solely on the passage of time held by Mr. Khan as of the termination date; and
- company-paid continuation healthcare coverage for 18 months after the termination date.

Upon a termination of employment by reason of death or disability, Mr. Khan or his estate will be entitled to accelerated vesting of all outstanding equity awards that vest based solely on the passage of time held by Mr. Khan as of the termination date, in addition to any accrued amounts. In addition, upon a "change in control" of our Company (as defined in the Plan), Mr. Khan will be entitled to accelerated vesting of all outstanding equity awards held by him as of the date of the change in control.

Each executive's right to receive the severance payments and benefits described above is subject to his delivery and non-revocation of an effective general release of claims in favor of our Company. Each employment agreement also contains customary confidentiality and non-solicitation provisions.

In addition, under each employment agreement, to the extent that any change in control payment or benefit would be subject to an excise tax imposed in connection with Section 4999 of the Code, such payments and/or benefits may be subject to a "best pay cap" reduction to the extent necessary so that the executive receives the greater of the (i) net amount of the change in control payments and benefits reduced such that such payments and benefits will not be subject to the excise tax and (ii) net amount of the change in control payments and benefits without such reduction.

DIRECTOR COMPENSATION

2014 Director Compensation Table

The following table provides additional detail regarding the 2014 compensation of our non-employee directors:

Name ⁽¹⁾	Fees Earned or Paid in Cash (\$) ⁽²⁾	Stock Awards (\$) ⁽³⁾	Total (\$)
Richard Ziman	387,500 ⁽⁴⁾	45,002	432,502

Joel S. Marcus	30,000	45,002	75,002
Peter E. Schwab	17,533	58,339	75,872

(1) Howard Schwimmer, our Co-Chief Executive Officer, and Michael S. Frankel, our Co-Chief Executive Officer, are not included in this table as they are employees of our Company and do not receive compensation for their services as directors. All compensation paid to Messrs. Schwimmer and Frankel for the services they provide to us is reflected in the Summary Compensation Table above.

(2) Reflects annual base and, if applicable, Chairman and committee retainer fees as well as any bonuses earned and paid in 2014.

(3) Amounts reflect the full grant-date fair value of restricted stock awards granted with respect to services performed in 2014 computed in accordance with ASC Topic 718, rather than the amounts paid to or realized by the named individual. We provide information regarding the assumptions used to calculate the value of all restricted stock awards made to directors in Note 15 to our consolidated and combined financial statements contained in our Annual Report on Form 10-K filed March 9, 2015. As of December 31, 2014, Messrs. Ziman, Antin, Good, Marcus and Schwab held 5,649, 5,124, 5,124, 5,124, and 3,219 shares, respectively, of our restricted common stock. Narrative Disclosure to Director Compensation Table

In connection with our IPO, our Board approved a compensation program for our non-employee directors, which became effective upon completion of our IPO and which was amended and restated in October 2014. The program consists of annual retainer fees and long-term equity awards. The material terms of the program are described below. In addition, in 2014 the Board approved a \$200,000 cash bonus to Mr. Ziman in consideration of his contributions to the Company and his role in the Company's future success.

Cash Compensation

Under the program, each non-employee director, other than Mr. Ziman, was entitled to receive an annual cash retainer equal to \$30,000, and Mr. Ziman is entitled to receive an annual cash retainer equal to \$250,000 so long as he remains Chairman of our Board. In addition, each committee Chair was entitled to receive an additional \$20,000 (Audit) or \$10,000 (Compensation, Nominating and Corporate Governance) annual cash retainer. In the event we have a lead independent director, he or she will be entitled to receive an additional annual cash retainer equal to \$25,000. Annual retainers will be paid in cash quarterly in arrears.

As part of the October 2014 amendment, effective October 1, 2014, (i) the annual cash retainer was increased to \$40,000, (ii) the Compensation Committee Chair annual cash retainer was increased to \$15,000 and (iii) other than the Chairman of our Board, each non-employee director is entitled to receive a \$2,000 meeting fee for attendance at Board or committee meetings (whether present in person or telephonically).

Equity Compensation

Under the program, each non-employee director who is initially elected to serve on the Board after the IPO will be granted (on the date of such initial election or appointment) restricted stock with a value of \$40,000; provided, that if such initial election or appointment does not occur at an annual meeting of stockholders, the value of the restricted stock grant will be prorated accordingly. This initial grant vests in full on the earlier of (1) the date of the annual meeting of stockholders next following the grant date (regardless of whether the director is re-elected at such meeting, so long as the director serves through such meeting) and (2) the first anniversary of the grant date, subject in each case to continued service.

In addition, each director serving on the Board as of the date of each annual meeting of stockholders and who is re-elected for another year of service at such annual meeting will be granted restricted stock with a value of \$45,000 on the date of the applicable annual meeting (the "Annual Grant"). Each Annual Grant will vest in full on the earlier of (1) the date of the annual meeting next following the grant date (regardless of whether the director is re-elected at such meeting, so long as the director serves through such meeting) and (2) the first anniversary of the grant date, subject to continued service. As part of the October 2014 amendment, the Board approved an increase in the value of the Annual Grant to \$50,000, beginning with the annual restricted stock award to be granted at this annual meeting.

STOCK OWNERSHIP

PRINCIPAL STOCKHOLDERS

The following table sets forth certain information regarding the beneficial ownership of shares of our common stock and shares of common stock into which units are exchangeable as of April 7, 2015 for (i) each person who is the beneficial owner of 5% or more of our outstanding common stock, (ii) each of our directors and named executive officers, and (iii) all of our directors and executive officers as a group. Each person named in the table has sole voting and investment power with respect to all of the shares of our common stock shown as beneficially owned by such person, except as otherwise set forth in the notes to the table. The extent to which a person holds shares of common stock as opposed to units is set forth in the footnotes below.

The SEC has defined “beneficial ownership” of a security to mean the possession, directly or indirectly, of voting power and/or investment power over such security. A stockholder is also deemed to be, as of any date, the beneficial owner of all securities that such stockholder has the right to acquire within 60 days after that date through (a) the exercise of any option, warrant or right, (b) the conversion of a security, (c) the power to revoke a trust, discretionary account or similar arrangement, or (d) the automatic termination of a trust, discretionary account or similar arrangement. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to options or other rights (as set forth above) held by that person that are exercisable as of April 7, 2015 or will become exercisable within 60 days thereafter, are deemed outstanding, while such shares are not deemed outstanding for purposes of computing percentage ownership of any other person.

Unless otherwise indicated, the address of each named person is c/o Rexford Industrial Realty, Inc., 11620 Wilshire Boulevard, Suite 1000, Los Angeles, California 90025.

Name of Beneficial Owner	Number of Shares and Units Beneficially Owned	Percentage of All Shares ⁽¹⁾	Percentage of All Shares and Units ⁽²⁾

* Less than 1.00%.

(1) Assumes 55,329,363 shares of common stock are outstanding as of April 7, 2015. In computing the percentage ownership of a person or group, we have assumed that the common units of limited partnership held in our operating partnership (“common units”) held by that person or the persons in the group have been redeemed in exchange for shares of common stock and that those shares are

outstanding but that no common units held by other persons have been redeemed in exchange for shares of common stock.

- (2) Computation of the percentage ownership assumes 57,626,049 shares of common stock and common units (other than common units held by us) are outstanding, comprised of 55,329,363 shares of common stock and 2,296,686 common units held by limited partners.
- (3) Security Capital Research & Management Incorporated, a Delaware corporation, is the advisor to Security Capital Preferred Growth LLC, an investment fund, and Security Capital Research & Management Incorporated may be deemed to beneficially own the shares held by such investment fund. The principal address for Security Capital Research & Management Incorporated is 10 South Dearborn Street, Suite 1400, Chicago, Illinois 60603. The information in this footnote is based solely upon a Schedule 13G filed on October 8, 2014.
- (4) Includes 180,075 common units held by RSZ Trust for which Mr. Ziman is the trustee and 7,405 shares of common stock and 413 common units held by Mr. Ziman's affiliates.
- (5) Includes 13,575 shares of common stock and 42,002 common units held by the Schwimmer Family Irrevocable Trust for which Mr. Schwimmer is a trustee and 7,275 common units held by the Howard Schwimmer Living Trust for which Mr. Schwimmer is the trustee.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our executive officers, directors and persons who own more than 10% of our common stock to file reports of ownership and changes in ownership with the SEC. SEC regulations require us to identify anyone who failed to file a required report or filed a late report during the most recent fiscal year. Based solely on our review of the copies of such forms received by us, or written representations from certain reporting persons that no Forms 5 were required for such persons, we believe that, during the fiscal year ended December 31, 2014, our executive officers, directors and 10% stockholders complied with all Section 16(a) filing requirements applicable to them, with the following exceptions: a delinquent Form 4 filing for Adeel Khan covering one transaction with respect to a restricted stock grant in July 2014 and delinquent Form 4 filings for each of Michael Frankel, Howard Schwimmer and Richard Ziman relating to shares acquired by each of them in the Company's August 2014 follow-on offering.

RELATED-PARTY AND OTHER TRANSACTIONS INVOLVING OUR OFFICERS AND DIRECTORS

We describe below transactions and series of similar transactions, during our last fiscal year, to which we were a party or will be a party, in which:

- the amounts involved exceeded or will exceed \$120,000; and
- any of our directors, executive officers, holders of more than 5% of our outstanding common stock or any member of their immediate family had or will have a direct or indirect material interest.

Formation Transactions

Each property acquired by us through our operating partnership upon the completion of those certain formation transactions in which we engaged in connection with our IPO was previously owned directly or indirectly by partnerships or limited liability companies in which Michael S. Frankel, Howard Schwimmer, Richard Ziman and/or other third parties owned a direct or indirect interest. We refer to these partnerships and limited liability companies collectively as the “Rexford Funds” and we refer to the previous owners of the Rexford Funds as the “prior investors.” In addition, in connection with such transactions, Rexford Industrial, LLC, Rexford Sponsor V LLC and Rexford Fund V Manager LLC (collectively, the “Management Companies”) contributed its property management business, which we refer to as the “property management business,” to our operating partnership.

In connection with the formation transactions, Michael S. Frankel, Howard Schwimmer and Richard Ziman entered into a representation, warranty and indemnity agreement with us, pursuant to which they made certain representations and warranties to us regarding the entities and assets acquired in the formation transactions and agreed to indemnify us and our operating partnership for breaches of such representations and warranties for one year after the completion of our IPO and the formation transactions. For purposes of satisfying any indemnification claims, Messrs. Ziman, Schwimmer and Frankel deposited into escrow shares of our common stock and common units with an aggregate value equal to ten percent of the consideration paid to Messrs. Ziman, Schwimmer and Frankel in the formation transactions. Messrs. Ziman, Schwimmer and Frankel have no obligation to increase the amount of common stock and/or common units in the escrow in the event the trading price of our common stock declines below the IPO price of \$14.00 per share. On or about January 6, 2015, all amounts in the escrow from the completion of the formation transactions were distributed to Messrs. Ziman, Schwimmer and Frankel and no indemnity claims were against such amounts. This indemnification was subject to a one-time aggregate deductible equal to one percent of the consideration paid to Messrs. Ziman, Schwimmer and Frankel in the formation transactions and a cap equal to the value of the consideration deposited in the escrow. Other than Messrs. Ziman, Schwimmer and Frankel, none of the prior investors or the entities that we acquired in the formation transactions provided us with any indemnification.

Registration Rights

In connection with the completion of our IPO, we entered into a registration rights agreement with the various persons receiving shares of our common stock and/or common units in the formation transactions and concurrent private placement, including certain of our executive officers. Pursuant to the registration rights agreement, we filed a registration statement on Form S-3 covering the resale of the shares of our common stock issued in the formation transactions and the concurrent private placement and the resale of the shares of our common stock issued or issuable, at our option, in exchange for common units issued in the formation transactions. We may, at our option, register the issuance by us of shares of our common

stock under the Securities Act of 1933, as amended, in lieu of our operating partnership's obligation to pay cash for such units. We agreed to pay all of the expenses relating to the securities registrations described above.

Tax Matters Agreement

We entered into a tax matters agreement with certain limited partners of our operating partnership, including Messrs. Ziman, Schwimmer and Frankel, (in such capacity, the "Tax Matters Representatives"). Under this agreement, our operating partnership will indemnify such limited partners for their tax liabilities (plus an additional amount equal to the taxes incurred as a result of such indemnity payment) attributable to their share of the built-in gain, as of the completion of the formation transactions, with respect to their interest in certain properties in our portfolio as of the date of our IPO if the operating partnership, without the consent of at least two of the Tax Matters Representatives, disposes of any interest with respect to such properties in a taxable transaction during the shorter of the seven-year period after the completion of our formation transactions and the date on which more than 50% of the common units originally received by any such limited partner in our formation transactions have been sold, exchanged or otherwise disposed of by the limited partner, subject to certain exceptions and limitations. In addition, if during the period ending on the twelfth anniversary of the completion of the formation transactions we fail to offer certain limited partners an opportunity to guarantee, in the aggregate, up to approximately \$19 million of our outstanding indebtedness, or if we fail to make commercially reasonable efforts to provide such partners who continue to own at least 50% of the common units originally received by such partners in the formation transactions with an opportunity to guarantee debt after this period, our operating partnership will be required to indemnify such limited partners against their resulting tax liabilities (plus an additional amount equal to the taxes they incur as a result of such indemnity payment). Messrs. Ziman, Schwimmer and Frankel will have the opportunity to guarantee up to approximately \$2.4 million, \$6.5 million and \$3.5 million respectively, of our outstanding indebtedness pursuant to the tax matters agreement. Among other things, this opportunity to guarantee debt is intended to allow the participating limited partners to defer the recognition of gain in connection with our formation transactions. The sole and exclusive rights and remedies of any limited partner under the tax matters agreement shall be a claim against our operating partnership for such limited partner's tax liabilities as calculated in the tax matters agreement, and no limited partner shall be entitled to pursue a claim for specific performance or bring a claim against any person that acquires a property from our operating partnership in violation of the tax matters agreement.

Employment Agreements

We entered into employment agreements with certain of our named executive officers which will provide for salary, bonus and other benefits, including severance upon a termination of employment under certain circumstances. The material terms of the agreements with our named executive officers are described above under the heading "Executive Compensation."

Property Management Agreements

Prior to the formation transactions, Rexford Industrial Realty and Management, Inc. (our "services company") provided management services to the Rexford Funds. As part of the formation transactions, our services company became a wholly owned subsidiary of our operating partnership. Mr. Schwimmer owns interests in 19 properties representing approximately 1.0 million square feet that are not part of the Rexford Funds portfolio. Mr. Schwimmer's investments in these properties are more than a decade old and pre-date the formation of the Rexford Funds. These properties have been managed by our services company since completion of the IPO pursuant to property management agreements. In 2014, these management services generated revenues of \$215,000 for the services company. Conflicts of interest may

exist or could arise in the future as a result of this relationship, including the decision of whether to extend, terminate or re-negotiate these property management agreements.

Equity Incentive Award Plan

In connection with the formation transactions, we adopted a cash and equity-based incentive award plan for our directors, officers, employees and consultants. The material terms of equity awards granted pursuant to the plan are described above under the heading “Executive Compensation.”

Indemnification of Officers and Directors

Upon completion of our IPO, our charter and bylaws provided for certain indemnification rights for our directors and officers and we entered into indemnification agreements with each of our executive officers and directors, providing for procedures for indemnification and advancements by us of certain expenses and costs relating to claims, suits or proceedings arising from their service to us or, at our request, service to other entities, as officers, directors, partners, trustees, managers or members to the maximum extent permitted by Maryland law. We also entered into indemnification agreements with Messrs. Schwab and Rose upon their appointment by the Board to serve as directors and with Mr. Abrams in connection with Mr. Abrams’s employment with the Company.

Settlement Agreement

On November 19, 2014, we entered into a settlement agreement with Jonathan L. Abrams, our former General Counsel, related to certain claims that Mr. Abrams had alleged with respect to his employment and termination. Pursuant to the settlement agreement, we agreed to pay an aggregate of \$340,000 and Mr. Abrams agreed to a general release of claims. The entire amount paid pursuant to the settlement agreement was covered by our insurance carrier with the exception of a \$25,000 deductible payment.

REVIEW AND APPROVAL OF TRANSACTIONS WITH RELATED PERSONS

We have operated under our Code of Business Conduct and Ethics policy since our IPO in July 2013. As part of our Code of Business Conduct and Ethics, our officers, directors and employees are expected to engage in honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships.

We have adopted a written policy regarding the review, approval and ratification of any related party transaction. Under this policy, our Audit Committee will review the relevant facts and circumstances of each related party transaction, including if the transaction is on terms comparable to those that could be obtained in arm's-length dealings with an unrelated third party before approving such transaction. For purposes of this policy, a "Related Party" is:

- any person who is, or at any time since the beginning of our last fiscal year was, a director or executive officer of ours or a nominee to become a director of ours;
- any person who is (or was) the beneficial owner of more than 5% of any class of our voting securities when the Related Party Transaction in question is expected to occur or exist (or when it occurred or existed);
- any immediate family member of any of the foregoing persons, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of such director, executive officer, nominee or more than 5% beneficial owner, and any person (other than a tenant or employee) sharing the household of such director, executive officer, nominee or more than 5% beneficial owner; and
- any firm, corporation or other entity in which any of the foregoing persons is employed or is a director, officer, general partner or principal or serves in a similar position or in which such person has a 5% or greater beneficial ownership interest.
